Dead Man's Curve Feb 25 2022 Jan Berry, leader of the music duo Jan & Dean from the late 1950s to mid-1960s, was an intense character who experienced more in his first 25 years than many do in a lifetime. As an architect of the West Coast sound, he was one of rock 'n' roll's original rebels--brilliant, charismatic, reckless, and flawed. As a songwriter, music arranger, and record producer for Nevin-Kirshner Associates and Screen Gems-Columbia Music, Berry was one of the pioneering self-produced artists of his era in Hollywood. He lived a dual life, reaching the top of the charts with Jan & Dean while transitioning from college student to medical student, until an automobile accident in 1966 changed his trajectory forever. Suffering from brain damage and partial paralysis, Jan spent the rest of his life trying to come back from Dead Man's Curve. His story is told here in-depth for the first time, based on extensive primary source documentation and supplemented by the stories and memories of Jan's family members, friends, music industry colleagues, and contemporaries. From the birth of rock

to the bitter end, Berry's life story is thrilling, humorous, unsettling, and disturbing, yet ultimately uplifting.

As Lie the Dead Aug 02 2022 Evangeline Stone, a rogue bounty hunter, never asked for a world divided between darkness and light or the power to die and live again in someone else's borrowed body. After a murder plot meant to take her out leaves an entire race of shapeshifters nearly extinct, Evy is gnawed by guilt. So when one of the few survivors of the slaughter enlists her aid, she feels duty-bound to help—even though protecting a frail, pregnant shifter is the last thing Evy needs, especially with the world going to hell around her. Amid weres, Halfies, gremlins, vamps—and increasingly outgunned humans—a war for supremacy is brewing. With shifters demanding justice,

her superiors desperate to control her, and an assassin on her trail, Evy discovers a horrifying conspiracy. And she may be the only person in the world who can stop it—unless, of course, her own side gets her first.

Punk Aesthetics and New Folk Apr 17 2021 Joanna Newsom, Will Oldham (a.k.a. 'Bonnie Prince Billy'), and Devendra Banhart are perhaps the best known of a generation of independent artists who use elements of folk music in contexts that are far from traditional. These (and other) so called 'new folk' artists challenge our notions of 'finished product' through their recordings, intrinsically guided by practices and rhetoric inherited from punk. This book traces a fractured trajectory that includes Harry Smith's Anthology of American Folk Music, Bob Dylan, psych-folk of the sixties (from Vashti Bunyan to John Fahey), lo-fi and outsider recordings (from Captain Beefheart and The Residents to Jandek, Daniel Johnston and Smog), and recent experimental folk (Animal Collective, Six Organs of Admittance, Charalambides) to contextualise the first substantial consideration of new folk. In the process, Encarnacao reviews the literature on folk and punk to argue that tropes of authenticity, though constructions, carry considerable power in the creation and reception of recorded works. New approaches to music require new analytical tools, and through the analysis of some 50 albums, Encarnacao introduces the categories of labyrinth, immersive and montage forms. This book makes a compelling argument for a reconsideration of popular music history that highlights the eternal compulsion for spontaneous, imperfect and performative recorded artefacts.

Industry of Magic & Light Nov 12 2020 Industry of Magic & Light is a love letter to the counterculture of the 1960s and a requiem for its passing. The much-anticipated prequel to Keenan's cult classic debut, This is Memorial Device, Industry of Magic & Light is set in the same mythical Airdrie in the 1960s and early 70s and centres on a group of hippies running their own psychedelic

light show. Told in two halves - the first in the form of an inventory of the contents of a caravan abandoned by one of the hippies, the second in the form of a tarot card reading - it is not so much a book about the 1960s as a direct channelling of the decade's energies, bringing to life how even the smallest and dreariest of working class towns felt so full of possibility in the wake of the psychedelic moment. Via artefacts from the time - everything from poetry chapbooks, record reviews and musical instruments through bubblegum wrappers, bicycle repair kits and mysterious cassette recordings - the book opens out into adventures along the hippy trail in Afghanistan and behind the Iron Curtain that leads a cast of new and returning characters - as well as the authorities - to believe that they are literally making magic. Simultaneously a forensics of the 1960s, a detective novel, an occult thriller, a vision quest, and the hallucinatory exposition of a moment where it felt like anything was possible, *Industry of Magic & Life* brings to life the streets of small working class towns as transformational sites of utopian joy.

