A Risk Worth Taking Oct 31 2022 *A Risk Worth Taking*: Dan Porter thought he had his life sorted: a high-flying job in the City, a beautiful wife and three wonderful children. But when his struggling new firm makes him redundant, Dan's life - and his marriage - begins to fall apart. So when he learns about Vagabonds, a small company up for sale in Scotland with massive potential for expansion, he decides it's time to cast fate to the wind - and dare to make some changes . . . *Starburst: Angélique Pascal* is in Edinburgh to headline at the Festival's finale and her fiery spirit is already making waves. Tired of being controlled by her overbearing tutor, Albert, Angélique finds herself yearning for a moment's respite from both the constant touring and the restrictions of her celebrity status. But when events take a sinister turn and Angélique must flee in terror from all that she has known, she finds safety in the most unexpected place.

Pioneering Research Jul 16 2021 Ask questions not on the agenda Explore ideas wherever they lead Pursue goals because they're important Create options not yet perceived According to premier researcher Don Braben, these are the vital intellectual processes that underlie all human achievement, the kinds of risk-taking activities that have made our civilization what it is today. Yet, warns Braben, the same pioneer spirit that fueled our meteoric industrial and scientific growth is now being undermined by a growing climate of corporate caution and conformity. In this

groundbreaking manifesto on the importance of scientific freedom, Braben asserts that the greatest long-term risks facing humanity will not come from weapons of mass destruction, prolonged global war, devastating disease or famine, or even from extinction by a huge wayward meteor. Rather they will come from the debilitating attrition caused by the rising tides of bureaucracy and control that are steadily strangling human ingenuity and undermining our future. Addressing this serious and growing problem, *Pioneering Research: A Risk Worth Taking* explains the urgent need to maintain both the originality and freedom of expression that is so vital to our economic growth and scientific development. Citing global trends and attitudes that currently threaten these conditions, Braben details some bold new initiatives that may offer a possible solution. A compelling read for today's scientists, policy makers, and concerned laypeople, Braben's book will change our understanding of the politics of scientific achievement and expose the threat to our future from bureaucracy, paper trails, political correctness, lowest common denominator solutions, and accountability-the invisible chains that bind the imagination and damage our society irreparably.

A Risk Worth Taking May 26 2022 She's not looking for Mr. Right. But damn if he doesn't look like Mr. Right Now... Summer Stafford Finding the world's hottest farmhand at my dinner table was unexpected, but it doesn't change anything. I've come home to manage the family business, not to get involved with the help. Even if the sight of him in those faded denim jeans makes me want to jump his bones. Ford O'Neal Summer gets under my skin and makes me want to say things like "girlfriend" and "relationship." But I'm determined not to let a farmer's daughter ruin my plans. When the season ends, I'm gone. And I'll be damned if I'm leaving my heart behind. When Summer and Ford finally give in to their attraction, how far will they let things go before fate has its way with one hot-as-sin farmhand and one stubborn city girl.

Wechselspiel der Liebe Mar 31 2020 Ganz nah und doch ganz fern Fast jede Familie hat ein Geheimnis zu verbergen, aber die Wahrheit, der Flora Waring auf die Spur kommt, ist mehr als außergewöhnlich: Die junge Frau erfährt, dass sie eine Zwillingsschwester hat. Sie entdeckt einen Menschen, der ihr äußerlich gleicht, aber viel leichtfertiger und unkonventioneller als sie lebt. Und Floras Welt steht kopf, als sie Tony Armstrong, den früheren Verlobten ihrer Schwester, kennenlernt.

Blind Nov 27 2019 'It'll make you weep' Elle A Closer must-read For fans of Diane Chamberlain and Jodi Picoult, this is an emotional, page-turning and high-concept debut about a mother who gives birth to a blind baby. Twyla Ridley, resourceful, optimistic, has just had her first child. It's what she and her husband, Dylan, have always wished for. However, Charlie is blind. For the first time in her adult life Twyla feels truly tested. She cherishes her son, showering him with love and boundless affection, but there's a part of her that aches for him to see. So Twyla throws herself into motherhood with a very private agenda, because maybe, if she strives hard enough, she'll be able to find a way to fix him. But is it a risk worth taking? *Blind* is about how hard we battle for our children and how blind we can be to the secrets of those closest to us. It's a story that delves into the very heart of our dangerous yearning for perfection.

