The Big Music Mar 12 2021 The Big Music tells the story of John Sutherland of 'The Grey House', who is dying and creating in the last days of his life a musical composition that will define it. Yet he has little idea of how his tune will echo or play out into the world - and as the book moves inevitably through its themes of death and birth, change and stasis, the sound of his solitary story comes to merge and connect with those around him. In this remarkable work of fiction, Kirsty Gunn has created something as real as music or as magical as a dream. One emerges at the end of it altered and changed. Not so much a novel as a place the reader comes to inhabit and know, The Big Music is a literary work of undeniable originality and power.

Cullman County, Alabama Cemeteries, Volume 4 May 14 2021 Cullman County was established in 1877 in large part from the west side of Blount and the east side of Winston counties. Today, the few old cemeteries which existed in those counties in the early days are found within the borders of Cullman. The cemetery listings in this four volume set were conducted by the author beginning in 2003 and ending in early 2006. An attempt was made to personally visit every cemetery in Cullman County and record information from each readable monument. Volume 4 of this series covers alphabetically cemeteries M through Z, beginning with the Mt. Zion United Methodist Church Cemetery and concluding with the Zion Grove Cemetery. The volumes are filled with photos of many of the old cemetery sites and notes describing the company and unit of most of the old Civil War era veterans. This set of books is vital to any serious student of Cullman County genealogy and history.

They Said No to Nixon Oct 07 2020 "Excruciatingly timely."—Kirkus Reviews In more than three thousand recorded conversations, the Nixon tapes famously exposed a president's sinister views of governance that would eventually lead to his downfall. Despite Richard Nixon's best efforts, his vision of a government where he could use his power to punish his political enemies never came to fruition because members of his own party defied his directives. While many are familiar with the Republicans who turned against Nixon during the final stages of the Watergate saga, They Said No to Nixon uncovers for the first time those within the administration—including Nixon's own appointees—who opposed the White House early on, quietly blocking the president's attacks on the IRS, the Justice Department, and other sectors of the federal government. Culling from previously unpublished excerpts from the tapes and recently released materials that expose the thirty-seventh president's uncensored views, Michael Koncewicz reveals how Republican party members remained loyal civil servants in the face of Nixon's attempts to expand the imperial presidency. Delving into the abuses of power surrounding the Watergate era and showing how they were curbed, They Said No to Nixon sheds light on the significant cultural and ideological shifts that occurred within the GOP during the pivotal 1970s. Koncewicz deftly demonstrates how Nixon's administration marked a decisive moment that led to the rise of modern conservatism and today's ruthlessly partisan politics.

Baseball's Longest Games Jun 02 2020 Baseball is the only major team sport that doesn't feature a clock, and there's a familiar saying among fans that as long as outs remain, the game can, theoretically, go on forever. Every now and again, it nearly does, as author Phil Lowry demonstrates. The product of more than four decades of research, this book catalogs baseball games from around the world and throughout history that lasted 20 or more innings, stretched five or more hours, or ended after 1:00 am. Lowry also examines probability models to predict how often games of unusual length will occur.

Johnnie Johnson's 1942 Diary Dec 29 2019 A unique insight into how fighter pilots lived, loved—and died—through the diary of the top-scoring RAF Ace who survived the Battle of Britain. A one-time household name synonymous with the superlative Spitfire, Air Vice-Marshal "Johnnie" Johnson's aerial combat successes of World War II inspired schoolboys for generations. As a "lowly Pilot Officer," Johnson learned his fighter pilot's craft as a protégé of the legless Tangmere Wing Leader, Douglas Bader. After Bader was brought down over France and captured on 9 August 1941, Johnnie remained a member of 616 (South Yorkshire) Squadron. By the beginning of 1942, when Johnnie's diary begins, Fighter Command was pursuing an offensive policy during daylight hours, "reaching out" and taking the war to the Germans in France. It was also a period in which the Focke-Wulf Fw outclassed the Spitfire Mk.V. In Johnnie's words, the Fw 190 "drove us back to the coast and, for the first time, pilots lost confidence in the Spitfire." As well as his participation in Rhubarb and Circus sorties, Johnnie was also involved in Operation Jubilee on 19 August 1942. In this diary, published here for the first time, we get a glimpse of the real Johnnie, and what it was really like to live and breathe air-fighting during one of the European air war's most interesting years: 1942. Presented on a day-by-day basis, each of Johnnie's entries is supported by an informative narrative written by the renowned aviation historian Dilip Sarkar, drawing upon official documents and his interviews and correspondence with the great man. "Provides a number of insights into life in the RAF Fighter Command of that period.—Most Highly Recommended." —Firetrench

