## **The Real Hoodwives of Detroit** Dec 12 2020

Welcome to Detroit, Michigan, home of the grittiest, illest, most hardcore, crime-infested, and poverty-stricken neighborhoods in the country. It's sometimes referred to as the Murder Capital because of the huge murder rate that never ceases to surprise us, the Murder Mitten, or the Dirty Glove because of the state's shape on the U.S. map. Detroit is home to many scholars, rappers, athletes, and concerned citizens, but the streets belong to those in the underworld—addicts, dealers, and the women who help run the show from behind the scenes: The Real Hoodwives of Detroit! No, you won't see these ladies on any television show, but you will see them make appearances in court for their man's hearing, or at the county jail on visiting day. You might even catch them riding shotgun, with a nine tucked in their Fendi bag, waiting to pop off and protect their men at any cost. And of course, they make appearances in the hood, twenty-four seven, three hundred and sixty-five days of the year. Follow Nikki, Tonya, Chloe, Mina, and Gucci as they ride you through Detroit, one city block at a time. Watch as the tales of the black and dangerous unfold right before your eyes. In Detroit, only the raw and real survive—living to see another day. These streets are known for breaking the weak and leaving them helpless. They aren't made for everybody. Scared? You should be...WELCOME TO DETROIT!

Don't miss the nonstop action; the deception is deliberate...and the results are deadly! [Hybrid Vehicles](#) Jan 01 2020 Uncover the Technology behind Hybrids and Make an Intelligent Decision When Purchasing Your Next Vehicle With one billion cars expected to be on the roads of the world in the near future, the potential for war over oil and the negative environmental effects of emissions will be greater than ever before. Now is the time to seriously consider an alternative to standard automobiles. Exploring practical solutions to these problems, *Hybrid Vehicles and the Future of Personal Transportation* provides broad coverage of the technologies involved in manufacturing and operating hybrids. It reviews key components of hybrid and pure electric vehicles, including batteries, fuel cells, and ultracapacitors. The book also discusses both concept and production-bound hybrids as well as the economics and safety issues of hybrid ownership. In addition, the author supplies effective tips on how to save gasoline with conventional and hybrid automobiles. Making the jargon of fuel-efficient vehicles accessible to a wide audience, this guide explains the history of hybrids, how they work, and their impact on the environment. It will help you make a sound decision concerning the purchase and operation of a hybrid or electric vehicle.

[Dead Man's Curve](#) Nov 10 2020 Jan Berry, leader of the music duo Jan & Dean from the late 1950s to mid-1960s, was an intense character who experienced more in his first 25 years than many do in a lifetime. As an architect of the West Coast sound, he was one of rock 'n' roll's original rebels—brilliant, charismatic, reckless, and flawed. As a songwriter, music arranger, and record producer for Nevin-Kirshner Associates and Screen Gems-Columbia Music, Berry was one of the pioneering self-produced artists of his era in Hollywood. He lived a dual life, reaching the top of the charts with Jan & Dean while transitioning from college student to medical student, until an automobile accident in 1966 changed his trajectory forever. Suffering from brain damage and partial paralysis, Jan spent the rest of his life trying to come back from *Dead Man's Curve*. His story is told here in-depth for the first time, based on extensive primary source documentation and supplemented by the stories and memories of Jan's family members, friends, music industry colleagues, and contemporaries. From the birth of rock to the bitter end, Berry's life story is thrilling, humorous, unsettling, and disturbing, yet ultimately uplifting.

**Fancy Man Blues** Aug 27 2019 Athen "Blackeye" Mavromatis, roving lieutenant with the Beverly Hills Police Department, is trying to enjoy a rare day off. It doesn't look like it's going to happen when the mayor hands him a twisty missing person's case. A Saudi Princess has vanished. Because of royal protocols, Athen must conduct his investigation under the wire. He doesn't mind doing that, but it soon becomes apparent that the princess, who's also a wannabe actress, might have been murdered. Her apartment appears to be one big giant crime scene. But just who is Natasha Al-Khan, AKA Natasha King, and who wants her dead? Though Beverly Hills has the reputation of being crime-free, this is the second murder case he's tackled in the short time Athen's been

with the department. Not only does he have to solve this one fast, but he and his lover, Grady, are dealing with Athen's delinquent niece who's just come out to them. Oh, and somebody very near and dear to them may turn out to be a deranged psychopath...

