Baseball for Everyone Aug 28 2019 Arguably the greatest all-around player of all time, Joe DiMaggio also wrote (and McGraw-Hill published in 1948) a paean to the game, titled Baseball for Everyone. For aspiring young players and rabid fans alike, Baseball for Everyone explores the finer points of playing each position, lingers on the pitcher's craft, and dwells on the psychology as well as the mechanics of hitting. With a foreword by famed baseball writer Peter Golenbock new to this paperback edition, Baseball for Everyone remains a wise and revealing look at the mechanics of America's game from one of its greatest practitioners.

The Eastern Stars Jun 30 2022 The intriguing, inspiring history of one small, impoverished area in the Dominican Republic that has produced a staggering number of Major League Baseball talent, from an award-winning, bestselling author. In the town of San Pedro in the Dominican Republic, baseball is not just a way of life. It's the way of life. By the year 2008, seventy-nine boys and men from San Pedro have gone on to play in the Major Leagues-that means one in six Dominican Republicans who have played in the Majors have come from one tiny, impoverished region. Manny Alexander, Sammy Sosa, Tony Fernandez, and legions of other San Pedro players who came up in the sugar mill teams flocked to the United States, looking for opportunity, wealth, and a better life.

Because of the sugar industry, and the influxes of migrant workers from across the Caribbean to work in the cane fields and factories, San Pedro is one of the most ethnically diverse areas of the Dominican Republic. A multitude of languages are spoken there, and a variety of skin colors populate the community; but the one constant is sugar and baseball. The history of players from San Pedro is also a chronicle of racism in baseball, changing social mores in sports and in the Dominican Republic, and the personal stories of the many men who sought freedom from poverty through playing ball. The story of baseball in San Pedro is also that of the Caribbean in the twentieth and twenty-first centuries and on a broader level opens a window into our country's history. As with Kurlansky's *Cod and Salt*, this small story, rich with anecdote and detail, becomes much larger than ever imagined.

Kurlansky reveals two countries' love affair with a sport and the remarkable journey of San Pedro and its baseball players. In his distinctive style, he follows common threads and discovers wider meanings about place, identity, and, above all, baseball. Watch a Video *Baseball History* 4 Feb 01 2020 Presents a series of articles and reviews relating to the history of baseball **The Love of Baseball** Jan 26 2022 Written by and for baseball fans (or those trying to live with one), this collection of essays joins a perennial conversation all fans have--"Why do we love baseball?" Thirty contributors share personal narratives of how they found an abiding

passion for the sport and how their relationship to it changed over the years. Tracing the thematic arc of a typical season, the essays begin with stories of spring training optimism, followed by the guts and grind of the regular season, and ending with the glory (or heartbreak) of the playoffs.

Swing Kings Dec 01 2019 "The best baseball book I've read in years." — Sam Walker • "An exhilarating story of innovation." — Ben Reiter • "Swing Kings feels like a spiritual successor to Moneyball." — Baseball Prospectus

From the Wall Street Journal's national baseball writer, the captivating story of the home run boom, following a group of players who rose from obscurity to stardom and the rogue swing coaches who helped them usher the game into a new age. We are in a historic era for the home run. The 2019 season saw the most homers ever, obliterating a record set just two years before. It is a shift that has transformed the way the game is played, contributing to more strikeouts, longer games, and what feels like the logical conclusion of the analytics era. In *Swing Kings*, Wall Street Journal national baseball writer Jared Diamond reveals that the secret behind this unprecedented shift isn't steroids or the stitching of the baseballs, it's the most elemental explanation of all: the swing. In this lively narrative romp, he tracks a group of baseball's biggest stars—including Aaron Judge, J.D. Martinez, and Justin Turner—who remade their swings under the tutelage of a band of renegade coaches, and remade the game in the

process. These coaches, many of them baseball washouts who have reinvented themselves as swing gurus, for years were one of the game's best-kept secrets. Among their ranks are a swimming pool contractor, the owner of a billiards hall, and an ex-hippie whose swing insights draw from surfing and the technique of Japanese samurai. Now, as Diamond artfully charts, this motley cast has moved from the baseball margins to its center of power. They are changing the way hitting is taught to players of all ages, and major league clubs are scrambling for their services, hiring them in record numbers as coaches and consultants. And Diamond himself, whose baseball career ended in high school, enlists the tutelage of each swing coach he profiles, with an aim toward starring in the annual Boston-New York media game at Yankee Stadium. *Swing Kings* is both a rollicking history of baseball's recent past and a deeply reported, character-driven account of a battle between opponents as old as time: old and new, change and stasis, the establishment and those who break from it. Jared Diamond has written a masterful chronicle of America's pastime at the crossroads.

