**Time Is Irreverent 2: Jesus Christ, Not Again!** Sep 07 2020 ♦ Marty Mann and Nellie Dixon are back for another irreverent, liberal, twisty, time-travel comedy! This time they have Jesus Christ, the actual guy, on their side. The timeline correction Marty Mann and Nellie Dixon accomplished in their first episode was successful. . . . Or was it? When the two humans and their Krichard friends, Chrissie and Tina, return to year 2020 Earth to verify the change, they find an advanced, peaceful planet. The four friends move into Marty's new timeline home and the next morning head out for a flying car tour of Oodlelakeolis. The city, which was Minneapolis in the previous timeline, is beautiful from the air, but when they swoop down to land, the Colorless Ones, a cult of religious extremists from the planet Krichardia, reverse the timeline change and abduct Chrissie and Tina. Instantly, President Handley is back to dropping nuclear bombs, and once again, Marty and Nellie must find a way to stop him. After our heroes gain possession of the Krichards' time-traveling Chromosphere Cruiser, they return to AD 31 with plans to restore the advanced timeline by wowing the locals with the Holy Smokin' Hot Nellie act. Unfortunately, an unexpected event forces them to return to the year 2020, but they have a stowaway—Jesus Christ! Can Marty Mann and Nellie Dixon save the world and rescue Tina and Chrissie with snark being their only superpower? Can a dark-skinned Jesus with a fondness for profanity and a disdain for religious hypocrisy thrive in the twenty-first century? And who are the Soldiers of the White Jesus, and what will they have to do with any of this? These questions and more will be answered in this unforgettable episode. **Time Is Irreverent 2: Jesus Christ, Not Again!** is a hilarious, thought-provoking satire with unpredictable twists, colorful and colorless aliens, the outrageous Holy Smokin' Hot Nellie, and a juicy role for Jesus Christ, the actual guy! Reviews: "Time Is Irreverent 2 is a madcap blasphemous comedy of the most delightful sort. Recommended for those whose tastes incline that way; if you loved Time Is Irreverent, run, don't walk, to consume this perfect sequel."—Tom Flynn, editor, *Free Inquiry* magazine "An excellent follow-up to the original, and this from someone who typically hates sequels! All the same great characters and more, plus Jesus—although not your mama's Jesus. The funny is funnier, the crazy crazier, and the politics even more in your face (in the good way!). If you loved the first, you've got to read the second. Well done, Marty!"—Jeff Abugov, writer, producer, director "For those aficionados of first-time, optimistic sci-fi, who have been avidly waiting for another Time Is Irreverent adventure—your wait is over. Marty Essen has produced a fine follow-up to his first time traveling escapade and I hope that the likeable characters he has created will get many future outings. A great addition to a currently gloomy, pessimistic genre. I do not hesitate to recommend it."—Charles Remington, *Readers' Favorite Book Reviews Publisher's Warning:* [!]This book is intended for a liberal audience and features satirical content that may not be appropriate for Donald Trump supporters or those who are offended by views that challenge traditional religious beliefs. Common side effects include wide smiles, sudden laughter, and occasional snorts. Reader discretion is advised. This is the second book in the Time Is Irreverent series. Each novel is a stand-alone adventure, and a humorous prologue quickly gets readers up-to-date.

**Dag Pike's Cruising Under Power** Jan 30 2020 The aim of this book is to enable novices to cruise safely and enjoyably. It will cover the preparations needed before undertaking a cruise, operating the boat under different and sometimes challenging conditions, how to cope when things go wrong, how to conform to the rules and regulations, and how to navigate. It conveys the advice and information just as the cruiser will encounter it on passage - from setting off to arriving at their destination (rather than compartmentalised into navigation/weather/engine etc). Topics include: Preparing to cruise (weather forecasts, route planning, checklists); Leaving harbour (harbour entrances, radio contact, setting courses and speeds, crew briefing, food and drink); Assessing weather and sea conditions (fine tuning plans); Watch keeping under way (visual and electronic navigation, coping with alarms); Entering harbour (planning ahead, radio channels, finding an anchorage, speeds); Cruising at night and in fog (lights, radar, shipping lanes, stopping distance); Adventurous cruising (navigating inshore, beach landing, hidden dangers); Fuel management and economy (economical speeds, boat trim, reserves); Comfort on board (cooking and sleeping at sea, security); When things go wrong (potential problems, safety equipment, coping with fire, leaks, grounding, engine problems, calling for help); Rules and regulations (collision regulations, traffic lanes, going foreign, qualifications). Aimed at owners of powerboats and motor cruisers between 25 and 65ft, the book will be entirely practical, with checklists, sidebars and box-outs and many diagrams and photos.

Time Is Irreverent: Ooh, It's a Trilogy! (Books 1-3) Oct 09 2020 ♦ Is it the Father, the Son, and the Holy Ghost? No! It's the Marty Mann, the Liberal Jesus, and the Holy Smokin' Hot Nellie! Ooh, It's a Trilogy! Here's what people have said about the books in this hilarious, irreverent, series: ♦ Praise for Time Is Irreverent "Highly recommend. It's fun, clever, cool, witty, surprising, political, sexy, everything a sci-fi book should be. And as someone who's also written a sci-fi-time-travel-humor novel, I love that Marty Essen doesn't break the time rules he sets up from the start—so many sci-fi authors do, and as far as I'm concerned, that's just lazy writing. Not the case here! Yes, his characters learn and adapt and grow, but the foundation of his rules remain intact always. To repeat: fun, witty, surprising, sexy. Highly recommend." —Jeff Abugov, writer, producer, director "Time Is Irreverent is a delightful romp that scores solid satirical points about religion, human nature, sex, the Trump administration, and a great deal more." —Tom Flynn, editor, Free Inquiry magazine "Ironic, original, hysterically funny, deftly crafted, and an impressively entertaining read from first page to last, Time Is Irreverent by Marty Essen is an especially and unreservedly recommended for community library Science Fiction & Fantasy collections. It should be noted for the personal reading lists of dedicated science fiction fans that Time Is Irreverent is also available in a digital book format." —Midwest Book Review "Time Is Irreverent is a well-written, well-paced novel peopled with solid, likeable characters. Marty Essen is a talented author who has managed to wrap several complex threads into a light, enjoyable narrative. I hope he will continue writing in the sci-fi genre and I look forward eagerly to his future works." —Charles Remington, Readers' Favorite Book Reviews ♦ Praise for Time Is Irreverent 2: Jesus Christ, Not Again! "Time Is Irreverent 2 is a madcap blasphemous comedy of the most delightful sort.
