Army of Darkness/ Bubba Ho-Tep #2 May 16 2021 Last we saw Ash, he was soaring chin-first through a time portal, hot on the bandage of Bubba Ho-Tep, and crash-landed in 70's Las Vegas! The demonic mummy seeks an ancient Egyptian book of souls and will stop at nothing to possess it! Can Ash put his differences aside with a near-peak condition Elvis long enough to teach this undead thief a lesson? Find out in the Vegas-styled winner-takes-all showdown, where the loser gets his soul sucked out!
Shock Apr 14 2021 Gaia is heartbroken when her best friend and boyfriend Ed breaks up with her. He thinks she has been distant lately, but she doesn't have time to dwell - she

and Sam are off to uncover the secret behind Tom's coma. While snooping around the Berkshires compound, they come across an old man who has ties to Loki. Will he be of help to them - or is he responsible for the various attacks on Gaia's life? Or is Sam the one who's after her?

30 2022 As the daughter of an anti-terrorist agent, Gaia has her hands full as she fearlessly combats the world's enemies--hackers, terrorists, and spies--all the while battling with the most feared thing of all--an empty love life.

Sisters, Schoolgirls, and

Sleuths Mar 14 2021 Girls series books have been popular since the early 1840s, when books about Cousin Lucy, a young girl who learns about the world around her, first appeared. Since then, scores of series books have followed, several of them highly successful, and featuring some of the most enduring

characters in fiction, such as Nancy Drew. In recent decades, series books like *The Baby-Sitters Club* and *Sweet Valley High* have become staples for young readers everywhere. In *Sisters, Schoolgirls, and Sleuths: Girls' Series Books in America*, Carolyn Carpan provides a social history of girls' series fiction published in America from the mid-19th century through the early 21st century. Carpan examines popular series, subgenres, themes, and characters found in approximately 100 series, noting how teenage girls are portrayed in girls' series fiction and how girls' series reflect or subvert the culture of the era in which they are produced. Her study also focuses on the creation, writing, and production of such books. This is the first study of American girls' series books to examine the entire genre from its beginnings in the 1840s to the present day, revealing facts about a sub-genre of children's and young adult literature that has rarely been studied.

Sweet Valley Confidential Sep 19 2021

It's been ten years since the Wakefield twins graduated from Sweet Valley High, and a lot has happened. For a start, Elizabeth and Jessica have had a falling out of epic proportions, after Jessica

committed the ultimate betrayal, and this time it looks like Elizabeth will never be able to forgive her. Suddenly Sweet Valley isn't big enough for the two of them, so Elizabeth has fled to New York to immerse herself in her lifelong dream of becoming a serious reporter, leaving a guilt-stricken Jessica contemplating the unthinkable: life without her sister. Despite the distance between them, the sisters are never far from each other's thoughts. Jessica longs for forgiveness, but Elizabeth can't forget her twin's duplicity. Uncharacteristically, she decides the only way to heal her broken heart is to get revenge. Always the 'good' twin, the one getting her headstrong sister out of trouble, Elizabeth is now about to turn the tables...

The Story Within Us Jun 16 2021

powerful stories about their complex and diverse efforts to negotiate difficult relationships, exercise agency in restrictive circumstances, and find meaning and beauty in the midst of pain. Their shared emphases on abuse, poverty, addiction, and mental illness illuminate the pathways that lead many women to prison and suggest possibilities for addressing the profound social problems that fuel crime. Framing the narratives within an analytic introduction and reflective afterword, Megan Sweeney highlights the crucial intellectual work that the incarcerated women perform despite myriad restrictions on reading and education in U.S. prisons. These women use the limited reading materials available to them as sources of guidance and support and as tools for self-reflection and self-education. Through their creative engagements with books, the women learn to reframe their own life stories, situate their experiences in relation to broader social patterns, deepen their

understanding of others, experiment with new ways of being, and maintain a sense of connection with their fellow citizens on both sides of the prison fence.

Youth and Sexuality in the Twentieth-Century United States Feb 10 2021 When did the sexual revolution happen? Most Americans would probably say the 1960s. In reality, young couples were changing the rules of public and private life for decades before. By the early years of the twentieth century, teenagers were increasingly free of adult supervision, and taking control of their sexuality in many ways. Dating, going steady, necking, petting, and cohabiting all provoked adult hand-wringing and advice, most of it ignored. By the time the media began announcing the arrival of a 'sexual revolution,' it had been going on for half a century. Youth and

Sexuality in the Twentieth-Century United States tells this story with fascinating revelations from both personal writings and scientific sex research. John C. Spurlock follows the major changes in the sex lives of American youth across the entire century, considering how dramatic revolutions in the culture of sex affected not only heterosexual relationships, but also gay and lesbian youth, and same-sex friendships. The dark side of sex is also covered, with discussion of the painful realities of sexual violence and coercion in the lives of many young people. Full of details from first-person accounts, this lively and accessible history is essential for anyone interested in American youth and sexuality.

loyalty conflicts with the need for the truth. *The Sweet Life #2: Lies and Omissions* picks up right where the first episode leaves off, and the stakes get even higher!

Paperback Crush Dec 11 2020

For fans of vintage YA, a humorous and in-depth history of beloved teen literature from the 1980s and 1990s, full of trivia and pop culture fun. Those pink covers. That flimsy paper. The nonstop series installments that hooked readers throughout their entire adolescence. These were not the serious-issue novels of the 1970s, nor the blockbuster YA trilogies that arrived in the 2000s. Nestled in between were the girl-centric teen books of the '80s and '90s—short, cheap, and utterly adored. In *Paperback Crush*,

author Gabrielle Moss explores the history of this genre with affection and humor, highlighting the best-known series along with their many diverse knockoffs. From friendship clubs and school newspapers to pesky siblings and glamorous beauty queens, these stories feature girl protagonists in all their glory. Journey back to your younger days, a time of girl power nourished by sustained silent reading. Let *Paperback Crush* lead you on a visual tour of nostalgia-inducing book covers from the library stacks of the past.

The Whole Story Mar 02 2020

This work is the only comprehensive guide to sequels in English, with over 84,000 works by 12,500 authors in 17,000 sequences.
