These techniques involve meditation, Reiki , methods to attract and absorb positive, healing energy, using positive thinking, prayer, love, kindness, love of self and others, positive thinking and action and chakra balancing and aura protection to heal depression and other mood disorders These

It is also our bombardment by, and reaction to, negative energy and stressors and our attachment to negative memories, thoughts, emotions and people that cause the depletion of our vital life force energy. The techniques in this book teach us to sever unwanted attachments to painful emotions, thoughts and memories and negative people to bolster our energy systems. Alter Your Reality Dec 12 2020 We , the human beings , are divine energy beings residing in a physical body. We have an in-built system in our energy body which connects us to the One divine source. Due to the deviation from the universal laws/principles that govern life , the consciousness of mankind fell gradually from the golden age of light to the iron age of darkness . This resulted in the spiritual DNA being deactivated and mankind lost his direct connection with the Divine. In the dark ages, the psyche of mankind suffered great damage due to experiencing immense pain and suffering. Now the cycle of human consciousness is on an upward swing , ultimately leading to the golden age of light. It is now possible for every man to re-establish his divine connection with the help of various energy healing techniques which are now widely practiced and can be easily incorporated in our day to day life. These divine healing energies have the ability to repair the damaged energy field/ aura of man and help him to re-create a life for himself which is a reflection of his dreams. For , reality that is experienced by each man is nothing but a reflection of his thoughts/ emotions.

The Genesis of the Bible Aug 27 2019 This book is about Christianity, Islam, Judaism, and how the Arabs and Europeans took these Afrikan Religious Belief

Systems from ancient Egypt, North Afrika and used them during The Trans-Sahara Afrikan Slave Trade by the Arabs in the name of Allah, and followed by The Transatlantic Afrikan Slave Trade by the Europeans in the name of Jesus, to enslave the bodies, minds, and souls of the Afrikan Race. This book is about the Jesus Deception that has been passed on down through history by European historians, that is still being taught around the world today. This book takes a provocative intellectual, scholastic, historical, cultural, and sociological look at the Bible. This book identifies the names of the translators of the King James Bible of 1611 A. D., and when the chapters and verses in the Bible were created and who created them. The purpose of this book is to expose the historical, cultural, sociological, religious and theological lies of the Europeans and the Arabs. This book reveals the truth of the origination of The Bible, as There Is No Religion Higher Than The Truth. Join me in an intellectual odyssey through time. Here, I feel like a Lone Warrior standing before a mighty army. Come with me on this perilous pilgrimage as we travel through a parallel universe. I dedicate this book to my mother and father who gave me life. To the rest of my Native Afrikan family for supporting me and encouraging me on this publishing venture. To the Heavenly Father, without whom none of this would be possible. There are others I would also like to thank for being a part of helping me through this journey called Life,

such as my professors at the Alabama State University where many a great scholars paths I have crossed. To my American family and friends in Mobile, Alabama who nurtured and taught me from childhood to adulthood. The many friends and colleagues I met in my travels all across America in my intellectual journey, and last but certainly not least, to my publisher for granting me the opportunity to speak to many all around the world in this forum. I am eternally indebted to you all-Thank you.

Echoes from Eternity Jul 27 2019 There are thousands of books and articles on "metaphysical" subjects such as the meaning of life, the nature of God, the teachings of various religions, reincarnation, life after death, the various disciplines such as astrology, numerology, tarot, ESP research, healing, and many others. Is there a "Golden Thread of Wisdom" which encompasses a broad based understanding of the essential truths of these teachings? Is there a primer where one can learn the fundamental concepts, the common denominator present in most spiritual teachings? There is Now, in Tony Fisichella's *Echoes From Eternity*. For the first time, here is one book which ties together the ancient and modern teachings about human life-which answers the basic questions that most thinking people ask-Who am I, where did I come from, what am I doing here, where am I going? Here is the impetus which can inspire you to brave new discoveries about yourself, provide you the reference you need to

help solve practical problems, find the direction you seek, and to more deeply understand the teachings of great religions in their true context. Here is a book which can excite new activity within your awakening Soul and truly change your life. Purity Jun 29 2022 In ancient societies and religion, the concept of purity was of central importance; in many modern societies it is either irrelevant or, when it is used, attached to extremely conservative agendas. This suggests an interesting story to be told within the history of ideas and, at the same time, raises questions about the place, meaning, and use of purity in religious traditions. What does purity mean in different scriptural contexts? Is it synonymous with holiness or different? How has it been used within various strands of theology? What should we make of it today? Have we moderns, by discarding purity as an organising social form, lost something essential or have we made a significant moral advance? Or both? This volume addresses these questions in essays on biblical genres, books and different theological traditions.