Erasing America May 07 2020 "A brilliant book based on a brilliant and true concept." - TUCKER CARLSON Remember America? There may come a time when no one will. There will be no monuments to American heroes, no stories that will praise them. The United States will have become a dark chapter in human history, best forgotten. In *Erasing America: Destroying Our Future by Erasing Our Past* (releasing August 21st), James Robbins reveals that the radical Left controls education, the media, and the Democratic party.... and they seek to demean, demolish, and relentlessly attack America's past in order to control America's present. This toxic movement has already brainwashed an

entire generation and is rapidly changing the cultural, historical, and spiritual bonds of our nation. American exceptionalism, history, and patriotism are a magnificent legacy, Robbins warns, but to pass it on to our children, we must view the past with understanding, the present with gratitude, and the future with hope. Wondering if it's really that bad? Here are some facts you'll learn in *Erasing America*: At Yale, residential Calhoun College is being renamed after students complained about the pro-slavery sentiments of John C. Calhoun. In Massachusetts, Simmons College claims saying, "God bless you" is an "Islamophobic microaggression." In Virginia, school districts seek to ban *To Kill a Mockingbird* and *The Adventures of Huckleberry Finn* because parents complained about the racial slurs in the books. Across the country, Christmas songs and movies are labelled as racist and sexist – and banned. In California, a San Francisco school district wants to rename George Washington High School because our first president owned slaves. In Arkansas, a monument engraved with the Ten Commandments was smashed to smithereens by a protester in a Dodge Dart. And in parks and squares across the South, statues of confederate generals and soldiers are disappearing. Robbins wants you to understand the critical situation in America, and to use *Erasing America* to equip your fellow Americans against this Leftist propaganda – before it's too late!

Das Gold der Krähen Oct 31 2019 Sechs unberechenbare Außenseiter - ein unerreichtes Ziel - Rache! Das Abenteuer geht weiter! Ein Dieb mit der Begabung, die unwahrscheinlichsten Auswege zu entdecken Eine Spionin, die nur »das Phantom« genannt wird Ein Verurteilter mit einem unstillbaren Verlangen nach Rache Eine Magierin, die ihre Kräfte nutzt, um in den Slums zu überleben Ein Scharfschütze, der keiner Wette widerstehen kann Ein Ausreißer aus gutem Hause mit einem Händchen für Sprengstoff Kaz Brekker und seinen Krähen ist ein derart spektakulärer Coup gelungen, dass sie selbst nicht auf ihr Überleben gewettet hätten. Statt der versprochenen fürstlichen Belohnung erwartet sie jedoch bitterer Verrat, als sie nach Ketterdam zurückkehren. Haarscharf kommen die Krähen mit dem Leben davon, Kaz' Geliebte Inej gerät in Gefangenschaft. Doch Kaz trägt seinen Spitznamen »Dirtyhands« nicht ohne Grund – von jetzt an ist ihm kein Deal zu schmutzig und kein Risiko zu groß, um Inej zu befreien und seinen betrügerischen Erzfeind Pekka Rollins zu vernichten. Das sensationelle Finale von Leigh Bardugos Fantasy-Bestseller um den tollkühnsten Coup der Fantasy-Geschichte

Trance Oct 24 2021 Kelly Meding's war-ravaged Los Angeles is ground zero for the ultimate Meta human showdown in this sexy, action-packed new series. Fifteen years ago, Teresa "Trance" West was a skilled telepath and a proud member of the Ranger Corps. But ever since the Rangers were inexplicably rendered powerless at the climax of the devastating Meta War, she's bounced from one dead-end job to another. Now her powers have reappeared just as mysteriously as they vanished—only they're completely transformed and more potent than ever. And they're threatening to destroy her. Trance heads to Los Angeles to track down the surviving Rangers and discover who restored her powers—and why—but a phantom enemy is determined to kill them before they can reassemble. As they dodge his deadly attacks and come to terms with their new role as heroes, Trance and the rest of

the team set out to annihilate the sinister madman . . . only to discover their own powers are his greatest weapons.

They Died on My Watch Jul 21 2021 They Died on my Watch By: Noel Bailey Who was the actress that died just before Christmas - she was the voice of... in...? How many actors died of cancer-related illness in 1996? Did Hitler commit suicide or was he shot by Russian troops? Hey, do you remember what year Princess Diana died in that French car crash? How many husbands did Elizabeth Taylor divorce in her lifetime? What well-known actor died just a few days after David Bowie? Questions you might hear at the next table at your regular eatery. Questions you may not know the answer to. *They Died On My Watch* can answer these and many more. It is a comprehensive reference work that should prove itself to be indispensable to any household. Most certainly a book to sustain interest while cruising at 35,000 feet between London and New York. The ultimate “umpire” you might say, to settle any argument that may arise with regards to discussion involving a deceased celebrity - recent or not.