A Risk Worth Taking Nov 07 2020 A Desperate Vow Tormented by the deaths of his wife and child, Griffin Blackmoor spends his days drowning his grief in whiskey. But when a bullet that was meant for him kills his best friend, Griffin makes a promise to the dying man that will thrust him back into London Society--and into the path of the one woman who could make his life worth living again. A Leap of Faith The daughter of a drunkard, Lady Anne Carmichael swore she would never love a man like Griffin Blackmoor. But when he rescues her during her darkest hour, Anne cannot ignore the effect Griffin's haunted eyes--or his soul-stirring kiss--have on her guarded heart. He is everything she never wanted. So why does his love feel like exactly what she needs?

Red Notice Aug 05 2020 Moskau nach dem Zerfall der Sowjetunion: Die Oligarchen sichern sich die Pfründe und machen ein Vermögen. Der Amerikaner Bill Browder nutzt die Gunst der Stunde und investiert in aufstrebende Unternehmen. Doch dann kommt er Putin und seiner Politik in die Quere: Er wird erpresst, verfolgt und bedroht. In einem Rechtsstaat kann man sich dagegen wehren. Aber

nicht in einem Russland, wo Willkür und Tyrannei herrschen. Browders Anwalt Sergej Magnitski wird unter fadenscheinigen Vorwänden inhaftiert, gefoltert und schließlich im Gefängnis erschlagen. Aber Bill Browder gibt nicht auf. Als Menschenrechtsaktivist macht er international Druck auf Putin. Eine wahre Geschichte - packend geschrieben wie ein Thriller.

A Risk Worth Taking (a Red River Novel) Dec 21 2021 Interior designer Holly Carrington worked hard for her success. Then tragedy struck, leaving Holly the sole guardian of her infant niece. Now she's swapped her designer purse for a diaper bag, and is going ahead with plans to renovate-and sell-her childhood home in Red River. But facing her past also means coming face-to-face with Quinn Manning all over again... Quinn was the object of her girlhood crush-and heartbreak- and is more gorgeous than ever. He's also the only person qualified to oversee the renovation. Now they're butting heads every step of the way... and their attraction is more electrifying than ever! But once the house is sold, Holly needs to return to her real life. And falling for Quinn all over again is one risk she can't take...

GRIT - Die neue Formel zum Erfolg Feb 29 2020 Die neue Formel zum Erfolg: Leidenschaft Ausdauer und Zuversicht Eine Mischung aus Ausdauer und Leidenschaft, nicht IQ, Startbedingungen oder Talent entscheidet über den Erfolg eines Menschen. Diese These hat die Neurowissenschaftlerin und Psychologin Angela Duckworth in dem Wort GRIT zusammengefasst, das im Englischen so viel wie Biss oder Mumm heißt, und hat damit weltweit Aufsehen erregt. Auf Basis ihrer eigenen Geschichte, von wissenschaftlichen Erkenntnissen und anhand ungewöhnlicher Leistungsbiografien ist sie dem Geheimnis von erfolgreichen Menschen auf den Grund gegangen, seien sie Sportler, Bankmanager oder Comiczeichner. Sie weist nach, dass nicht "Genie", sondern eine einzigartige Kombination aus Begeisterungsfähigkeit und langfristigem Durchhaltevermögen darüber entscheidet, ob man seine Ziele erreicht. Mit zahlreichen Beispielen, die jeder auf seine Situation anwenden kann, erläutert Angela Duckworth das Konzept der motivierten Beharrlichkeit. Und sie fordert dazu auf, im Wissen um GRIT Lernen und Bildung neu zu denken.

