Carl and the Meaning of Life Jul 28 2022 From the often Caldecott-buzzed Deborah Freedman, a sweet and funny story about finding your place in the world. Carl is an earthworm. He spends his days happily tunneling in the soil until a field mouse asks him a simple question that stops him short: "Why?" Carl's quest takes him on an adventure to meet all the animals of the forest, each of whom seems to know exactly what they were put on this earth to do, unlike the curious Carl. But it's not until the world around him has changed that Carl begins to realize everyone, no matter how small, makes a big difference just by being themselves.

On the Meaning of Life Sep 29 2022 The question 'What is the meaning of life?' is one of the oldest and most difficult questions we have ever asked ourselves. John Cottingham asks why we are so preoccupied with this question and assesses some attempts to answer it.

The Great Yes Jul 04 2020 How to fall in love with Plato, get relaxed with Socrates and find the meaning of life despite Kant. Mankind's most precious resource is neither gold or data - it is Meaning. Meaning seems to run short in our epoch. So how can we access it? Meaning is what captivates and excites us, what we experience with all our senses. But behold, we cannot make sense merely on our own. Meaning is a gift happening to us whenever we are openhearted, openminded and receptive. Then we can respond to life by saying Yes without any ifs and buts. What do we need to start making sense?

Psychologie des Lebenssinns Jun 26 2022 In diesem anregenden Fachbuch werden aktuelle wissenschaftliche Erkenntnisse zum Thema „Lebensinn“ greifbar und in der Praxis nutzbar. Auf der Grundlage empirischer Forschungsergebnisse erfahren die Leser, welche Dimensionen von Sinn es gibt und wie man sie für sich bzw. für Klienten entdecken kann. Transdisziplinär gewonnene Einsichten zu Sinn und Gesundheit sowie Sinn in der Arbeitswelt werden dargestellt. Der Einfluss gesellschaftlicher Entwicklungen auf die Sinnfrage wird diskutiert. Ergänzende philosophische und reflektierende Selbsterkundungen machen das Lesen zu einem Erlebnis – wenn es glückt: zu einem sinnhaften Erleben. Geschrieben für psychologische und ärztliche Psychotherapeuten, Psychiater, Psychologen, Pädagogen, Berater, Organisationsentwickler, Seelsorger, interessierte Laien.

The Purpose & Meaning of Life Apr 24 2022

Tracking the Meaning of Life Sep 25 2019 "Critical philosophical investigation of the question: What is the meaning of life? Discusses views prominent in analytic philosophy, phenomenology, and existentialism, drawing especially on the thought of Tolstoy, Wittgenstein, Sartre, and Camus and exploring in depth the insights these thinkers offer regarding their own difficulties concerning the meaning of life"--Provided by publisher.

What Is the Meaning of Life? Mar 31 2020 Between 2015 and 2020 I asked over a thousand renowned and spiritual people from around the world one question: what is the meaning of life? This anthology book is the second of a series of four volumes and comprises 300 answers on the meaning of life. Among the contributors you will find renowned spiritual teachers, scientists, psychologists, doctors, professors, academics, musicians, artists, authors, buddhists, christians, muslims, daoists, writers, yogis, dancers, teachers, businessmen, philosophers, shamans, healers, sociologists, indigenous people, students, laymen, activists, priests, ministers, chefs, economists, children, etc., etc. This is a Thesaurus of Life which should be present in every home, in every educational institution and library. It may be read over a period of a year, contemplating each day a different reflection on the meaning of life. This book is a journey into the wisdom of life. Read one Meaning of Life a day and live the day with it. Make your day most meaningful with it. The more you read the more interesting it becomes. The more you read the more insightful you become. This book is a journey into meaningfulness... Enjoy and live a meaning full life!

What's it All About? Feb 29 2020 Baggini succinctly breaks down six answers people commonly suggest when considering what life is all about--helping others, serving humanity, being happy,

becoming successful, enjoying each day as if it were the last, and freeing one's mind.

