Just Say Yes! Devotional Jan 26 2022 In *Just Say Yes!* Robert Schnase shows church leaders how to unleash people for fruitful ministry. He teaches leaders to spot their own nay-saying, and gives specific instructions for reversing the culture of 'No' that has become so prevalent in many churches. Step by step, Schnase shows readers—pastors, other church leaders, and congregants—how to make significant change in their attitude and actions, to become a permission-giving church. This set of resources is the next step in the author's effort to reshape church leaders across the mainline denomination. *Just Say Yes!* Becoming a Permission-Giving Church give church leaders what they need in order to begin implementing the principles in the original book. It starts with a group study experience for church leaders, facilitated by a senior leader (typically the pastor). The study can be done in as little as 3 hours or, if groups watch all the videos and do all the optional exercises and activities, up to 6 hours total. The sessions can be used as a single-day retreat or broken up into 3 or 6 separate sessions. They can be stand-alone sessions, or incorporated into meetings for staff and lay leaders. The Leader Guide includes instructions and guidance for leaders in planning, hosting, debriefing and following up after the experience. Using this resource, plus the included customizable PowerPoint slides and the video *Stories of Permission*, a pastor or other key leader can effectively facilitate an extraordinary group experience resulting in transformation for the congregation. The Participant Guide is a complete workbook and devotion guide for church leaders—staff and laity—who participate in the Permission-Giving group experience. These will typically be church councils, staff teams, committee chairs, ministry team leaders, and the like. The Guide includes prompts to reinforce the material shared in the videos and by the facilitator, questions for reflection and discussion, and specific action steps for becoming permission-giving leaders in the church. It includes plenty of room for writing and note taking during the group experience. It also includes a 30-day Devotional, which the participant can complete either during or after the group experience. The group experience includes 6 inspiring and compelling videos from real church settings. Several additional video clips are also available, for groups wanting to spend more time exploring ideas together. Dancing in the Desert Devotional Bible NLT Aug 28 2019 2016 Christian Book Award finalist (Bibles category) Stories of Scripture are often portrayed two-dimensionally, making people in the Bible seem familiar, predictable, even flat. We don't always read their stories with much awareness of the pressures they faced, the doubts they had, the assumptions they made, or the alternatives they have chosen. *The Dancing in the Desert Devotional Bible* in the New Living Translation encourages readers to take an honest look at the people in the Bible. Chris Tiegreen, author of many popular devotionals for both men and women, has written 270 devotionals that explore the lives of people in the Bible and how they faced their own life's wilderness and found meaning, significance, and purpose with God. When we keep our gaze fixed on a story bigger than our own lives, we, too, can learn to dance in even the driest of our deserts.

New Every Morning, Jun 26 2019 This book is a daily devotional prayers and uplifting messages inspired by the ways and life of our Lord Jesus Christ, His prayer life and ministry—most especially in the book of Mark, which said, “Very early in the morning, while it was still dark, Jesus got up, left the house and went off to a solitary place, where he prayed” (Mark 1:35). This book has been put together and designed to help all believers out there. I understand we all keep a busy schedule in our daily lives, but still, no matter how busy we might seem to be, we should not be too busy to pray, for it is said that a busy life makes prayer life hard, but a prayerful man makes a busy life easier. God is always expecting to hear from us to give us new word as we seek Him each day, for as a good father loves to talk to his children, so also God loves to talk to His children. Having said that, with the help of God, we have been able to put together this book to help believers keep God first in our daily lives, by reading one page per day to pray and commit our day unto God’s hand. My prayer is that we receive word from God each day as we read and pray in Jesus’ name. Amen.

The Shadow Effect Sep 21 2021

Glaubensriesen - Seelenzwerge? May 30 2022 Der christliche Glaube zielt auf konkrete Veränderung. Er soll Früchte tragen: Freude, Friede, Sanftmut, Geduld, Liebe Warum funktioniert das in der Praxis so wenig? * Warum sind viele Christen menschlich so verkümmert? * Warum gibt es in christlichen Gemeinden so viele bittere Konflikte und Machtkämpfe? * Welche Rolle spielen unsere Gefühle für den Glauben? Peter Scazzero beschreibt in diesem Buch Symptome eines Glaubens, der emotional unreif geblieben ist. Er deckt auf, warum herkömmliche Vermittlungswege von Glaubenswachstum oft einer Reifung der Persönlichkeit geradezu im Weg stehen. Und er skizziert den Weg zu einem ganzheitlichen, erwachsenen Glauben, auf dem die emotionale Reife nicht auf der Strecke bleibt. Denn er ist überzeugt: "Das größte Geschenk, das die Kirche unserer Welt machen kann, liegt darin, eine Gemeinschaft von emotional erwachsenen Menschen zu werden, die gelernt haben, wie man liebt."

Totally Within Aug 01 2022 Do you control your mind or does it control you? Do you worry, feel anxiety, guilt, and anger or allow other people to control your feelings? Do you want to change? Well, Totally Within can help. It's a different type of daily meditation book that offers practical spiritual solutions to

find personal growth and inner peace. This daily devotional helps us let go of mistakes and the past so we can love our self and others right now. Totally Within highlights deep insights into everyday living with easy-to-remember thoughts such as: -Most stress is self-inflicted; we don't have to volunteer for misery. -Would you rather be happy or right? -Love people; use things. -The less love in any person's nature, the greater his or her need for love -Love is not ownership; it does not attempt to control. -Meditation grants us a moment to feel the spiritual embrace. -Being loving and spiritual does not eliminate the need for boundaries. -A rude awakening often precedes a spiritual awakening. These resonating ideas often remain with us as daily affirmations. Then, practical daily exercises guide us to implement these life-changing principles and change our day. We can enjoy personal growth whether we're an unbeliever or agnostic, a skeptic, or a sincere religionist-the results depend on action, not belief. Totally within is a self-help, daily meditation book that leads to a personal spiritual awakening; it's a guide and workbook to connect with your inner super power. You have an unsuspected reservoir of inner spiritual energy that can transform your life; this innate power relieves stress, melts anxiety, and grants peace and hope. It lies dormant until you take the action to unleash that energy and then continue to keep the conduit open; no other person can release this power within you. This is your birthright as a child of the divine; this is the unsuspected inner life-force that allows you to control your mind, elevate your thoughts, feelings, attitudes, and outlook and facilitates living in the moment, in the NOW. This "God within" supplies the power for a transformation that yields inner peace and awesome relationships. Totally Within reflections offer an answer to this two-fold problem of first, connecting with this inner resource and then staying connected to let it work in our life throughout the day. You never have to worry or feel stress again-unless you choose to.

A Daily Walk with God Mar 28 2022 During my career as a school principal, I had a wonderful epiphany: every student, wherever they attended school, belonged to me! I may not have been their school principal, but they were my students. I had a duty to care, not only for the students in my school, but for students who attended schools everywhere. Though I am retired now, I still feel that sense of duty to care for all students, wherever they attend school, and that is why I wrote A Daily Walk with God. It is my hope that you will walk with God daily as you go to school. It is my hope that you will be mindful of his presence in your life every day. It is my hope that you will be mindful of his encouragement every day. It is my hope that you will be mindful of his love every day. Every day of the week, every hour of the day, every moment of every hour. You are that important to him. It is my hope that A Daily Walk with God reminds you of that!