Taking Smart Risks: How Sharp Leaders Win When Stakes are High Jan 10 2021 In today's market, playing it safe is not an option Lead your company to sustainable success by taking the RIGHT RISKS The business world is in flux, and you have to think and act quickly in order to stay competitive. But the last thing you want to do is make reckless business decisions. You have to find the middle ground. You have to take SMART RISKS. In this groundbreaking book, leadership expert Doug Sundheim explains how to find that precise point between comfort and danger for generating the sustained ability to work at the highest level of performance. Taking Smart Risks reveals the secrets to discovering, planning for, and acting upon the kind of risks that will move your company forward and ahead of the competition. Learn how to: Find Something Worth Fighting For—What do you care enough about to risk time, energy, and money to try to make happen? Determining this is half the battle. See the Future Now—Clarify your big idea in terms of real objectives, plans, and intended results. Act Fast, Learn Fast—Make your move quickly, but be sure you don't squander valuable resources in the process. Communicate Powerfully—Assume communication will break down at points, plan accordingly—and don't shy away from the tough conversations. Create a Smart Risk Culture— Build teams that share the same mindsets and values about expected smart risk behavior. Applying Sundheim's advice will help you let go of old assumptions, explore new possibilities, move your organization out of its comfort zone, and experience long-term success. When you take smart risks, you will create. You will innovate. You will grow. And you will WIN.

“From Sherwin Williams to Moo.com, Doug Sundheim is onto something here: your work is worth fighting for. A worthy read for everyone in your organization.” —Seth Godin, Author, *The Icarus Deception* “The risk-taking concepts in this book lie at the heart of effective leadership. Using case studies and stories from executives who have ‘been there, done that,’ Doug Sundheim teaches us that sometimes the most dangerous thing to do—in business and life—is to play it safe.” —Marshall Goldsmith, million-selling author of the New York Times bestsellers *MOJO* and *What Got You Here Won’t Get You There* “Sundheim delivers a message that every business needs to hear right now: excessive risk will kill you, but so will complacency. . . . If you’re charged with driving growth in your organization, buy this book—but more importantly, use it.” —Jed Hartman, Group Publisher, *Fortune & CNNMoney.com* “A spectacular book! The stories were powerful, the advice was crystal clear, and every few pages called me to action. I have bookmarked more pages in *Taking Smart Risks* than I have in any book since reading Peter Drucker’s classics.” —Michael Hejtmanek, President & CEO, *Hasselblad Bron Inc.* “Doug Sundheim does an excellent job of demonstrating not only how to take smart risks, but also how to lead the process of risk-taking—a critical skill set for leaders today.” —Cindy Zollinger, President & CEO, *Cornerstone Research* “A compelling case for why smart risk taking is so important in today’s fast-paced, uncertain world.” —Willie Pietersen, Professor, *Columbia Business School*; former CEO, *Tropicana and Seagram USA*

A Risk Worth Taking Jul 28 2022 Any red-blooded American male would be all over Cressa Curtis. She's gorgeous, she's wild and clearly she's open for a no-strings-attached adventure. But Adam Walker's been there, done that. And now he wants more for himself. Even with his history, Adam still believes in love and family and marriage and the whole white picket fence--hardly what Cressa is offering. Besides, everything about the crazy Kiwi spells danger and distraction--two things Adam can't afford to risk with his sights set on medical school. He's only in New Zealand for a month. Surely he can resist Cressa's advances that long....

Jenseits des Ozeans Sep 29 2022 Der Juniorchef einer schottischen Whiskybrennerei, Vater dreier heranwachsender Kinder, kann den Krebstod seiner Frau nicht verkraften. Er verdingt sich anonym als Gärtner bei einer reichen Familie in Amerika und findet langsam wieder zu sich selbst.

Sommer Am Meer Jun 22 2019 Nach dem Unfalltod ihres Mannes begegnet die junge Witwe Virginia in Cornwall ihrer Jugendliebe Eustace wieder.

