John Knox Jun 26 2019 John Knox has suffered in this century from that trick of the popular imagination that seizes on one aspect of a historical figure and elevates it into the whole man. At one time he was the foremost Scottish genius, but in our day there have been those who would have us believe that he was a ranter, an iconoclast and perhaps a hypocrite. The Author of this classic biography has sought to find the truth between these two extremes. He shows us Knox against the disturbed currents of the Continent, where mediaeval Christendom was at an end and no new order had yet emerged from the chaos of creeds and philosophies. No man could stem these currents, but John Knox in his own country gave them a direction. He became, if not the leader, at least the inciter of a revolution. He set his mark indelibly on history, and not only that of his native land; his influence upon the English court was considerable, but he also became a figure of European significance. No grander figure can be found, in the entire history of the Reformation in this island, than that of John Knox wrote the historian Froude. The Author has given us a balanced assessment of the life and times of this remarkable man.

[Felix and the Red Rats](#) Dec 13 2020 Fantasy, adventure and realism combine in a junior fiction novel by an award-winning writer. When David's uncle comes to visit he sets off a bizarre series of events. Things become complicated when the pet rats turn bright red. David senses that somehow the red rats are connected to the story he is reading, and he becomes more convinced when the colour red becomes contagious. The parallel story sees Felix and his friend Bella inadvertently shifted into a strange land where they must solve a riddle. But this puts them into great danger. How will they escape and find their way home? Young readers will want to solve the confusing conundrum of the red rats; they'll delight in the word riddles and be absorbed by David's story as well as by the fantastical adventures of Felix and Bella, skilfully told by the NZ Post Award-winning writer James Norcliffe.