It's a Johnny's life Jun 14 2021 The Roscoff Johnnies Starting from his childhood in Roscoff, then going on to 1951 when Olivier SZitZ first became a Johnny at almost 15 selling onions in Newcastle-upon-Tyne, with his father and family, and continuing up till his recent death in 2013, I have tried to capture the importance that this commerce has had on not only our own lives, but on the life and economy of almost every family in Roscoff. I have added photos showing family life and work, plus a few recipes using our delicious Oignons RosZs (Pink Onions) which I hope you all find of interest. Anne SZitZ

Baseball Team Names Feb 20 2022 Professional baseball is full of arcane team names. The Los Angeles Dodgers, for instance, owe their nickname to the trolley tracks that honeycombed Brooklyn in the early 1880s. (Residents were "trolley dodgers.") From the Negro Leagues, there were the Pittsburgh Crawfords (sponsored early by the Crawford Bath House and Recreation Center); from the minors, the Tucson Waddies (slang for cowboy) and, later, the Montgomery Biscuits (for the would-be concessions staple); from overseas, the Adelaide, Australia, Bite (a shark reference but also a pun for bight) and the Bussum, Netherlands, Mr. Cocker HCAW (the sponsoring restaurant chain, followed by the acronym for the official team name, Honkbalclub Allan Weerbaar). This comprehensive reference book explains the nicknames of thousands of major and minor league franchises, Negro League and early independent black clubs, and international teams—from 1869 through 2011.

Ever your own, Johnnie, North Africa, 1942-43 Jul 16 2021 'Ever your own, Johnnie, North Africa, 1942-43' is a sequel to 'Ever your own, Johnnie, Britain, 1938-42' and recounts the day-to-day life of R.S.M. John Kemp of the 76th Heavy Anti Aircraft Regiment, Royal Artillery, through retrospective accounts and letters written to his wife. It covers the period in his military service from landing in Algiers as part of 'Operation Torch', the Allied Forces' invasion of Vichy French North Africa, until his departure for Sicily under 'Operation Husky'. The book vividly describes experiences of working in a foreign country under wartime conditions, and of the frequent advances to defeat the German and Italian Armies in North Africa. Many of the letters are written to entertain and amuse his wife at home, and to hide the realities of the war that he was experiencing. The book, however, contains notes and commentary to give context to his writing and the campaign as it unfolded as his regiment moved east to Bizerte, and the preparations for the invasion of Sicily.

Memoirs of a Gaijin May 26 2022 Hello from Japan. Not much new here. My four-year-olds attacked me, my crazy female stalkers jumped on the desk and professed their love for me, my depressed coworkers fist-fought each other at the all-you-can-drink karaoke bar, and I have no idea what I ate yesterday but it was uncooked and squishy. Pretty much the usual. What's new from home? Ben took the teaching job in Japan because he wasn't quite ready to figure out what he wanted to do with his life. Instead, his efforts were put towards figuring out his new students, coworkers, and dinner. He is a "gaijin," the Japanese word for "foreigner." From festivals and temples to bicycles and cleaning supplies, *Memoirs of a Gaijin: Emails from Japan* is the one-year collection of emails and journals that chronicle Ben's experiences in the comedic and confusing country of Japan. "A witty, honest work. Ben Hesse's *Memoirs of a Gaijin* should be a required read for those college grads who are contemplating the increasingly popular first 'real life' step of teaching English abroad."—C.J. Renner, author of *Tried to Say*

The Warped Mind Jan 10 2021 Fifty years of living life by his rules of honor. But not to life's rules, no one ever really told him what to do. He loved meaningless people's favorite line One was if There's anything I can do (but with-in their bonds) If he said it (there was nothing he wouldn't do from killing to giving of his own body.) Another Great statement is "You Will" no one can make you do anything, you may let them. If someone told him "you will" it came at a very high cost to them.
