An Officer's Love Story Dec 14 2020 this is a story about love! The world needs love, more than ever now . . . and I need the forgiving grace of God, truly! And the love of Ghee Ghee (Lucy), to move me away from this lonely, hideous hell, to nearer, and nearer heaven! Because greed hate, arrogance and sin are legislated! And shot into our body, souls and our veins like some small pox or swine flue vaccine . . . and only God's love grace can turn the hands of time! Because, my heart was left, so cold, alone . . . and abandoned! And for my, poor heart, Gloria, no one can ever, take your place! Shall I not ever kiss you, or touch your waiting hands, or hear you call my name, so tenderly sweet? Was the last time I saw you the last time? If this be so, then . . . what a cold, cruel world, and life I have stumbled into! Can the world see this loneliness reflected in my eyes or on my face, as I choke back the tears, daily? Do they know my love lost? I think I hide it fairly well! But how much longer must I wait? Is it that . . . I'm so very eager, to hold you once more? Come to me and let me put my arms, around you! Closer . . . that I might fill my lungs, with you! And if I can't have you, in this night-marish waking state, then to hell with it! Then come to me at night, every night, in my dreams! That I may profess my love for you; that I may have my never-ending fill of you! That you may call my name and say "Daa, come and take me right now!" I'm gonna keep waiting . . . and hoping . . . and . . . praying! Oh dear God, what is this that drives . . . and whirls me so? Between her voluptuous bosoms of pleasure, caressing mounds of luscious lure, with nipples erect, sweeter than grapes for sure! To taste this fruit is heaven! So pleasing to mine eyes, taste, touch, aroma, and I now breathe heavily! Her hair compliments the reflection of the face of the Most High! So beautiful, wet and warm, is this "soul treasure" A gift from God that, I love and long to partake, and be in heaven, even if for a moment only! And if I could recreate you, I would change nothing! Add, nor take away! The same curves of your body that surrounds this succulent fruit! And . . . God has made no other touch, as pleasing! Verily I tell you that, Gloria 22 David T. Hardison Lucy Garzia, is the Madonna, the ultimate of God's feminine creation! How divine! So asterios; so for real! And yet, for me, so inaccessible! I mean . . . she's so fine, she's granulated! My heart shall never rest, till I hold you, at least, once more! No matter how far away you are! I shall never forget the night, you wanted to hurry home, to be loved, to sleep! Such colossal kisses, enormous wishes . . . and immense longings, for your love! To be intertwined, in your arms divine, as you and I eagerly disrobe! Now the petting . . . and heavy, sweating . . . oh, we're climbing up the walls! Oh curses . . . its only pictures, in my mind! And back to reality, I find my arms empty, with nothing but aching longings for your love! And nothing, and no one . . . could ever, take your place Gloria! I adore . . . and need your love's, warm, embrace, more than hope, money, wisdom, dreams or a drink! I need your love! For, when I look into your deep dark eyes, the sun begins to shine, and all about us is a sweet sweet melody! A song so sweet, the blue birds of happiness stop, and listen to the sweet song about us. Her eyes are a pool of calm, and I am bathed in her loving glow! The treasures are abundant, when she embraces me, and I've found the pot of gold! And the rainbow's spectrum bridges, our two hearts! And your, tender full lips, and her kisses . . . and the touch of velvety silk, are one. Unlike any love I've ever known before or since then! It's like thunder! Lightning! The way Lucy excites me! There's no going back! The world did take on a new glow! But now all is left are clouds . . . dark and dank storm clouds . . . and no one, can ever, take your place! But when

Small Engines and Outdoor Power Equipment Feb 13 2021 This new book is more than a simple engine repair manual. Designed for the beginner with little or no mechanical experience, Small Engines & Outdoor Power Equipment is a graphically appealing, step-by-step guide that covers all of the most important engine maintenance and repair skills you'll need to keep your equipment running at peak performance. It also shows exactly how to perform mechanical upkeep and repairs on the most common outdoor power implements, including lawn mowers, snow blowers, chain saws, power washers, generators, leaf blowers, rototillers, wood splitters, lawn edgers, and weed whips. With clear 'how-to' photos and detailed diagrams, you'll see exactly what needs to be done. A comprehensive troubleshooting guide helps you define problems and enact solutions. With Small Engines & Outdoor Power Equipment in your library, you won't need to haul the lawn mower off to the repair center and wait a few weeks just because a filter is plugged

or the old gas needs to be replaced. Among the many skills you'll learn are seasonal tune-ups, changing oil, servicing spark plugs, cleaning filters, replacing muffler, servicing the fuel tank, overhauling the carburetor, servicing brakes, inspecting flywheels, replacing the fuel pump, and replacing a rewind cord.