The 7 Secrets to a Life of Meaning Aug 24 2019 If you have ever driven into work on yet another Monday morning asking yourself, Why am I doing this? . . . this book is for you! With generous humor, insight and reality Ian Percy lays out a solid plan for how you can know - absolutely know - the meaning of your life.

Meanings of Life Mar 24 2022 Who among us has not at some point asked, what is the meaning of life?' In this extraordinary book, an eminent social scientist looks at the big picture and explores what empirical studies from diverse fields tell us about the human condition. MEANINGS OF LIFE draws together evidence from psychology, history, anthropology, and sociology, integrating copious research findings into a clear and conclusive discussion of how people attempt to make sense of their lives. In a lively and accessible style, emphasizing facts over theories, Baumeister explores why people desire meaning in their lives, how these meanings function, what forms they take, and what happens when life loses meaning. It is the most comprehensive examination of the topic to date.

... **trotsdem Ja zum Leben sagen** Jan 22 2022 Mehrere Jahre musste der österreichische Psychologe Viktor E. Frankl in deutschen Konzentrationslagern verbringen. Doch trotz all des Leids, das er dort sah und erlebte, kam er zu dem Schluss, dass es selbst an Orten der größten Unmenschlichkeit möglich ist, einen Sinn im Leben zu sehen. Seine Erinnerungen, die er in diesem Buch festhielt und die über Jahrzehnte Millionen von Menschen bewegten, sollen weder Mitleid erregen noch Anklage erheben. Sie sollen Kraft zum Leben geben.

The Meaning of Life Sep 05 2020 A thought-provoking guide to one of the greatest questions we will ever face - what is the meaning of life?

Another Meaning of Life Jun 14 2021 This book contains philosophy about life and another meaning of life.

Every Time I Find the Meaning of Life, They Change it Aug 29 2022 As a young college student studying philosophy, Klein filled a notebook with short quotes from the world's greatest thinkers, hoping to find some guidance on how to live the best life he could. As he revisits the wisdom he relished in his youth, each extract is annotated with Klein's inimitable charm and insights. He tackles life's biggest questions-- and leaves us chuckling and enlightened.

The Meaning of Life and the Great Philosophers May 14 2021 The Meaning of Life and the Great Philosophers reveals how great philosophers of the past sought to answer the question of the meaning of life. This edited collection includes thirty-five chapters which each focus on a major philosophical figure, from Confucius to Rorty, and that imaginatively engage with the topic from their perspective. This volume also contains a Postscript on the historical origins and original significance of the phrase 'the meaning of life'. Written by leading experts in the field, such as A.C. Grayling, Thaddeus Metz and John Cottingham, this unique and engaging book explores the relevance of the history of philosophy to contemporary debates. It will prove essential reading for students and scholars studying the history of philosophy, philosophy of religion, ethics, metaphysics or comparative philosophy.

Ikigai Dec 09 2020 Want to Learn the Secrets to a Long, Happy, Fulfilled Life? Then Keep Reading! Do you want to live a life that aligns with your values? Are you looking for motivation and courage to pursue all your passions? Would you like to get paid for things you're actually good at instead of struggling to learn how to make a living? You came to the right place! With all the noise of the modern world, more and more people fall victim to depression and anxiety. Studies show that most young adults have their first existential crisis as early as 25 years old. Why? Because we struggle to find our purpose. Purpose is what drives humans to wake up every morning. Without purpose, we lose motivation and meaning. Whether it's striving to be great at your job or having financial stability, everyone can benefit from having purpose. So, what's yours? If you don't have the answer yet, don't fret. This is why we're here - to help (I guess you could say that's our purpose, too). Introducing "Ikigai" by renowned life coach Michael Luck. Ikigai is a Japanese concept that allows what you're good at and what you love doing to intersect. Through best practices, you will cultivate a life you'll be proud of! In this eye-opening book, readers like you will learn the Japanese art of finding purpose... and all the happiness and meaning it brings! Throughout this comprehensive guide, you will: Learn the crucial steps in finding what your purpose or calling is Live to the fullest without sacrificing earning potential by realigning your strengths Find out how you can harness the power of ikigai to help your business succeed Nourish your mind, body, and soul by learning the best practices and diets And so much more! This book acknowledges that dissatisfaction is a common ailment of human beings. We all want to be more, so we strive for more. But "more" isn't necessarily what's right for us. No matter how much money you make, you will always feel empty if you're not living an authentic life - a life aligned with your purpose. So, what are you waiting for? Scroll up, Click on "Buy Now with 1-Click", and Start Living a Long, Happy, More Purposeful Life Today!

