[The China Management Handbook](#) Sep 09 2020 With China's accession to the WTO in Spring 2002 it is essential that Western investors and business people get an effective 'tool kit' which enables them to succeed in the highly competitive Chinese market and to deal with the issues and changes that the WTO will bring. As a guide for western investors this book gives the answer to the 100 most crucial questions on operating or restructuring business in China. The question and answer format allows the reader to rapidly select information for a specific situation.

[Human Resources Policies and Procedures Manual](#) Nov 04 2022 Human Resources Procedures for Employee Management can help you easily create the Human Resources (HR) policies and procedures manual you need to ensure the fair treatment of employees as required by Federal law. Thoroughly researched and reviewed by experts in the field, this important organizational resource provides more than 800 pages of content based on best practices, and it addresses important issues such as COBRA, HIPAA, ADA, FMLA, and other major Federal employment regulations. This quality hardback edition also covers important employer/employee topics such as job descriptions, hiring and termination, compensation and benefits, training and development, as well as general HR administration. It also includes a sample Employee Handbook and an HR Managers Manual. Designed for busy professionals such as HR Executives, Office Managers, and Business Owners, Human Resources Procedures for Employee Management is an important tool in managing the most important resource in your business - your employees. This new edition also includes updated and complete job descriptions for every job referenced in the text. Given the broad range of topics that fall under the HR rubric, creating a system of policies and procedures can be a daunting task. Fortunately, with Human Resources Policies and Procedures Manual there is no need to start from scratch - it's already been done for you!

[Creating Your Employee Handbook](#) Aug 21 2021 Sponsored by The Management Center At last, busy nonprofits can produce their own employee handbooks without the usual worries or frustrations. And employees can finally look to a single source for all the policies and procedures that bear on their day-to-day work. This unique book-and-disk set has everything you need to craft an employee handbook that is tailored to your organization's mission, culture, and goals. It is The Management Center's most comprehensive human resources toolkit for nonprofits across the country--filled with sample policies and examples of how to adapt each policy to your specific objectives. Flexible and user-friendly, [Creating Your Employee Handbook](#) offers a unique three-level approach, capturing the complexity and diversity of your nonprofit. Many of the sample policies appear in versions that correspond to large, medium-sized, or small nonprofits. Certain policies also reflect different organizational cultures. For each policy, you can choose--mixing or matching as needed--the language, form, and style that best reflect your purpose and work culture. Topics include: employment and employee development, benefits, workplace healthy and safety, standards of conduct, work hours and pay, and much more. You can create a new employee handbook from start to finish, update existing policies, or identify new ones. This hands-on manual can also help you gain insight into why certain policies are legally necessary. Such important policies are tagged throughout the handbook and there is even a state-by-state listing of specific statutes and mandates to help broaden your knowledge of employment law. Above all, [Creating Your Employee Handbook](#) shows how to make your handbook an effective employee communications tool. Use the Disk for Easy Customization and Implementation The do-it-yourself kit includes a computer disk complete with all of the sample policies in PC format. The policies are organized into folders that correspond to the size of your nonprofit. You can select or combine the policies according to your specific requirements. Also included are sample forms that can be copied or saved for future use. The guide and disk make the normally daunting task of creating an employee handbook that simple!

[Air Transport Labor Relations](#) Sep 29 2019 Robert W. Kaps examines air transport labor law in the United States as well as the underlying legislative and policy directives established by the federal government. The body of legislation governing labor relations in the private sector of the U.S. economy consists of two separate and distinct acts: the Railway Labor Act (RLA), which governs labor relations in the railroad and airline industries, and the National Labor Relations Act (NLRA), which governs labor relations in all other industrial sectors. Although the NLRA closely follows the pattern established by the RLA, Kaps notes that the two laws are distinguishable in several important areas. Labor contracts negotiated under the RLA continue in perpetuity, for example, whereas all other labor contracts expire at a specified date. Other important areas of difference relate to the collective bargaining process itself, the procedures for the arbitration of disputes and grievances, and the spheres of authority and jurisdiction to consider such matters as unfair labor practices. Congress established a special labor law for railroad and airline workers for several reasons. Because of transportation's critical importance to the economy, an essential goal of public policy has been to ensure that both passenger and freight transportation services continue without interruption. Production can cease--at least temporarily--in most other industries without causing significant harm to the economy. When transportation stops, however, production stops. Thus Congress saw fit to enact a statute that contained provisions to ensure that labor strife would not halt rail services. Primarily because of the importance of air mail transportation, the Railway Labor Act of 1926 was extended to the airline industry in 1936. The first section of this book introduces labor policy and presents a history of the labor movement in the United States. Discussing early labor legislation, Kaps focuses on unfair labor practices and subsequent major labor statutes. The second section provides readers with a comparison of labor provisions that apply to the railroad and airline industries as well as to the remainder of the economy. The final section centers on the evolution of labor in the airline industry. The author pays particular attention to recent events affecting labor in commercial aviation, particularly the effect of airline deregulation on airline labor.

Personnel Policies and Procedures for Health Care Facilities Apr 16 2021 A unique manual for managers in health care facilities, this volume contains model policies and procedures found through experience to be useful in helping managers manage their work force while at the same time enhancing the employee relations atmosphere. The policies and procedures are designed so that they can be incorporated into company personnel policy manuals as is or modified and adapted to meet the needs of individual organizations. Included are guidelines for promoting fairness and consistency, as well as those aimed at enhancing employee morale and effectiveness. Throughout, the authors have written the manual with a view toward preventing potential legal problems before they begin. The volume begins with a section explaining how to use the various sections of the manual, how to customize where necessary to reflect organizational goals, how to develop an employee handbook, and how to add additional information such as organization history and structure. There follow comprehensive sections that deal with virtually every aspect of employment policies, wages and overtime, benefits policies, the employee and his or her job, employee conduct, and safety and security. Included are policies to deal with such increasingly difficult problems as drugs and alcohol abuse, sexual harassment and discrimination, terminations and layoffs, insurance, and employment of minors as well as basic employment policies ranging from recruitment and hiring to vacations and sick leaves.

Law Office Policy & Procedures Manual Mar 28 2022 This manual helps medium and large law firms increase productivity by providing a model manual for law office policies and procedures. The book, an updated and expanded version of the previous (fourth) edition, is divided into seventeen sections, covering such topics as law office organization, management, and administration, support personnel, office policies, personnel policies and benefits, office security and emergency procedures, financial management, file systems, technology, and communications systems. The book contains numerous sample forms and documents, as well as extensive bibliographies. A CD containing the entire text of the manual is included, allowing customization of the manual for particular user needs.

Employee Policy Manual Apr 28 2022

Employee Handook Australia Jan 26 2022 Your company Employee Handbook should cover all the rules and regulations that an employee is expected to know and follow. They are an employee's guide that explains the company's rules and regulations. On the first day of employees' employment, they are given a copy of the company's Employee Handbook and after a week are asked to sign an agreement stating that they have read the handbook and understand its content. This way both employees and employers are protected. Employees will be protected because they will know the company rules and regulations. The employer will be protected because should employees break any of the company rules and regulations they won't be able to claim innocence if they have confirmed that they knew and understood the rules. Employee Handbooks normally back up a company's formal Human Resources Policy and Procedures Manual.

Managing Pregnancy Apr 04 2020 This book and e-book offers sound guidelines and insight to help dentists integrate practice management and maternity issues. Addresses the wellness and health concerns of pregnant dentists and dental team members, such as radiation usage during pregnancy and stress management.
