Two to the Fifth Feb 13 2021 The future of Xanth is in frightful peril. A powerful magical bird named Ragna Roc has embarked on a campaign to become absolute ruler of that mystical realm. Those who swear loyalty to him are spared. The rest have simply disappeared. So powerful are Ragna's sorceries that even the Good Magician Humfrey dares not confront him directly. Instead he enlists Cyrus the Cyborg, a handsome half-human playwright with little knowledge of the world, in a stealthy subterfuge. Cyrus must assemble a troupe of traveling players to attract Ragna's interest. And hidden in disguise among the bevy of beautiful young actresses are the young princesses, Melody, Harmony, and Rhythm, whose magics might just be a match for the evil bird. But Ragna has planted a spy in the midst of the troupe, one who knows their deepest secrets, including the true nature of Cyrus's forbidden love for one of the young princesses. Only a mysterious child called Kadence, and a cryptic clue — "Two to the Fifth" — may give the companions the edge they need to defeat Ragna's dictatorial dreams. Brimming with passion and merriment, drama and deception, Piers Anthony's thirty-second Xanth fantasy, *Two to the Fifth*, is a pun-packed performance sure to provoke applause and ovations from the series' myriad fans. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Sequels Apr 05 2020 *Sequels*, the most popular and long-lasting guide to novels in series, returns with greatly expanded series listings. Mysteries continue to be a mainstay, with fantasy, science fiction, and romance listings, plus non-genre fiction selections from authors such as Edward Abbey and Lawrence Durrell. The authors have carefully sifted through a growing group of series to select those most likely to be available in a medium-sized public library, weeding out esoteric, obscure, and less popular series. This classic reference includes hundreds of annotated series, title and subject indexes, and suggestions for reading order. Library professionals will find Answers to the perennial question, "What should I read next?" Guidance on the chronology of a series Easy-to-use tools to identify novels by character, setting, and author The definitive resource for novels in series Including series started since 1989 and updated through 2007, *Sequels* will be the most complete resource for general readers and library patrons as well as readers' advisors; public, university, and high school reference librarians; acquisition and collection management librarians; and even bookstore staff and book reviewers. The expanded *Sequels*, 4th edition, will become the RA and reference librarian's resource of choice

What Is Your Quest? Aug 29 2019 "What's Your Quest? examines the future of electronic literature in a world where tablets and e-readers are becoming as common as printed books and where fans everywhere are blurring of the positions of reader and author. The magic of Youtube, the iPad, and adventure gaming draws upon a history of convergence in digital storytelling that has evolved alongside computing itself, as new tools and models for interactive narrative and the increased accessibility of those tools have allowed for a broad range of storytellers to build on these emerging models for literary interaction"--

Geis of the Gargoyle Aug 10 2020 A gargoyle finds himself caught between a rock and a hard place in this Xanth adventure that "should delight Anthony's many fans" (Publishers Weekly). As a gargoyle, Gary Gar has one job in Xanth: to protect the Swan Knee River from the pollution flowing in from Mundania. But more dirt plus less rain will crack any gargoyle's stony composure. So Gary does what any good Xanthian would do: He seeks the help of the Good Magician. But payment for his service is high. Gary must find a philter for the water, while taking on human form to tutor a wild human child, with help from the surly Sorceress Iris, and—even though time is of the essence—taking Hiatus, a known troublemaker, along for the ride. It won't be easy, especially when they're all transported back to the dawn of time. And if they can't figure out what's going on in the past, there may be no future for Xanth—come hell or high water . . . "Ephemeral amusement for pun-struck Xanthonauts." —Kirkus Reviews

Kirlian Quest Dec 14 2020 Twice before, Milky Way Galaxy has been on the verge of extinction, and twice before a heroic defender has come forward to throw back the invaders from Andromeda Galaxy. In KIRLIAN QUEST the galaxies are united in an alliance of peace. But Hweeh of Weew, the Milky Way's leading research astronomer, observes that Amoeba - just beyond the galaxies' common frontier - is expanding ominously in the direction of the twin galaxies. Herald the Healer is called in. Armed only with his hyper-intense Kirlian aura, he wages an almost single-handed battle against the greatest threat ever to face the galaxies. But first he must unravel the secrets of the Ancients - astounding secrets whose import could never have been imagined... For a thousand years Sphere / of Andromeda was cursed by the other spheres because a representative, Llume of /, betrayed Andromeda during the Second War of Energy. As KIRLIAN QUEST opens, a new threat has appeared on the horizon: the Space Amoeba, a fleet of alien ships one million strong, whose intentions are definitely hostile. Herald the Healer, aural (but not literal) descendant of Flint and Melody, who is a / of Andromeda, has the chance to redeem his species' honor and save the galaxy, but in order to do so he must solve the riddle of the Space Amoeba and of the Ancients themselves.

CEO Excellence Oct 31 2019 CEO EXCELLENCE, by McKinsey senior partners Carolyn Dewar, Scott Keller and Vikram Malhotra is a unique and timely business book which will draw on 25 years of research and interviews with top leaders of some of the world's most respected companies. The resulting book will demonstrate that while the role of CEO is unique within every organisation, it is surprisingly similar across companies even in disparate industries. Furthermore, the best CEOs approach their role with distinct mindsets and practices. This book is about truly world class leadership, showing how the best CEOs think, adapt and approach challenges (never more relevant than in this extraordinary time). It will show why a brilliant CEO can have such an immense impact, and demonstrate how to model yourself and your performance on the very best - so that your turn to lead comes sooner, and is more successful.