The Book of Major League Baseball Clubs Sep 29 2019

Science of Hitting Mar 04 2020 Features the legendary hitter's guidance in all the basics and finer points of hitting and includes his analysis of the great hitters of the seventies and the eighties, including Rose, Brett, Carew, and Murray

The Book of 1993 Baseball Cards Oct 30 2019

Esquire Jan 02 2020

George Weiss Sep 09 2020 The New York Yankees were the strongest team in the majors from 1948 through 1960, capturing the American League Pennant 10 times and winning seven World Championships. The average fan, when asked who made the team so dominant, will mention Joe DiMaggio, Yogi Berra, Whitey Ford or Mickey Mantle. Some will insist manager Casey Stengel was the key. But pundits at the time, and respected historians today, consider the shy, often taciturn George Martin Weiss the real genius behind the Yankees' success. Weiss loved baseball but lacked the ability to play. He made up for it with the savvy to run a team better than his competitors. He spent more than 50 years in the game, including nearly 30 with the Yankees. Before becoming their general manager, he created their superlative farm system that supplied the club with talented players. When the Yankees retired him at 67, the newly franchised New York Mets immediately hired him to build their team. This book is the first definitive biography of Weiss, a Hall of Famer hailed for contributing "as much to baseball as any man the game could ever know."

Hank Greenberg Mar 28 2022 Profiles the Jewish-American baseball player who, in 1934, risked his chance to beat Babe Ruth's home run record by sitting out a game on Yom Kippur, and describes his impact on Jewish-American history.

Top 10 Baseball Base Stealers Jul 28 2019 Sports fans as

well as reluctant readers will enjoy this book detailing the careers of 10 of baseball's most daring weapons, the baseball stealers. This book covers the careers and game highlights of such great base stealers as Luis Aparicio, Lou Brock, Ty Cobb, Eddie Collins, Rickey Henderson, Kenny Lofton, Joe Morgan, Tim Lincecum, Jackie Robinson, and Maury Wills.

Library Journal Dec 13 2020 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

More Tales from Baseball's Golden Age May 18 2021 After the runaway success of his *Tales from Baseball's Golden Age*, Gene Fehler presents his second installation, *More Tales from Baseball's Golden Age*. It is a collection of anecdotes, memories, and stories from the men who played baseball during its heyday, in the '40s and '50s. Stories include reminiscences about playing with or against baseball legends such as Hank Aaron, Mickey Mantle, Satchel Paige, and Ted Williams and interviews with nearly two dozen players who were not heard from in *Tales from Baseball's Golden Age*. Fehler combines lifetime statistics and personal interviews from over 50 Hall of Famers, All-Stars, and ordinary players to create a memorable book sure to delight any baseball fan, young or old.

Entrepreneurial Resourcefulness Aug 21 2021 Explores

the theme of "resources" in entrepreneurship, and examines entrepreneurs that persevere in uncertain times to build new businesses. The different perspectives gathered in this volume present new ways of thinking about how entrepreneurs acquire, borrow, and make use of resources in seemingly impossible environments.

The End of Work Jan 14 2021 From the author of Popular Economics comes a surprisingly sunny projection of America's future job market. Forget the doomsday predictions of sour-faced nostalgists who say automization and globalization will take away your dream job. The job market is only going to get better and better, according to economist John Tamny, who argues in *The End of Work* that the greatest gift of prosperity, beyond freedom from painful want, is the existence of work that is interesting.

A Biographical Dictionary of Major League Baseball Managers Jul 20 2021 Earl Weaver put his best defensive players on the field early in the game rather than make late-inning defensive replacements, and he didn't like to bunt, figuring if you played for only one run that's all you'd get. Whitey Herzog, by contrast, became one of the greats by using players who could bunt and by playing for one run over and over again. Full coverage of them and 600 other major league managers over a 125 year period can be found in this work. The entries are based on interviews, standard data and anecdotes from owners, coaches, and players. Information includes birth and death

dates, teams and dates managed, win-loss records, winning percentages, and standings. Lists are included of managers of 1,000 games or more, those with one-game careers, those with the best winning percentages, and those with the most wins. A complete list of managers in the history of each team is provided.