**A Matter of Attitude** Sep 20 2021 America's Next Top Designer Fashionista with the fiercest style sense and head-turning clothes? That's Angela Jenkins. Even though her cutting-edge designs and graphic legwear sometimes draw criticism from her peers, Angela knows that one day she will be a top designer, and her best friend at Kressler High, Adrian Gomez, is her

biggest supporter. But at fifteen, how is anyone (like the extremely cute JaRoli Spencer) supposed to check her out when she's stuck working at her family's Caribbean-style restaurant all the time? The answer: getting elected director of her school's holiday fashion show. But Angela's got designer-clad competition: the very popular Karen Frasier, who has it all—including JaRoli. So when Shayla Mercer, the girl with the toughest street rep, offers to make sure Angela wins—for a fee—Angela says yes. And she learns that the price of popularity can be too high.

**Mugabeism after Mugabe?** Jun 05 2020 Arguably, one of the long waited political handover of power, globally, happened in November 2017 in Zimbabwe when the former and now late 37-year long serving and divisive President, Robert Gabriel Mugabe was forced out of power by a combination of forces that were spearheaded by the military's Operation Restore Legacy. Mugabe's departure ushered in President Emmerson Dambudzo Mnangagwa's reign. This transition has variously been characterised as marking the inauguration of the Second Republic or New Dispensation or as heralding a new Zimbabwe that is 'Open for Business'. From the moment of the investiture of President Mnangagwa's government, anticipations of seismic changes to the order of doing business by both the incoming government and the larger Zimbabwean society in general, were extremely high. There was an expectation that international cooperation with global partners, especially in the West, would be restored alongside the reinvigoration of a near comatose domestic economy. But, did this ever happen? This volume interrogates the impact of the introduction of the Mnangagwa administration from November 2017. The book seeks to broadly dissect and troubleshoot issues of continuity and change from Mugabe's reign into Mnangagwa's Second Republic. In doing so the book attempts to respond to the grand question: "To what extent has Mugabeism that was the hallmark of Mugabe's reign, continued or discontinued into the Second Republic?" The volume, which comes as a sequel to The end of an era? Robert Mugabe and a conflicting legacy, is sure to generate interest and responses from students and academics in the fields of History, International Studies, Political Science, Sociology and Social anthropology, as well as from practitioners in the human rights,

transitional justice, conflict resolution, security studies and diplomatic fields.

**Managing Supply Chain And Logistics: Competitive Strategy For A Sustainable Future** Sep 08 2020 Managing Supply Chain and Logistics: Competitive Strategy for a Sustainable Future explores practical ways of investing in a sustainable future through real-world cases which demonstrate various supply chain management strategies and tactics. By applying viable value creation strategies, operational models, decision-making techniques, and information technology, the author provides in-depth analyses of new initiatives such as collaborative planning, forecasting, and replenishment (CPFR); demonstrates competitive approaches to managing flows of material, information and fund in supply chain; and illustrates creative methods to apply data science and business intelligence. This book also promotes cross-functional decision-making, problem solving skills and offers a feasible approach to managing a volatile business. Readers will find this book a valuable resource to solve supply chain management practical problems with a sustainable future in mind.

