**The Awakened Woman** Jan 26 2022 Winner of a 2017 NAACP Image Award for Outstanding Literary Work, this moving manifesto “empowers women to access a fearlessness that will enable community progress” (Essence). Through one incredible woman’s journey from a small Zimbabwe village to becoming one of the world’s most recognizable voices in women’s empowerment and education, this book “can help any woman achieve her full potential” (Kirkus Reviews). Before Tererai Trent landed on Oprah’s stage as her “favorite guest of all time,” she was a woman with a forgotten dream. As a young girl in a cattle-herding village in Zimbabwe, she dreamed of receiving an education but instead was married young and by eighteen, without a high school graduation, she was already a mother of three. Tererai encountered a visiting American woman who assured her that anything was possible, reawakening her sacred dream. Tererai planted her dreams deep in the earth and prayed they would grow. They did, and now not only has she earned her PhD but she has also built schools for girls in Zimbabwe, with funding from Oprah. *The Awakened Woman: A Guide for Remembering & Igniting Your Sacred Dreams* is her accessible, intimate, and evocative guide that teaches nine essential lessons to encourage all women to reexamine their dreams and uncover the power hidden within them—power that can recreate our world for the better. Tererai points out that there is a massive, untapped, global resource in women who have, for one reason or another, set aside their wisdom, their skills, and their dreams in order to take care of the personal business of their lives. Not only is this a type of invisible suffering experienced by countless women, this rich resource is a secret weapon for improving our world. Women have the capacity to inspire, to create, to transform—and Tererai’s call to action “shines as a beacon of hope to women everywhere” (Danica McKellar, actress and New York Times bestselling author).

**Falling Light** Oct 11 2020 Centuries ago, two lovers were torn apart by forces beyond their control. Now they have been reunited by destiny and are willing to sacrifice everything again—and again—to save a world on the brink of extinction. *The Game of Shadows* continues... Troubled by dreams of strange creatures and unfamiliar voices echoing in her head, Mary has always felt disconnected from this world—until she met the enigmatic stranger Michael. He knew about Mary’s past. He was in it. Searching for her. His soul mate. And it’s taken centuries to find her, to re-engage her in an ancient, celestial cause: find the Deceiver before he destroys the world. Haunted by scores of deaths—their own—Mary and Michael have drawn on the wisdom of the ages, and the power it has given them, to fight the most malevolent force known to man. Joining a select band of warriors, Mary and Michael are nearer to understanding the Deceiver and all he stands for. It’s a terrifying reality that also brings them closer to realizing their own destiny and purpose. And realizing that love—like evil—is eternal.

**The Woman Warrior** Dec 01 2019 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NATIONAL BESTSELLER • With this book, the acclaimed author created an entirely new form—an exhilarating blend of autobiography and mythology, of world and self, of hot rage and cool analysis. First published in 1976, it has become a classic in its innovative portrayal of multiple and intersecting identities—immigrant, female, Chinese, American. “A classic, for a reason” – Celeste Ng via Twitter As a girl, Kingston lives in two confounding worlds: the California to which her parents have immigrated and the China of her mother’s “talk stories.” The fierce and wily women warriors of her mother’s tales clash jarringly with the harsh reality of female oppression out of which they come. Kingston’s sense of self emerges in the mystifying gaps in these stories, which she learns to fill with stories of her own. A warrior of words, she forges fractured myths and memories into an incandescent whole, achieving a new understanding of her family’s past and her own present.

She will play tantrums, a bit of mind games, might ignore you a little, and play jealousy game or whatever. Never fall to this trick of hers. Ignore her often. Never say 'I love you' etc. on phone or text. Never be too romantic on text. Always avoid good morning etc. creepy messages. She is NOT your boss. You have to dominate a woman to get sex from her. Never ever commit anything to a girl in advance. It always bring your value down. Don't say we will go on date on so and so date etc. Plan instantly. Tell her that you are going to a movie. Is she coming? You must ask her when she doesn't have anything important to do. But never plan in advance. Meet You in third part (New Age Seduction) folks.