The Meaning of Life Oct 31 2022 Featuring nine new articles chosen by coeditor Steven M. Cahn, the third edition of E. D. Klemke's *The Meaning of Life* offers twenty-two insightful selections that explore this fascinating topic. The essays are primarily by philosophers but also include materials from literary figures and religious thinkers. As in previous editions, the readings are organized around three themes. In Part I the articles defend the view that without faith in God, life has no meaning or purpose. In Part II the selections oppose this claim, defending instead a nontheistic, humanistic alternative--that life can have meaning even in the absence of theistic commitment. In Part III the contributors ask whether the question of the meaning of life is itself meaningful. The third edition adds substantial essays by Moritz Schlick, Joel Feinberg, and John Kekes as well as selections from the writings of Louis P. Pojman, Emil L. Fackenheim, Robert Nozick, Susan Wolf, and Steven M. Cahn. The only anthology of its kind, *The Meaning of Life: A Reader*, Third Edition, is ideal for courses in introduction to philosophy, human nature, and the meaning of life. It also offers general readers an accessible and stimulating introduction to the subject.

A Theory of Us Oct 07 2020 Do our lives have a spiritual meaning? Are they for anything? According to the world's two largest religions-Christianity and Islam-the meaning of life is to believe in god, to worship him, and to be obedient to his revelation. Doing this is said to be very important, for it will determine whether we are greatly rewarded or punished when we die. Urging that something far more beautiful than what these religions have imagined is more likely to be true, Timothy Rowe argues in a clear and engaging way for a strikingly different conception of life. Life, he suggests, is not an opportunity for the worship of a deity, but a crucible for our development. We have undertaken to live in order that we might better understand important truths about conscious existence, and the experiences of our lives provide us with insights toward that. Blending philosophy together with spirituality, this book sets out a new way of looking at ourselves-a new way of understanding why we are all here-a theory of us.

The MEANING OF LIFE Jan 10 2021 Where does true fulfillment and life's meaning come from? Does wisdom, prosperity, fame, and prestige alone guarantee fulfillment and give our lives meaning?Why are we here? What's life all about? Is life just a game where we make up some rules and follow through until we fade away from the earth?Did we just evolve from passive rooted organisms who are meant to go through a cycle of struggles, pains and endless sufferings, only to disappear from the earth after a short while?All over the world, people are searching for answers to the meaning of life. The question to whether or not life is worth living or meaningful, is a global discourse that many in trying to find answers to, end up getting even more frustrated. "The Meaning of

Life" to a great extent, presents the Christian with a unique perspective on life. It deals with life's difficulties, pains, struggles and every affair of life. The book draws inferences from King Solomon; a man who was exceptionally gifted by God with wisdom and with the pleasures of the world. However, late in life, after an eventful 40 year reign as king in Jerusalem, he analyzes in great detail, what life's meaning is, as he lived a very empty and unfulfilled life, despite his wisdom and prosperity. Again, Where does true fulfillment and life's meaning come from? Does wisdom, prosperity, fame, and prestige alone guarantee fulfillment and give our lives meaning? Answers to these and many more questions about life are hidden in the pages of this book. May God grant you understanding as you discover life's true meaning in this book.