September Jun 02 2020 September ist in Schottland ein ganz besonderer Monat ... Ein Sommer geht zu Ende, der lange, graue Winter hat noch nicht begonnen: September ist die Zeit glänzender Jagdgesellschaften und Bälle. Anlässlich einer großen Party, die Verena Steynton für ihre Tochter veranstaltet, kehrt die bildschöne Pandora nach Strathcroy ins schottische Hochland zurück. Zwanzig Jahre zuvor war die Schwester von Lord Archie Balmerino über Nacht aus ihrem Heimatort verschwunden. Sie ging mit einem rätselhaften Geheimnis, über das bis zum Tag ihrer Rückkehr niemand ein Wort verlor. Am Abend der Festlichkeiten bricht Pandora ihr Schweigen. Und ein tragisches Schicksal nimmt seinen Lauf ...

A Risk Worth Taking Nov 19 2021 Life has not turned out the way that Dan Porter had planned. He thought that when he married Jackie twenty-five years before, he would be providing for her and their family until he could retire to a small house on the Devon coast and sit with a smug smile on his face, knowing that he had not only done his bit to perpetuate the human race, but had achieved it with distinction. But life doesn't always turn out the way you imagine it will. Firstly, Jackie's little job turned into a high-powered executive position with a top fashion house which required most of her time and attention, leaving only a sliver of a moment for her parenting and home-making duties. Secondly, that he would suffer an out-of-character brainstorm, leave his safe job and start up a business on his own - but customers had not come rushing to his door. Dan becomes a house husband - and most of his time is spent studying his empty email inbox. Approaching fifty and having read a magazine article, he thinks of a new brainwave - to upsticks from London, buy a croft in Scotland and take over a mail order business with Jackie. The family are not amused...

Der Verbotene Milliardär ~ Jared Sep 25 2019 Auch unglaublicher Reichtum kann weder Jared Sinclairs Schmerz, den er während seiner schrecklichen Kindheit erfahren hat, lindern, noch seine Schuldgefühle in Bezug auf eine erst vor Kurzem stattgefundenene Tragödie. Jared ist nicht in der Lage, sich selbst zu vergeben, daher vergräbt der milliarden schwere Immobilienmakler sich in Emotionen, härtet sich ab und entwickelt sich zu einem notorischen Frauenheld, der sich weigert, sein Herz an eine Frau zu verschenken, wo er doch davon überzeugt ist, dass alle nur sein Geld wollen. Doch seitdem Jared in Amesport, Maine lebt, ist er von Mara Ross fasziniert, der zierlichen und attraktiven Ladenbesitzerin, die nichts von ihm erbittet. Als Maras Laden ohne ihr Wissen aufgekauft wird, steht sie kurz davor, ihr Heim, ihre Lebensfreude und eine Familiengeschichte, die sich über Generationen hinweg erstreckt, zu verlieren. Doch dann schlägt der unwiderstehlich überzeugende Jared ihr ein Geschäft vor ... und zieht sie schon bald in eine heiße sinnliche Affäre hinein, während der er sie davon überzeugt, dass er alles andere als kaltherzig ist. Als ein Geständnis Maras zaghafte Vertrauen jedoch bis ins Mark erschüttert, muss Jared sich schließlich mit der Wahrheit über seine Vergangenheit auseinandersetzen. In *Der verbotene Milliardär* erweckt J.S. Scott das nächste Kapitel ihrer leidenschaftlichen Sinclairs-Reihe zum Leben. Nur für Leser über achtzehn Jahren geeignet.