Connie Mack's Baseball Book Jun 26 2019

The Art of Snag Apr 28 2022 From Zack Hample's *The Baseball*, this is the definitive, always-entertaining, never-fail guide to successfully snagging baseballs at Major League games. Luck—or hard work and skill? Zack Hample has caught more than 7,600 baseballs from the stands of 51 major league stadiums. His snags include Mike Trout's first career home run and Barry Bonds's 724th; the last homer hit by a Met at Shea Stadium; and a regular old Cubs-Reds contest from which Hample walked away with 36 balls. You, too, can do what Zack does, whether you're at Opening Day batting practice or Game 7 of the World Series. From a baseball expert and skilled raconteur, "The Art of Snag" tells you what to wear, how to talk, where to go, and what exactly you need to do to become the (Skillful? Just plain prepared? Either way, legal) proud owner of a Major League baseball. An eBook short.

Fortune Nov 11 2020

Public Library Core Collection Mar 16 2021 Wilson's Public Library Core Collection: Nonfiction (13th Edition, 2008) recommends reference and nonfiction books for the

general adult audience. It is a guide to over 9,000 books (over 6,500 titles are new to this edition), plus review sources and other professional aids for librarians and media specialists. Major League Baseball Awards Sep 02 2022

Why Another Book About Baseball? Oct 23 2021 It was this love for baseball that I decided to write this book. Things I learned, remembered, saw, heard, and read. I want to share with other baseball fans and drive an interest to those who don't share my love for the game. My dream was to one day play in the majors, but I accepted that I wasn't good enough. I also wanted to be an announcer and sports reporter. I finally got to be a reporter at Konawa, Oklahoma for their football and basketball teams. Coleman, Oklahoma baseball and basketball too.

The Baseball May 30 2022 *The Baseball* is a salute to the ball, filled with insider trivia, anecdotes, and generations of ball-induced insanity. In this enlightening, entertaining, and often wildly funny book, Zack Hample shares ballpark legends and lore, explores the history of the baseball souvenir craze, and also details the evolution

of the ball, Finally, Hample—who has snagged more than 4,600 balls from 48 different major league stadiums—offers up his secret methods for snagging your own ball from major league games. Features a ballhawk glossary, profiles of legendary ballhawks, top 10 lists, and black-and-white photos throughout.

Occasional Glory Feb 12 2021 With more losses and last-place finishes than any other club in Major League Baseball, the Philadelphia Phillies have earned a reputation as one of the most unsuccessful teams ever to take the field. Even so, the Phillies have boasted many unforgettable players and achieved a number of notable triumphs. This history of the Phillies begins with the club's inception in 1883 and goes through the 2012 season, highlighting the team's finer moments and players but also covering less memorable times. Among the people and events it recounts are the great outfield of the 1890s, Chuck Klein's slugging feats, the 1980 World Series, the surprise 1993 pennant win, and the very successful years in Citizens Bank Park, including the world champions of 2008. An exploration of the Phillies' special relationship with Philadelphia and numerous historic photographs complete this comprehensive celebration of the oldest continuous one-name, one-city franchise in professional sports history.

The Dickson Baseball Dictionary (Third Edition) Feb 24 2022 The definitive work on the language of baseball—one of the “Five Best Baseball Books” (Wall

Street Journal). Hailed as “a staggering piece of scholarship” (Wall Street Journal) and “an indispensable guide to the language of baseball” (San Diego Union-Tribune), The Dickson Baseball Dictionary has become an invaluable resource for those who love the game. Drawing on dozens of nineteenth- and early twentieth-century periodicals, as well as contemporary sources, Dickson’s brilliant, illuminating definitions trace the earliest appearances of terms both well known and obscure. This edition includes more than 10,000 terms with 18,000 individual entries, and more than 250 photos. This “impressively comprehensive” (The Nation) book will delight everyone from the youngest fan to the hardcore aficionado.

How to Play Smart Baseball Aug 09 2020 *How to Play Smart Baseball* By: Leighton L. Smith *How to Play Smart Baseball* is a user-friendly guide to playing baseball that anyone can use. It gives practical suggestions on how to play baseball better, including ideas and tactics for managers, coaches and players of all positions. Using real-life examples from throughout the history of the sport, *How to Play Smart Baseball* advocates a smarter, more engaging way to play the game while memorizing some of the best players and plays of all time. Amateur or professional, all readers can use this book as a companion to enhance their experience in watching, discussing, or playing the game.