Self Expressions Dec 21 2021 Human beings have the unique ability to consciously reflect on the nature of the self. But reflection has its costs. We can ask what the self is, but as David Hume pointed out, the self, once reflected upon, may be nowhere to be found. The favored view is that we are material beings living in the material world. But if so, a host of destabilizing questions surface. If persons are just a sophisticated sort of animal, then what sense is there to the idea that we are free agents who control our own destinies? What makes the life of any animal, even one as sophisticated as Homo sapiens, worth anything? What place is there in a material world for God? And if there is no place for a God, then what hold can morality possibly have on us--why isn't everything allowed? Flanagan's collection of essays takes on these questions and more. He continues the old philosophical project of reconciling a scientific view of ourselves with a view of ourselves as agents of free will and meaning-makers. But to this project he brings the latest insights of neuroscience, cognitive science, and psychiatry, exploring topics such as whether the conscious mind can be explained scientifically, whether dreams are self-expressive or just noise, the moral socialization of children, and the nature of psychological phenomena such as multiple personality disorder and false memory syndrome. What emerges from these explorations is a liberating vision which can make sense of the self, agency, character transformation, and the value and worth of human life. Flanagan concludes that nothing about a scientific view of persons must lead to nihilism.

The Ultimate Meaning of Life Oct 19 2021 As we all know, the dilemma of comprehending the meaning of life has intrigued both the humans and the humanity ever since the start of existence. However, it seems there is only a few who have claimed having realized this meaning. Nevertheless, we have for thousands of years pursued that one conclusion, which would be universally accepted. It seems as if humans have an inherent desire for seeking a meaning for their existence. But why have we failed to find it? Is there indeed anyone who could confirm having found it? If yes, what exactly did he discover? Why is it important to realize the meaning of life just now? This book reflects upon various perspectives which may point us to the direction of this rather elusive realization. The book gives little emphasis on the qualitative aspects of the physical life, but instead attempts to discover the ultimate meaning of The Life. This approach leads up to potentially uncovering the significance of existence, rather than merely finding the meaning of one lifetime. Let us hope these reflections shall give you hints, assistance and insight into where the meaning of your life might lie.

Happiness: Essays on the Meaning of Life Jul 24 2019 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities, for more information visit www.oxfordbibliographies.com.

The Runner's Guide to the Meaning of Life Nov 19 2021 "One of the five best books on running."—Benjamin H. Cheever, Runner's World Magazine. Boston Marathon winner Amby Burfoot, one of running's wisest voices, presents 15 life lessons about passion, courage, materialism, failure, and regeneration, all learned during his more than 35 years of experience in running. Here Amby Burfoot discusses a runner's essential traits—qualities necessary for everyone striving to reach a long-term goal—as well as the writing, music, and quotes that have continually inspired him. Most important, Burfoot explains that winners are not those who cross the finish line first, but those who discover more about themselves with every step. Lessons include: How to Create a Life of Perpetual New Beginnings On Tapping the Profound Power of Human Interaction In the Race to Be Your Best, There is No Losing What You Really Need, You Already Have On the Power of Short Steps, Steady Progress And more. Buy it for your mom or dad, your running partner, or for yourself. It will become a handbook to guide your way—both in your running and in your life.

The Meaning of Life Nov 27 2019 From Muhammad Ali and Maya Angelou to Oscar Wilde and Tennessee Williams, a psychologist uses quotes from respected figures to illustrate the 10 most

common attitudes toward the "meaning of life" Charlie Chaplin called it "a tragedy in close-up," while Bob Dylan said it was a joke. Through the centuries, many eminent figures have opined on the meaning of life. Here, Richard Kinnier has studied quotations from hundreds of eminent people and analyzed them to determine their thoughts on life's meaning. Ten themes emerged: life is to be enjoyed, we are here to help others, the meaning of life is a mystery, life is meaningless, we are here to serve god, life is a struggle, we are here to contribute to society, we are here to seek wisdom and self-actualization, we must create meaning for ourselves, and life is absurd. Arranged by these themes, this book contains an eclectic mix of 250 quotations from "the great and the good." Some are profound, others are witty—all of them are true.