Letters to Jenny Feb 02 2020 The New York Times–bestselling author of the Xanth novels wrote these weekly letters to a fan of his books in the hope of helping her out of a coma. In February 1989, science fiction writer Piers Anthony, author of the Xanth series, received a moving letter. It came from a woman whose daughter, Jenny, was in a coma as a result of severe injuries caused by a drunk driver. She asked Anthony to write to Jenny, an avid fan of his, in the hope that a letter from him would evoke some response. Her request resulted in a series of warm, supportive, and humorous letters written weekly from Anthony to Jenny. These were read to the patient by her mother. The original letters Anthony wrote between February 1989 and 1990, reproduced here along with Anthony's comments, reveal the author's wit, humanism, and social conscience. Jenny has come out of her coma, but is still confined to a wheelchair. Anthony also named a character in his next Xanth novel after Jenny,

whose limited but definite physical responses to his letters indicated how important they were to her.

Ogre, Ogre Sep 30 2019 When a Nymph rides a Night Mare, Ogre beware! Smash knew all about ogres. After all, despite his having a human mother, Smash was an ogre himself. Ogres were not only huge and horribly ugly, as Smash was; they were also so stupid they could hardly speak, and they spent most of their time fighting, destroying, and eating young girls. So what was he doing here with seven assorted females looking to him to guide them and save them? Even in Xanth, where magic made anything possible, why should Tandy the Nymph trust him and seem fond of him? And how could all that high-flown conversation be coming out of his mouth? But that, it seemed, was what he got for going to Good Magician Humfrey for an Answer—before he even knew what the Question was!

Der Golem Oct 04 2022

Crewel Lye Sep 10 2020 A knight of ghosts and shadows! Jordan was a ghost in Castle Roogna now, spending his time with little five-year-old Ivy and watching his own past unfold on the magic tapestry. But once he had been a valorous knight, riding his ghost horse Pook on a fabulous and dangerous mission. He had been betrayed with a cruel lie by two wily magicians and the woman he loved. He had been killed at the end, and his bones had been scattered. Now he could not even remember where they had been buried. That was important, because Jordan's talent had been to recover from almost any injury, provided enough of his body could be assembled to grow together again. But all that had been four hundred years before. Nobody who was alive today knew or cared where his bones might be. It was hardly the proper ending for a gallant adventure!

Five Portraits Jan 03 2020 The magical land of Xanth is in peril in this follow-up to *Board Stiff* by New York Times–bestselling author Piers Anthony. “It occurs to me that you folk are no ordinary group,” the troll said. “We’re on a special mission to eliminate the last of the anti-pun virus. We are a bit unusual.” Astrid Basilisk-Cockatrice is the daughter of anonymous parents who whiled away a dull minute by generating her on a warm compost pile, then went their own deadly ways, never to see her or each other again. She found herself a soul, but her gaze is fatal and her touch is toxic. That’s not so strange in the Land of Xanth, where everyone has a unique magical talent, and charms, curses, and enchanted puzzles lie around every corner. Now, Astrid and her companions are finishing the cleanup of a virus that ravaged the puns of Xanth, and new Quests are already popping up. For instance, Astrid is attempting to fulfill her mission in life, if only she can figure out what that is. And then there’s the missing Question from the Good Magician’s Book of Answers. Not to mention the small matter of a Demon Wager regarding the impending destruction of Xanth. But it’s nothing Astrid and her motley crew of lovely maidens and strapping men can’t handle . . . they hope. Piers Anthony delivers another tale set in the bestselling world of Xanth, filled with magic, surprises, adventure, and a few puns. Here’s what the author has to say about his new book: “Five Portraits is a kind of sequel to *Board Stiff* in that it picks up where the other leaves off, with the same characters. Apart from that, it’s one of my favorites within the series. There’s something about Astrid Basilisk that appeals to me: a very pretty girl whose very glance is deadly, yet she’s a nice person whose selfless effort to save five difficult children from future Xanth is thoroughly worthy. I also like the theme of the power of unlikely friendship. Not just Xanth, but Mundania, too, would be better if there were more such friendships.”

Knot Gneiss Nov 12 2020 Wenda Woodwife has a knotty problem--her mood swings have sent her beloved husband, Prince Charming, off on Adventure. She seeks the cure from the Good Magician Humphrey, only to discover that he has a knotty problem of his own and that only Wenda Woodwife can help him. She'll need Companions. Luckily, in Xanth magical companions are never far away, and all roads lead to Adventure. *Knot Gneiss*, this 34th installment in the saga of the magical land of Xanth proves the enduring appeal of Piers Anthony's peerless creation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Roc and a Hard Place Jul 09 2020 “Puns and playfulness reign supreme” as a demoness learns that big birds of a feather don’t flock together in the New York Times–bestselling Xanth series (*The Toronto Star*). Seeking a solution to a perplexing personal problem, the delectable Demoness Metria asks for help from the wise Magician Humfrey. But before he will help her, she must perform a perilous mission: Rove the length and breadth of Xanth in search of a suitable jury for the trial of Roxanne Roc, a notably noble and virtuous bird charged with a most improbable offense. Exciting, exhilarating, and brimming with hilarious high jinks, *Roc and a Hard Place* is Xanth at its most enchanting. “[A] lighthearted series . . . many outlandish characters, adventures, jokes and plays on words.” —Publishers Weekly