Baseball’s Bonus Babies Apr 16 2021 In the mid-1940s,

the post-war United States was a prosperous country, and baseball had its own share of this prosperity. An expanding minor league led to unprecedented competition for young baseball talent. The ill-conceived idea of a signing bonus quickly introduced an element of financial competition into the sport of baseball, much to the discomfort of many minor league teams. Unable to compete with major league teams, the minor leagues pressed for restrictions on the bonuses paid to players. Bonus rules—the first enacted in 1946 and the second implemented in 1953—attempted unsuccessfully to curb ever-rising bonuses and limit the damage this policy ultimately did to both teams and players. Containing 24 interviews, this volume focuses on players signed under the strict bonus rule of 1953–1957, which required that players signed to a bonus of \$4,000 or more remain on the big league roster for two full seasons before being sent to the minor leagues. Organized chronologically, these interviews explore the lives and careers of the bonus babies with emphasis on their early big-league experience and its effect on their careers. Players interviewed in this volume include Harmon Killebrew, Reno Bertoia, Tommy Qualters, Jim Pyburn, John DeMerit, Von McDaniel, Don Pavletich, Mel Roach, Steve Boros, Dick Schofield, Jim Derrington, Mike McCormick, Jim Pagliaroni, Paul Giel, Buddy Pritchard, Jerry Walker, Jim Brady, Wayne Causey, Lindy McDaniel, Jim Small, Don Kaiser, Tommy Carroll, Jerry Kindall and Frank Zupo.

An appendix provides a complete chronological listing of players signed under the bonus rule of 1953–1957. The work is also indexed.

Human Rights in Youth Sport May 06 2020 The human rights of children have been recognized in the 1989 UN Convention on the Rights of the Child, and ratified by 192 countries. Paulo David's work makes it clear, however, that too often competitive sport fails to recognize the value of respect for international child rights norms and standards." "Human Rights in Youth Sport offers critical analysis of some very real problems within youth sport and argues that the future development of sport depends on the creation of a child-centred sport system." A critical analysis of some very real problems within youth sport and argues that the future development of sport depends on the creation of a child-centred sport system.

501 Baseball Books Fans Must Read Before They Die Oct 03 2022 Propounding his "small ball theory" of sports literature, George Plimpton proposed that "the smaller the ball, the more formidable the literature." Of course he had the relatively small baseball in mind, because its literature is formidable--vast and varied, instructive, often wildly entertaining, and occasionally brilliant. From this bewildering array of baseball books, Ron Kaplan has chosen 501 of the best, making it easier for fans to find just the books to suit them (or to know what they're missing). From biography, history, fiction, and instruction to books about ballparks, business, and rules, anyone who

loves to read about baseball will find in this book a companionable guide, far more fun than a reference work has any right to be.

Watching Baseball Smarter Nov 04 2022 This smart and funny fan's guide to baseball explains the ins and outs of pitching, hitting, running, and fielding, while offering insider trivia and anecdotes that will appeal to anyone—whether you're a major league couch potato, life-long season ticket-holder, or a beginner. What is the difference between a slider and a curveball? At which stadium did “The Wave” first make an appearance? How do some hitters use iPods to improve their skills? Which positions are never played by lefties? Why do some players urinate on their hands? Combining the narrative voice and attitude of Michael Lewis with the compulsive brilliance of Schott's *Miscellany*, *Watching Baseball Smarter* will increase your understanding and enjoyment of the sport—no matter what your level of expertise. Features an glossary of baseball slang, an appendix of important baseball stats, and an appendix of uniform numbers.