Die Straße Sep 30 2019 *Die Welt nach dem Ende der Welt Ein Mann und ein Kind schleppen sich durch ein verbranntes Amerika. Nichts bewegt sich in der zerstörten Landschaft, nur die Asche schwebt im Wind. Es ist eiskalt, der Schnee schimmert grau. Sie haben kaum etwas bei sich: ihre Kleider am Leib, einen Einkaufswagen mit der nötigsten Habe und einen Revolver mit zwei Schuss Munition. Ihr Ziel ist die Küste, obwohl sie nicht wissen, was sie dort erwartet. Die Geschichte der beiden ist eine düstere Parabel auf das Leben, und sie erzählt von der herzzerreißenden Liebe eines Vaters zu seinem Sohn.*

Resting Places Oct 12 2020 In its third edition, this massive reference work lists the final resting places of more than 14,000 people from a wide range of fields, including politics, the military, the arts, crime, sports and popular culture. Rock & Roll in Kennedy's America Sep 22 2021 A rousing, poignant look at the cultural history of rock & roll during the early 1960s. In the early 1960s, the nation was on track to fulfill its destiny in what was being called "the American Century." Baby boomers and rock & roll shared the country's optimism and energy. For "one brief, shining moment" in the early 1960s, both President John F. Kennedy and young people across the country were riding high. The dream of a New Frontier would soon give way, however, to a new reality involving assassinations, the Vietnam War, Cold War crises, the civil rights movement, a new feminist movement, and various culture wars. From the former host of NPR's Rock & Roll America, Richard Aquila's Rock & Roll in Kennedy's America offers an in-depth look at early 1960s rock & roll, as well as an unconventional history of Kennedy's America through the lens of popular music. Based on extensive research and exclusive interviews with Dion, Bo Diddley, Brenda Lee, Martha Reeves, Pete Seeger, Bob Gaudio, Dick Clark, and other legendary figures, the book rejects the myth that Buddy Holly's death in 1959 was "the day the music died." It proves that rock & roll during the early 1960s was vibrant and in tune with the history and events of this colorful era. These interviews and Aquila's research reveal unique insights and new details about politics, gender, race, ethnicity, youth culture, and everyday life. Rock & Roll in Kennedy's America recalls an important chapter in rock & roll and American history.

Three Days to Dead Oct 04 2022 They'll never see her coming. . . . When Evangeline Stone wakes up

naked and bruised on a cold slab at the morgue—in a stranger’s body, with no memory of who she is and how she got there—her troubles are only just beginning. Before that night she and the two other members of her Triad were the city’s star bounty hunters, mercilessly cleansing the city of the murderous creatures living in the shadows, from vampires to shape-shifters to trolls. Then something terrible happened that not only cost all three of them their lives but also convinced the city’s other Hunters that Evy was a traitor—and she can’t even remember what it was. Now she’s a fugitive, piecing together her memory, trying to deal some serious justice—and discovering that she has only three days to solve her own murder before the reincarnation spell wears off. Because in three days Evy will die again—but this time there’s no second chance. . . .

Surf City Nov 24 2021 The Jan and Dean Story is a personal story of the iconic musician and entrepreneur Dean Torrence. As a memoir The Jan and Dean Story has elements of humor, tragedy and redemption. It tells their story from the early high school friendship struck up between Jan Berry and Dean Torrence and their ascent to the dizzying heights of stardom riding the crest of the “surf” craze. The Jan and Dean Story is as much about the culture of the 1960s as it is about music. Dean has lived an incredible life and continues to promote a lifestyle and surf culture that is now universally admired and followed throughout the world. The story also recounts Jan’s tragic car accident and his ability to recover enough to continue to perform will be inspiring to many readers even those not familiar with surf music. For pop culture addicts and music buffs alike this book is indispensable. As early teen icons, Jan and Dean left an indelible mark on the music of the 60’s and the American psyche. Dean

Torrence is still touring and creating music and often appears with the Beach Boys and other groups from the heyday of surf music.

One Dead Drag Queen Jan 27 2022 A series of three bombs destroy a local health clinic, killing many and injuring many others including high school teacher and clinic volunteer Tom Mason. While Tom is hospitalized, his lover, professional baseball player Scott Carpenter, begins to believe that Tom may have been the intended victim of the bombing - the third bomb was wired to Tom's truck and Scott is receiving threatening letters saying that he's next. With a long suspect list and a mounting death toll, Scott must find the killer before the killer finds them.