On the Meaning of Life Feb 20 2022 A symposium of personal views of life from contemporary leaders.

Making Sense of It All May 26 2022 Thomas V. Morris discusses life, death, religion, the nature of faith and more. This captivating book is ideal both for thoughtful unbelievers who consider Christianity unreasonable, and Christians wanting to know how to share their faith with sceptics. Writing in an engaging, conversational style, Morris takes an intriguing new look at the big questions that keep coming up -- questions about life, death, God, religion, the nature of faith, the formation of an adequate worldview, and the meaning of life. Morris explores these kinds of questions in an earnest yet thoroughly entertaining and easily readable way, relating numerous personal anecdotes, incorporating intriguing material from the films of Woody Allen and the journals of Tolstoy, and using the writings of the seventeenth-century genius Blaise Pascal as a central guide.

Skydivers Guide to Religion and the Meaning of Life Jan 28 2020 Skydivers Guide to Religion and the Meaning of Life This book is a philosophical examination of our belief systems and provokes a critical examination of religious beliefs, our way of looking at the world, our interpretation of the meaning of life, and our ultimate fate. It asks the question, how valid are our beliefs in the context of the society we are raised in, our family and peers own beliefs and the effect of mainstream religion and the State in modifying what we believe, or more to the point, what we say we believe. Controversy and a little irreverent humour is guaranteed. Is man the ultimate creation living in a Cosmos that has been provided by a supreme entity solely for his benefit in much the same way as we would house our pet rabbits in a cage or is that just too simplistic a view?

The Meaning of Things Jul 16 2021 A refreshing distillation of insights into the human condition, by one of the best-known and most popular philosophers in the UK. Thinking about life, what it means and what it holds in store does not have to be a despondent experience, but rather can be enlightening and uplifting. A life truly worth living is one that is informed and considered so a degree of philosophical insight into the inevitabilities of the human condition is inherently important and such an approach will help us to deal with real personal dilemmas. This book is an accessible, lively and thought-provoking series of linked commentaries, based on A. C. Grayling's 'The Last Word' column in the GUARDIAN. Its aim is not to persuade readers to accept one particular philosophical point of view or theory, but to help us consider the wonderful range of insights which can be drawn from an immeasurably rich history of philosophical thought. Concepts covered include courage, love, betrayal, ambition, cruelty, wisdom, passion, beauty and death. This will be a wonderfully stimulating read and act as an invaluable guide as to what is truly important in living life, whether facing success, failure, justice, wrong, love, loss or any of the other profound experience life throws out.

Wer dem Glück hinterherrennt, läuft daran vorbei Jun 22 2019 Endlich wirklich leben anstatt ständig dem Glück nachzujagen Kann es sein, dass unsere Vorstellungen vom Glück uns unglücklich machen? Ja! Denn je stärker wir versuchen, schmerzhaft Gedanken und Gefühle zu verdrängen oder durch positive zu ersetzen, desto mehr leiden wir. Dem möchte Russ Harris mit der Akzeptanz- und Commitment-Therapie (ACT) entgegenwirken. Sein spannendes Umdenkbuch verdeutlicht, dass Stress und Sorgen keineswegs angestrengt bekämpft werden müssen. Wenn wir sie stattdessen zulassen und uns ihnen stellen, finden wir zu einem tief erfüllten Leben.

In Search of the Meaning of Life (an Autobiography) May 02 2020 Sometimes, the best way to find ourselves is to get lost in the process. So lost, in fact, that we're afraid we'll never find our way back again, especially the direction we've only just come from. It's when we find ourselves alone and directionless in the quiet moments of our lives, in surroundings we know we don't belong in and aspire to leave behind, that we can hear ourselves think without the distraction of the status quo calling us back to what had been our everyday reality. My questioning began very early on in this odyssey on the road, and as this internal dialogue developed I wrote down all of these debates with myself on a yellow, legal pad. This process of spontaneously writing my 152 philosophical questions and ponderings, laid the foundation for a resolution to the dilemma as to which way I should go with my life, seemingly giving me permission to follow my heart and my dreams...