Gutes besser tun Dec 09 2020 Soll ich einen Flüchtling bei mir beherbergen? Ist es sinnvoll, nach Naturkatastrophen zu spenden? Übernehme ich besser die Patenschaft für ein Kind aus Äthiopien oder für ein Kind aus Deutschland? Hilfe ich den Betroffenen, oder beruhige ich nur mein Gewissen? William MacAskill hat mit dem Konzept des effektiven Altruismus eine Antwort gefunden. Er nennt die Kriterien für sinnvolles und nachhaltiges Helfen. Oft sind es scheinbar kleine Handlungen, die Großes bewirken: Eine einfache Wurmkur verbessert die Lebensqualität afrikanischer Kinder mehr als eine teure Wasserpumpe fürs ganze Dorf. MacAskill zeigt, warum gut gemeint und gut gemacht zwei verschiedene Dinge sind und wie wir Veränderungen am besten erreichen können. Sein Buch ist eine konkrete Handreichung für alle, die Gutes noch besser tun wollen.

Klimaschock Apr 12 2021 Angenommen, Sie hätten ein zehnprozentiges Risiko, bei einem Verkehrsunfall ums Leben zu kommen. Oder Sie hätten ein ebenso hohes Risiko, großen finanziellen Schaden zu erleiden. Wahrscheinlich würden Sie alles daransetzen, eine solche Katastrophe abzuwenden. Richtig? Warum unternehmen wir dann nicht viel mehr, um unseren Planeten vor dem Klimawandel zu schützen? Die Tatsachen, über die wir bereits Bescheid wissen, wie zum Beispiel der steigende Meeresspiegel, sind gefährlich genug. Aber viel schlimmer noch könnte sein, was wir nicht wissen - und auch gar nicht wissen können: was etwa das als kurzfristige Lösung des Klimaproblems angedachte Geo-Engineering, also die künstliche Beeinflussung des Klimas, tatsächlich anrichten könnte. Wollen wir uns dieses Risiko wirklich leisten? Die Autoren zeigen, dass es nicht um die Wahl zwischen "Wirtschaftswachstum" und "Klima" geht. Es geht vielmehr darum, unser tägliches Handeln mit dem Klimaschutz in Einklang zu bringen und diesen ähnlich zu betrachten wie eine persönliche Versicherung: als eine Frage des Risikomanagements in einem globalen, für die gesamte Menschheit existenziellen Ausmaß. *Klimaschock* (das englische Original) wurde von der Financial Times zu einem der besten Wirtschaftsbücher 2015 gekürt.

[HBR's 10 Must Reads on Managing Risk \(with bonus article "Managing 21st-Century Political Risk" by Condoleezza Rice and Amy Zegart\)](#) May 14 2021 Is your business playing it safe—or taking the right risks? If you read nothing else on managing risk, read these 10 articles. We've combed through hundreds of Harvard Business Review articles and selected the most important ones to help your company make smart decisions and thrive, even when the future is unclear. This book will inspire you to: Avoid the most common errors in risk management Understand the three distinct categories of risk and tailor your risk-management processes accordingly Embrace uncertainty as a key element of breakthrough innovation Adopt best practices for mitigating political threats Upgrade your organization's forecasting capabilities to gain a competitive edge Detect and neutralize cyberattacks originating inside your company This collection of articles includes "Managing Risks: A

New Framework," by Robert S. Kaplan and Anette Mikes; "How to Build Risk into Your Business Model," by Karan Girotra and Serguei Netessine; "The Six Mistakes Executives Make in Risk Management," by Nassim N. Taleb, Daniel G. Goldstein, and Mark W. Spitznagel; "From Superstorms to Factory Fires: Managing Unpredictable Supply-Chain Disruptions," by David Simchi-Levi, William Schmidt, and Yehua Wei; "Is It Real? Can We Win? Das Kapital des Staates Oct 19 2021 Freie Märkte, smarte junge Erfinder und Wagniskapital treiben die Wirtschaft voran; der Staat stört dabei nur und muss daher nach Kräften zurückgedrängt werden. Wie ein Mantra wird dieser oberste Glaubensartikel des Neoliberalismus seit Jahrzehnten wiederholt - aber stimmt er auch? Die Ökonomin Mariana Mazzucato, die seit Jahren über den Zusammenhang zwischen Innovation und Wachstum forscht, beweist das Gegenteil: Wann und wo immer technologische Innovationen zu wirtschaftlichem Aufschwung und Wohlstand geführt haben, hatte ein aktiver Staat die Hand im Spiel. Von der Elektrifizierung bis zum Internet - Motor der Entwicklung, oft bis zur Markteinführung, war stets der Staat. Apples Welterfolg gründet auf Technologien, die sämtlich durch die öffentliche Hand gefördert wurden; innovative Medikamente, für die die Pharmaindustrie ihren Kunden gern hohe Entwicklungskosten in Rechnung stellt, stammen fast ausnahmslos aus staatlicher Forschung. Innovationen und nachhaltiges Wachstum, das derzeit alle fordern, werden also kaum von der Börse kommen. Viel eher von einem Staat, der seine angestammte Rolle neu besetzt, sein einzigartiges Kapital nutzt und mit langem Atem Zukunftstechnologien wie den Ausbau erneuerbarer Energien vorantreibt. Ein brandaktuelles Buch, das die aktuelle Diskussion über die Zukunft der Wirtschaft und die Rolle des Staates vom Kopf auf die Füße stellt.