Dead in the Dregs May 31 2022 It's murder in Napa Valley in this "thrillingly knowledgeable, insider's odyssey into the world of fine wines [and] . . . particularly lurid homicides" (Anthony Bourdain). With a stroke of a pen, prominent wine critic Richard Wilson lives to elevate and, more often, destroy winemakers' reputations. How fitting, his death: found murdered, floating in a vat of a particularly bold Cabernet Sauvignon at a Napa Valley tasting. Who did it? Any vintner whose career was ruined by Wilson's sour grapes. But when those trail turns cold, Wilson's sister Janie enlists the help of her ex-husband, Babe Stern. The ex-sommelier turned Sonoma County bar owner is following his own lead—to Burgundy, France. In cellars and tasting rooms from Beaune to Nuits-Saint-Georges, Stern tracks down a family of vigneron, whose troubled son was interning at the winery the night Wilson died. But it doesn't end there. And as the investigation uncovers secrets

bottled up for years, Wilson won't be the last to die. In fact, the further Stern digs for the truth, he may be the next. "An evocative insiders' tour of French wine country that a tourist will never see" (Seattle Times), restaurateur and former wine columnist Peter Lewis's juicy mystery is "a rare and engrossing wonder dealing with the murderous grotesqueries of the wine world . . . in an atmosphere of homicide, sex and food" (Jim Harrison, author of *Legends of the Fall*).

The Jan & Dean Record Aug 22 2021 Jan & Dean were among the most successful artists of the late 1950s through the mid-1960s, with hits including "Baby Talk," "Surf City," "Dead Man's Curve" and "The Little Old Lady (From Pasadena)." Slapstick humor and offbeat personas were a big part of their shtick, but Jan Berry was serious when it came to the studio. This book chronicles Jan's career as a songwriter and arranger--and his tenure as producer for Jan & Dean and other acts--with day-by-day entries detailing recording sessions, single and album releases, concerts and appearances, film and television projects, behind-the-scenes business and legal matters, chart positions and more. Extensive commentary from Berry's family, friends and colleagues is included. Studio invoices, contract details, tape box notes, copyright information and other particulars shed light on how music was made in the Hollywood studio system of the 1960s.

Wrong Side of Dead Sep 03 2022 Monster hunter Evangeline Stone woke up on the wrong side of dead this morning—and now there's hell to pay. Barely recovered from her extended torture at the hands of mad scientist Walter Thackery, Evy can use a break. What she gets instead is a war, as the battered Triads that keep Dreg City safe find themselves under attack by half-Blood vampires who have somehow retained their reason, making them twice as lethal. Worse, the Halfies are joined by a breed of were-creature long believed extinct—back and more dangerous than ever. Meanwhile, Evy's attempts at reconciliation with the man she loves take a hit after Wyatt is viciously assaulted—an attack traced to Thackery, who has not given up his quest to exterminate all vampires . . . even if he has to destroy Dreg City to do it. With Wyatt's time running out, another threat emerges from the shadows and a staggering betrayal shatters the fragile alliance between the Triads, vampires, and shapeshifters, turning Evy's world upside down forever.

Who Goes There Jan 03 2020 A group of scientists. An object buried under the ice. A terrifying fight for survival. When a group of scientific researchers, isolated in Antarctica, stumble across an alien spaceship buried in the ice it seems like an incredible opportunity. The alien pilot can just be seen - a shadowy figure frozen just a short depth into the ice. It looks as though he survived the crash only to be flash-frozen on the Antarctic plateau. The team fight the frozen conditions to free the ship from the ice - with disastrous consequences - and rescue the alien. As they transport the corpse, one of their

greatest finds, out on the ice back to their camp, several scientists begin to experience extraordinary, vivid and unsettling dreams. They're dismissed as the product of stress and the harsh conditions ... but the nightmare is only beginning.

Inside the Music of Brian Wilson May 19 2021 Inside the Music of Brian Wilson is, as author Phillip Lambert writes in the prologue "completely, and intensely, focused on the music of Brian Wilson, on the musical essence of his songs and the aesthetic value of his artistic achievements. It acknowledges the familiar biographical contexts of his songs, but it tells completely new stories about the birth and evolution of his musical ideas, identifying important musical trends in his work, heretofore undisclosed inter-song connections within his music, or between his music and that of others, and the nature and extent of his artistry. It aims not just to identify great songs, but to explain exactly what makes them so." Lambert, a renowned musicologist, brings to this work to life with both his professional expertise and an infectious personal appreciation of the power of pop music. His clear, engaging tone and accessible writing style allows even a musically inexperienced reader to follow him as he traces Wilson's musical evolution, with a particular focus on the years leading up to the writing and recording of Pet Sounds and SMiLE, albums which many consider to be the masterpieces of his oeuvre. Inside the Music of Brian Wilson is the definitive book on Wilson's music and is essential reading for fans of Brian Wilson, the Beach Boys, and great pop music. Includes THREE amazing Appendixes: Appendix 1: Brian Wilson Song Chronology* Appendix 2: Four Freshmen Albums, 1955-1961 Appendix 3: Favorite Songs and Influences Through 1961 *The most complete song chronology ever published.