In Pursuit of Pennants Nov 23 2021 "Analyzing and examining the strategies used by 14 winning baseball teams over the past few decades"--

Great Stuff Oct 11 2020 Who never heard of Johnny Vander Meer's back-to-back no-hitters? Or Christy Mathewson's three shutouts in one World Series? Or Steve Carlton winning 27 games for a last-place team that won a total of only 59 games? These and a variety of other pitching feats comprise the contents of Rich Westcott's latest book, *One of a Kind: Baseball's Greatest Pitching Feats*. However, this is not a book that focuses on career records. Nor does it concentrate only on the great pitchers of the game. Rather, this is a book that pays tribute to special achievements, some of which were performed in one game, others of which took place during

one season, and still others that were an accumulation of related accomplishments performed over an extended period. In their own way, all were very special. None of these feats was ever duplicated. Each one stands alone as a singular achievement. From Carl Hubbell, who won 24 games in a row; to Bob Feller, who threw 15 strikeouts in his Major League debut at the age of 17; to Nolan Ryan, owner of seven no-hitters. A seasoned baseball writer, Westcott explores these feats and many more in *One of a Kind*. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Baseball's Most Wanted™ Jun 18 2021 Edd Roush was once ejected from a game for falling asleep in the outfield.

Dan Friend played left field while dressed in a bathrobe. Outfielder Len Koenecke was killed attempting history's first skyjacking. Pitchers Fritz Peterson and Mike Kekich swapped not only their wives but also their children, station wagons, and pets. Baseball history is brimming with the weird, the bizarre, and the hard to believe.

Baseball's Most Wanted™ chronicles 700 of the most outlandish players, managers, and owners throughout baseball history. Its seventy lists describe in humorous detail baseball's top-ten inept players, strange plays, bad practical jokes, bizarre nicknames, murderers, politicians, Don Juans, unusual contracts, notable nicknames, curses, worst trades, freak injuries, unsolved mysteries, least-known records, and more. Many of these anecdotes have been published here for the first time.

The Publishers Weekly Apr 04 2020

The Baseball Great Collection Jun 06 2020 Tim Green's thrilling Baseball Great books are perfect for middle-grade readers, and this collection contains three bestselling novels in the series. Baseball Great: Josh feels like he's starting to make it big! Jaden, the school reporter, says he's going to take the baseball team to number one. Then his dad pulls him off the field and signs him up with Coach Rocky Valentine's youth championship team, the Titans. Now Josh is gulping down Rocky's "Super Stax" milkshakes to build muscle and trying to fit in with his new teammates. All Josh really wants to do is play ball, but as he gets in deeper with the Titans, Josh and his new

friend Jaden find themselves in a dangerous struggle with a desperate man who doesn't want them to expose the nasty secrets they uncover. Rivals: New York Times bestselling author Tim Green delivers a hard-hitting look at what some teams will do to win in this gripping companion to Baseball Great. Josh is thrilled when all his hard training pays off in a big way and his team, the Titans, makes it to a national tournament in Cooperstown, home of the National Baseball Hall of Fame. But after a dirty play and a brutal injury threaten to sideline Josh, he spies suspicious activity at the tournament. He tries to tell his good friend Jaden about what he's seen, but she's too busy spending time with the L.A. Comets' star player to want to get involved. Jaden says she's doing research for the newspaper . . . but is she? Best of the Best: Josh is still flying high from his team's tournament win when his parents start talking about a divorce. Now his dad is challenging him to play the best of the best at the Little League World Series in Williamsport, Pennsylvania. But does he just want to get Josh out of the way. With the help of Benji and Jaden, Josh races to get the facts that can keep his family together—but it's ever harder to concentrate on the game and make the winning plays that will lead his team to victory.

Neurohacks Jul 08 2020 Dieses unterhaltsame und praxisnahe Buch macht wissenschaftlich nachvollziehbar, warum wir Erfolg haben und woran wir oft scheitern. Fabritius und Hagemann kombinieren Erkenntnisse der

Hirnforschung mit Business-Expertise, um mehr Leistung, Führungsstärke, Teamgeist und Zufriedenheit freizuschalten. Sie zeigen, wie kognitive Fähigkeiten gezielt eingesetzt werden können, um fokussierter, effizienter, kollegialer und letztlich glücklicher zu arbeiten. Dieses pragmatische und kurzweilige Buch wird sowohl Einzelpersonen als auch Teams dabei helfen, ihr wahres Potenzial auszuschöpfen und außergewöhnliche Ergebnisse zu erzielen. Ausgezeichnet als Management-Buch des Jahres von der Zeitschrift *strategy+business* Das Buch ist fantastisch! Gut geschrieben, gute Beispiele, ausgezeichnet strukturiert. [...] Beim Lesen kommt man direkt in jenen »Flow«, den die Autoren so eindrücklich beschreiben. (Wirtschaftswoche)