**Private Investigations** May 05 2020 In this thrilling anthology, bestselling mystery writers abandon the cloak of fiction to investigate the suspenseful secrets in their own lives. For many of us, a good, heart-pounding mystery is the perfect escape from real-world confusion and chaos. But what about the writers who create those stories of suspense and intrigue? How do our favorite novelists cope with our perplexing world, and what mysteries keep them up at

night? In *Private Investigations*, twenty fan-favorite mystery writers share first-person tales of mysteries they've encountered at home and in the world. Caroline Leavitt regales us with a medical mystery, recounting a time when she lost her voice and doctors couldn't find a cure, Martin Limón travels back to his military stint in Korea to grapple with the crimes of war, Anne Perry ponders the magical powers of stories conjured from writers' imaginations, and more. Exploring all the tropes of the genre -- from haunted houses and elusive perpetrators to regrouping after missed signals have derailed them -- these writers' true tales show just how much art imitates life, and how, ultimately, we are all private investigators in our own real-world dramas.

**Nocturnes in Purgatory** Oct 29 2019 New Barrington and West Sussex on California's Borrego Bay are bustling modern cities to nearly all their human inhabitants. But behind their daylight facade is a festering supernatural underworld ceaselessly struggling for control. Metahuman warrior Montgomery Quinn, known as The Adversary, is the only force that can resist the evils threatening to overrun not just the Twin Cities, but all of the mortal world. An ancient artefact of power, The Sigil, has resurfaced, and the factions of Borrego Bay's night world are desperately competing to claim it. The Verrigotta Gather of vampires has rescued a local businessman's daughter, Brooke, from the kidnappers who tortured her to death and revived her as one of the undead. Brooke was investigating mysterious events in her area and learned too much about The Lost Sons of Purgatory, a cult of mass murderers who want The Sigil to bring their god into reality from another dimension. The government agencies responsible for the tenuous truce between humans and the beings called Ultrakin call on Quinn for help, along with a Bloodwitch named January Ulrich, or "Cold Janey." Together, Quinn and Janey track down the mystery of The Sigil, who wants it so badly and why. Reluctantly aiding them are Quinn's sometime-partners, Sam Carstairs and Ashton Brazil, and Patricia Silver, a professor whose love for Quinn led to her becoming one of the vengeful ghosts called Le Grymmeure. Meanwhile, Quinn himself is stalked by three members of his own ancient race, the Olympians, seeking retribution for a past crime of Quinn's. But they also have an interest in The Sigil. In a complex and tangled plot that evokes the best of H.P. Lovecraft and Robert Ludlum, Quinn and his allies--human and Ultrakin--follow the Sigil and its pursuers to a tense final showdown that holds some bitter revelations for The Adversary himself.

**Shaping the World** Jun 25 2019 Shaping the

World: Women Writers on Themselves addresses these very questions. The array of formidable writers from India, Pakistan, Bangladesh and Sri Lanka - acclaimed both nationally and internationally - share their insecurities and triumphs that occurred on their journeys to becoming writers. Was it easy? The answer is No. Many of them were closet writers, not sharing their writings with the world. Writing was no career, they were told. But they persevered. And they wrote. Because they had to. Because it was their calling. The writers reveal their inspirations: be it another writer, a personal tragedy, or triumph, a fascination with the English language, or a passion for putting pen to paper and finding wings. *Shaping the World: Women Writers on Themselves* is an anthology of intimate, honest and brave accounts that will provide the reader with an insight into the realm of writing: its adventurous terrain of highs and lows and how it continues to shape these 24 women and the world we all inhabit. **Wicked Greed** Jan 31 2020 When Bradford T. Young found himself at the epicenter of Florida's overheated real estate market, he plunged into the universal greed trap - a craving quest for piles of money, corrupting power and seductive women. But that was before his guilty nightmares began . . . and before Amanda "Mandy" Grant, a tabloid investigative reporter, unwittingly placed a mystical spell over him. Brad is soon forced to make a life-altering choice - slide further into an abyss of greed or pursue a fleeting opportunity to earn Mandy's love which he also covets. Brad's quandary intensifies when Mandy's investigation uncovers and exposes the illicit inner workings of the corrupt organization he now works for. As Mandy garners the wrath of a New York mobster and his evil empire, only Brad as a "company insider" can save her from the unfathomable terror that follows. In a cunning cat and mouse gambit, Brad must race to beat organized crime at its own wicked game, as David pitted against Goliath with death or love hanging in the balance.
