The Fourth Power Nov 24 2021 In the past, Heather's used her gift to help her two best friends. The time has come for her besties to return the favor. Heather Harrison sees ghosts. It's not something she brags about. In fact, she wished she didn't. Communicating (or not communicating) with the dead only leads to heartache, and for her it led to a divorce. For the most part, she's happy being single. She's got a good business, close friends, and a slightly overprotective brother. What more does a forty-something woman need? When her two best friends beg her for help in contacting loved ones, against her better judgment she can't say no to the séance. But some gateways shouldn't be opened, and some meddling spirits shouldn't be stirred...like that of her Grandma who insists she's "found her nice man". The supernaturals have come out to play and it's up to this amateur medium to protect herself and her friends before the danger they summoned comes to bite them in the backside. Faery Queen Mar 05 2020 It is ill-advised to incur the wrath of a faery, but it is most foolish to do so of a faery queen... A high fantasy paranormal romance by NYT Award Winning Author Michelle M. Pillow At first sight, Queen Tania of the Faeries knows that Hugh, Earl of Bellemare, is her one true love. Yet a year has passed since he promised to return, and now she knows he never intended to come back. With her mood darkening and her castle tarnishing, Tania vows to teach Hugh a lesson he'll never forget. That no human should dare deceive a faery queen. In her despair, she turns to King Lucien of the Damned, and swears a blood vow that risks the fate of all the faeries—and Hugh's soul. Suspicious of the magical world, Hugh wishes he'd never discovered the truth of what was beyond the mortal realm. Noble duty consumes his heart—but not his heart. He lost that to the seductive Queen Tania, who surely wanted him only as her plaything. Despite his vow to forget the teasing nymph, she haunts his every thought. When he finds himself kidnapped by the demon king and back in Tania's arms, Hugh cannot resist her charms. But with his family's safety at stake and the land at war, he must return to his home. Even if it means destroying Tania's life. In a war-ridden land, destiny rides on the wings of a faery queen and on the will of an earl who refuses to acknowledge their love. Warning: This book contains sexy times, violence, a castle full of amorous faeries, a vengeful queen succumbing to her darker thoughts and the human she would make her plaything. A Break of Lightning Aug 02 2022 Lightning isn't the only thing streaking in small-town Wisconsin. Warlock Rairbeart MacGregor is on the prowl and looking for his true love. He has only one question for any lassie he meets, "Will ya marry

me?" With his sanity often questioned by those who know him best, Raibeart believes there is a method to his madness. At least he hopes so. He's convinced his true love exists, but he just can't seem to find her. Plagued by nightmares, he's compelled to run himself to exhaustion each night to keep them at bay. But when those nightmares begin to bleed into reality, he realizes the woman he's been searching for is literally the one tormenting his dreams. Katherine Galbraith has been imprisoned by magic for so long that she can't even remember what her crime was beyond the vague impression that she once loved a warlock. _____About the Warlocks MacGregor® Series People know magic is fake--card tricks and illusions, magicians and entertainers. But there is an older magic, a powerful force hidden from modern eyes, buried in folklore and myths, remembered by the few who practice the old ways and respect the lessons of past generations. The term "warlock" is a variation on the Old English word waeloga, primarily used by the Scots. It meant traitor, monster or deceiver. This fiction-based family includes males and females of magic. The MacGregors do not agree with how history has labeled them, or other supernaturals. To them, warlock means magic, family, and immortality. This series is not a portrayal of modern-day witchcraft or those who hold such beliefs. The MacGregors are a magical class all their own. Love Potions: Jul 01 2022 A little magical mischief never hurt anyone until a love potion goes terribly wrong. Magic, Mischief, and Kilt!: A modern-day Scottish paranormal romance by NYT Bestselling Author Michelle M. Pillow. Erik MacGregor is from a line of ancient (and mischievous) Scottish warlocks. He isn't looking for love. After centuries of bachelorhood, it's not even a consideration... until he moves in next door to Lydia Barratt. It's clear the beauty wants nothing to do with him, but he's drawn to her and determined to win her over. The last thing Lydia needs is an alpha male type meddling in her private life. Just because he's gorgeous, wealthy, and totally rocks a kilt doesn't mean she's going to fall for his seductive charms. Humans aren't supposed to know about his family's magic or the fact he's a cat shifter. It's better if mortals don't know the paranormal exists. But when a family prank goes terribly wrong, causing Erik to succumb to a love potion, Lydia becomes the target of his sudden and embarrassingly obsessive behavior. They'll have to find a way to pull Erik out of the spell fast when it becomes clear that Lydia has more than a lovesick warlock to worry about.