Risk Worth Taking Feb 08 2021 The "New York Times" bestselling author of "Starting Over" and "An Ocean Apart" returns with his strongest work to date--a heartwarming story of love, compassion, and redemption. After the dot-com bubble burst, Dan finds himself contemplating a drastic change in his life.

A Risk Worth Taking Apr 24 2022 A Risk Worth Taking by Kathleen Gilles Seidel released on Jun 24, 1983 is available now for purchase.

A Risk Worth Taking Jun 26 2022 After the dot-com bubble burst, Dan Porter is laid off from his job and must decide what is truly important. His wife of twenty years, Jackie, a beautiful and successful managing director at a clothing designer shop, no longer connects with him. His teenagers, Josh, Nina, and Millie, are distant and confusing. Jackie is tempted by the attentions of a younger man at her office, and thanks to an opportunity suggested by a magazine article, Dan finds himself contemplating a drastic change in his life. *A Risk Worth Taking* is an insightful, thought-provoking novel of a man who has to discover what he really values in his work, marriage, and life. Robin Pilcher writes fluidly and well, and he is unerringly adept at capturing the details of his characters' lives. He has written a poignant and engrossing story about the real choices many adults face when they start taking stock of their lives.

Risk Mar 12 2021 In this remarkably forthcoming book you will come to believe that risk is a road worth traveling. That's where the rewards are. Why not take it! The future, as seen through the eyes of businessman, entrepreneur, and author Craig Huntington, is unlimited. The choices we make will dictate the direction of our lives, both personal and professional. That's an empowering thought. Are there risks involved with making choices? Of course there are. But even choosing to do nothing comes with risks. You may want to reinvent the wheel by changing careers, or you may simply want to nudge your life in a different direction. Taking action carries with it an inherent element of risk. Failure is just a bump in the road that we call "risk taking." If you're willing to make something extraordinary of your life, there is no better place to start than with the timeless lessons contained within these pages.

Wann hören wir auf, uns etwas vorzumachen? Sep 05 2020 Wir müssen der Wahrheit ins Gesicht sehen, sagt Jonathan Franzen, der sich seit vielen Jahren mit Themen des Umweltschutzes beschäftigt. Das Spiel ist aus, wir werden den Klimawandel nicht mehr kontrollieren, die Katastrophe nicht verhindern können. Das Pariser Abkommen, das Zwei-Grad-Ziel, "Fridays for Future", die Bepreisung von CO2: alles zu spät, nachdem 30 Jahre lang vergeblich versucht wurde, die globale Erwärmung zu reduzieren. Aber das ist kein Grund zum Aufhören und schon gar nicht das Ende von allem. Wir sollten uns vielmehr neu darauf besinnen, was uns wichtig ist. Deshalb, so Franzen, wird es jetzt Zeit, sich auf die Folgen vorzubereiten, zum Beispiel auf Brände, Überschwemmungen und Flüchtlingsströme. Es geht aber auch darum, alles in unserer Macht Stehende zu tun, um unsere Gesellschaften, unsere Demokratien zu festigen. Dieses Buch ist ein kämpferisches Plädoyer dafür, die Grenzen unserer Möglichkeiten nicht zu Lasten dessen zu leugnen, was sich erfolgreich verändern lässt. Es enthält neben einem Essay und dem bislang unveröffentlichten Vorwort des Autors ein Interview, das er der Zeitung "Die Welt" im Juli 2019 zur Klimakrise gegeben hat. "Wenn unser Planet uns am Herzen liegt, und mit ihm die Menschen und Tiere, die darauf leben, können wir zwei Haltungen dazu einnehmen. Entweder wir hoffen weiter, dass sich die Katastrophe verhindern lässt, und werden angesichts der Trägheit der Welt nur immer frustrierter oder wütender. Oder wir akzeptieren, dass das Unheil eintreten wird, und denken neu darüber nach, was es heißt, Hoffnung zu haben." Jonathan Franzen