Accessibly written and incisive in its scholarship, Purity will be of interest to both specialists and non-specialists alike.

Dancing Wisdom Jul 07 2020 Concentrating on the Caribbean Basin and the coastal area of northeast South America, Yvonne Daniel considers three African-derived religious systems that rely heavily on dance behavior--Haitian Vodou, Cuban Yoruba, and Bahamian Candomblé. Combining her background in dance and anthropology to parallel the participant/scholar dichotomy inherent to dancing's "embodied knowledge," Daniel examines these misunderstood and oppressed performative dances in terms of physiology, psychology, philosophy, mathematics, ethics, and aesthetics. "Dancing Wisdom offers the rare opportunity to see into the world of mystical spiritual belief as articulated and manifested in ritual by dance. Whether it is a Cuban Yoruba dance ritual, slave Ring Shout or contemporary Pentecostal Holy Ghost possession dancing shout, we are able to understand the relationship with spirit through dancing with the Divine. Yvonne Daniel's work synthesizes the cognitive empirical objectivity of an

anthropologist with the passionate storytelling of a poetic artist in articulating how dance becomes prayer in ritual for Africans of the Diaspora." --Leon T. Burrows, Protestant Chaplain, Smith College'

Journey into Spiritual Spaciousness Apr 15 2021 What has dance got to do with the Trinity, a hospital bed to do with gratitude, or email to do with prayer? With these and other everyday starting points Malcolm Nicholas explores our relationship with the divine, and with the world.

Let us Make Life A Celebration May 29 2022 Man's life is multidimensional. Like when a seed begins its journey of growth, its expansion is in infinite directions. But if

the same seed does not get to sprout then all of its creational energies are lost in Nature. In the quantum domain, man is also like a seed, given the right environment its expansion reaches infinite dimensions. For this, its alignment with Nature and the infinite universe is necessary to be maintained. Fundamentally it is the subtle form of the universe only, what lies as the element in the microcosm as a living being is the same one that constitutes this universe also - as is the microcosm so is the macrocosm: 'Yatha Pinde Tatha Brahmande'. This deep understanding of spirituality is revealed in this book which is a collection of the preachings by Acharya Shree Sudarshan Jee Maharaj.

Nicholas takes facts and figures from Christian, Judaic, and Islamic religions and takes them into a new level where scholars, and professors alike will be mind blown and use this superb work of literature... for centuries to come. - Michael G. Stone, Poet and Author ? An eye opening revelation for those unfamiliar with the origins of their religious beliefs. A masterful, easy to read correlation of well documented and presented historical information. A superb addition to anyone's library. - Canadian Author, Richard Regener ? Better written and more cohesive than many books on religion, Future of God Amen is scholarly and fl eshed out to the point of textbook meticulousness; but it blindsides you with new discoveries and conclusions. - Andrea Borja, Journalist and Author ? His position, that Judaism, Christianity and Islam all fi nd their origins in Egypt, is not a new one, nor without controversy, however, he supports his argument with references, maps and histories, which are quite compelling. His writing style is smooth and is easy reading for an inquiring mind.....This book

would be a valuable addition to the library of any Church, Synagogue or Masjid. Any student of history, civilization and religion would do well to make it required reading. - Artur Zorka, C.H.T., Astronomer and Author

Emotional Release Therapy Nov 22 2021 A new therapy for releasing emotional pain and trauma Professional spiritual healer and former Methodist minister Walter Weston was frustrated by the lack of therapies effectively dealing with emotional pain. Then he developed Emotional Release Therapy (ERT), a simple technique that permanently removes painful and traumatic memories along with self-destructive emotional states like depression, grief, fear, and anger. Because emotional pain is often the root cause of many physical diseases, ERT can likewise alleviate painful conditions and speed

recovery from disease. A blending of energy and faith healing, ERT heals by helping us re-access our lost connection to God. Since developing the therapy, Weston has taught thousands of people around the world to practice ERT on themselves and others. ERT is so effective you can also use it to treat animals.
