**Fanged Fan Fiction** Jun 26 2019 Twilight, True Blood and The Vampire Diaries have sparked intense fan activity and generated a large quantity of fan fiction: stories which test the limits of an already existing fictional work and explore gaps and discrepancies within it. Working from the idea that texts constitute archives, expanded and altered by each addition, close readings of a selection of fanfics illustrate particular transformative practices in the online environment. The central figure of the vampire is read through the lens of fanfic authors' contributions to the archives, particularly regarding how figuratively or literally re-fanged versions of the trope are used to subvert norms established in the source texts concerning depictions of sexuality, sexual practices, and monstrosity. Complex relationships between authorial power and subversion, between mainstream messages and individual interpretations, are examined through fanfic analyses, the findings contributing to discussions about contemporary literary creativity.

The series covers everything from finding out about the good, bad, and ugly of each other to meeting the family. There are raw emotions in these books." ~Random Musesomy Book Blog This [Theo and Lizzy] series just takes my breath away. Breathless!!!! That's how this book made me feel from beginning to end. It was one of those books I just couldn't put down until some of my questions were answered. I was constantly on the edge of my seat anxiously hoping it would turn out the way I hoped. I had this same sense of anxious excitement from the very first book of this series and it has not left me yet. This is not your typical cliched romance novel, where you can tell practically from the first page what is going to happen. Oh no! This book has you waiting with bated breath to see what happens next. I cannot wait for the next book. Ms Babylon is a genius, who proves every skeptic who says all romance novels are alike, wrong! All I can say is they have never read an erotic romance Blair Babylon style. ~Karen R. Amazon Review. "Literary GOLD. Of the three BID books I have read thus far, this is by far my favorite. I haven't cried this much about a book in forever! I mean I literally cried through the final 20 pages of Xan & Georgie's book... I mean I tear up every time just thinking about it. Ever had a book that touches your romantic spirit? Ever had a book that breaks your heart? Ever had a book that touched your musical soul? Well this one does that. **ADVICE:** Do yourself a favor, and don't read these books out of order. Includes: Montana Fire Montana Ice Montana Heat Montana Wild Montana Mine The Small Town Romance Series...where the men aren't just hot, they set things on fire! Montana Fire- Jane West's life is perfectly average. Perfectly boring. Until Ty Strickland—Grade-A, smoking hot firefighter—moves in down the street. Then things get a little exciting, and not in the good, panty-melting sort of way. Not only does someone want her dead (seriously), she has to wrangle her out-of-control desires where the new neighbor is concerned, and convince her boss at the small town's only adult toy store—who meddles in Jane's love life—to leave the new hose-wielding hottie off her matchmaking radar. One big, handsome problem stands in her way. And it's not a clogged toilet. Jack Reid is the boy she crushed on in high school. Ten years ago, he broke her heart and skipped town. But now he's back, and he's definitely no longer a boy. He's all man—and he'd

really like for Veronica to check out his pipe. Forced to being roommates, Jack and Veronica have to work through a decade of baggage, disappointment, wanting and unrequited lust. Even though Veronica's heart hasn't yet forgiven Jack, they'll need more than a pillow balm down the middle of the bed to keep them apart. -- Montana Heat- Emma Hardy has wondered why Sam Carter rocked her world (and her libido) with an incredible kiss then calmly walked away, quit his job, and disappeared for two months. Not exactly the hot kiss follow-up she'd been hoping for. But Sam was busy making plans. Plans that include the two of them and picking up where they left off. This time, nothing will stop them. -- Montana Wild- Violet Miller is a teacher savoring her summer break until she's been called in as emergency reinforcements—of the dating kind. She volunteers to help an old flame by pretending to be his girlfriend. In Alaska. At a family reunion. Since the guy is a handsome, lumberjack-sized doctor she's never quite forgotten, faking a relationship won't be hard work—while wishing for more. Mike Ostranski is a desperate man on vacation. His mother wants grandchildren and sees a crazy Alaskan woman as a candidate for daughter-in-law. Mike needs Violet by his side to deflect the lady's advances. A week in Alaska as boyfriend and girlfriend should be easy for them. They grew up together, even had a brief fling. What could possibly go wrong? -- Montana Mine- Daphne Lane leads an uncomplicated life as a travel journalist. After spending a week visiting her crazy Aunt Velma in Montana, she's more than ready to escape to her next assignment. But Fate has other plans in the form of JT McCade, a sexy detective with a sensitive trigger finger. Pulling over a car for speeding should've been quick and easy for JT. Hand over a ticket and move on to his summer vacation. But Daphne was a force of nature and destroys his plans. When he finds himself on a road trip across the west with Daphne and three other women, he doesn't know what hit him. Oh yeah, Daphne Lane in a vintage RV.