Calculated Risk Oct 26 2019 I thought the ring on my finger would do the trick and keep men away. All I wanted was to save my heart from shattering-again. The truth is, I'm not married. The ring was just a ploy-a ploy to keep me safe, protected from pain. But then Marcus Riley came along with his goofy pick-up lines, and he saw right through the facade. He knew the truth, and he wanted me. God help me, I wanted him too--in so many ways. But love is a risk, a painful, scary risk. One I'm too afraid to take. Unless... He's the one risk worth taking. But it just might come at a price.

Drawing on Courage Jan 22 2022 A practical, illustrated guide to overcoming the challenges of creative work, including where to start, how to give or get feedback, when to change direction, and how to stand up for what matters, from Stanford University's world-renowned d.school. "Ashish Goel's magnificently beautiful book illuminates a powerful new way to think about, discover, and act with your own personal courage."—Dan Roam, international bestselling author of *The Back of the Napkin* and *Draw to Win* The everyday moments of creative work can be rife with fear and fraught with risk. Bringing ideas into reality takes courage! In *Drawing on Courage*, designer, entrepreneur, and d.school teaching fellow Ashish Goel examines what it takes to be courageous. Using comics to illustrate real-world situations with humor and insight, Goel explains the four stages of every courage journey: fear, values, action, and change. And he helps you develop the skills you need to master each stage (even if it scares you), from embracing fear and defining the values that drive you forward to taking action when you're unsure and adapting to the changes that result from your courage. Each chapter features a series of tools designed to develop a mindset of fearlessness: Open the Tap to generate new ideas; develop A Risky Streak to take the all-important first step; or create an Origin Story to remember your purpose. Whether you're launching a side hustle or trying to convince your company to recycle, creativity takes pluck, nerve, and grit. This indispensable guide will help you develop all of those skills and more.

A Risk Worth Taking Mar 24 2022 When 22-year-old Summer Stafford's parents split halfway through her senior year at college, Summer's world is rocked. Everything she thought she knew—heck, everything she thought she wanted for her own life—feels like a lie. The truth is love is a risk. And the true kind, the kind that lasts, might even be a fairy tale. Reeling from the divorce, Summer derails her own future by breaking up with her parent-approved boyfriend and giving up her lifelong plans for a big-city career. She moves back home, business degree in hand. Dad needs her to fill the gaps her mother left behind; Summer needs to find who she is outside of the cookie-cutter life that failed so miserably for her parents. Ford O'Neal's future involves one person: himself. He doesn't have a permanent address and he definitely doesn't commit. To a place or a person. Raised by hippies, he plans just far enough ahead to secure his next stop, this one landing him at a work-study program at Heritage Plantation where he can grow his own herbal and medicinal creations. Summer is gorgeous and smart and fun to be with, the perfect way to pass five months. It won't be love—Ford's got too many things to accomplish, too many places to go, before he settles down. Yet Summer pulls him in, challenging him to rethink his own philosophy. When Ford's five months are up, each of them must decide if love is really worth the risk.