Origin of Why Aug 17 2021 Can it be that you only have 5 years left to live? Studies show only 1 hour daily is free to do what you want, and the rest: Sleep, work, eat, email...you have to do. Just 12% of our life expectancy is free. Is this what life's about? No- so what is? No method has yet found a practical answer...Until now Have you ever asked "What's the point?" or "why am I here?". That was the meaning of life you were trying to find. Using the latest evidence & facts at each step, this book reveals a surprising answer When you're finished you'll know... - Why the answer to the meaning changes EVERY other question in your life. - Why those who live the answer are HAPPIER and live some of the LONGEST lives. - Why for centuries the answer has been ILLEGAL. (No it's not a conspiracy theory) We exist but we rarely live as we react to what distracts and lie to hide the facts. The result? 350+ Million people are now part of the world's largest growing disability of depression. But as you read you'll discover the opposite and much more: -How to ELIMINATE 80% of distractions and rapidly increase your free time by 33% -How ONE action REDUCES stress quickly, letting you FULFILL the meaning of life daily -How to BULLETPROOF yourself from unpredictable economic change and job loss. Challenging the old guys of Philosophy, Gods of Religion, frauds of Psychology, and self help get rich salesman. Origin of Why: The Proven Meaning and Purpose of Life adds to the tradition of Viktor Frankl, Simon Senik, Tim Ferriss and Gary Keller in opening the way you see the world.

Religion and the Meaning of Life Dec 29 2019 Explores life's meaning through the lens of belief in God and lived realities including boredom, denial of death, and suicide.

The Meaning of Life Oct 26 2019

Your Soul's Plan Aug 05 2020 Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? Your Soul's Plan (which was originally published under the title Courageous Souls: Do We Plan Our Life Challenges Before Birth?) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, Your Soul's Plan shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible

both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise Your Soul's Plan help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There's also a chapter about the pre-birth planning we do with our future pets. Robert Schwartz is a hypnotherapist who offers general Spiritual Guidance Sessions, Past Life Soul Regressions, and Between Lives Soul Regressions. Visit Robert online at www.yoursoulsplan.com.

Nature Is Enough Jun 02 2020 Claims that the natural world, as opposed to a supernatural realm, can inspire a religious sensibility and a conviction that life is meaningful.

True Love Nov 07 2020 As we get older, many of us think about passing some of our stories on to younger generations, but never find the time or opportunity. My Life Has a Story: A Guided Autobiography leads you through all of the major facets of your life, from early childhood through mature adulthood. And journaling has never been easier. Rather than providing a general prompt followed by an intimidating, big, blank page, this book asks specific questions, and awaits your response. The end result will be an overview of some of the major aspects of your life and details about your experiences. It is your story, and is flexible enough for you to add information in the extra space on the page, skip over questions, and add or take out entire pages. Two things should be stressed First, do not be humble. The details of your life are not insignificant; they make you who you are. Second, share your story with someone. My Life Has a Story is also an ideal gift for any aging adults in your life that you would like to get to know better. Ask them to give you a piece of their life story.

Feline Philosophy Apr 12 2021

Existence, Meaning, Excellence Mar 12 2021 This book addresses the 'perennial' question of the meaning of life from the point of view of a novel interpretation of Aristotle's teleology. Beginning with the premise that at the core of modernity and modern moral imagination are the entropy of meaning and the sense of meaninglessness, the author critically engages with the work of the post-war existentialists, chiefly that of Albert Camus and Martin Heidegger, to argue that their analyses are unconvincing and that the question of the meaning of being should therefore be approached using different assumptions, based on the notion of flourishing life. From this Aristotelian outlook, Existence, Meaning, Excellence employs Alasdair MacIntyre's critique of modernity, together with his conceptions of practice and the narrative unity of life and tradition to provide a novel philosophical account of existence, meaning and excellence - an account which is used to contribute to debates (between Kantian and Nietzschean perspectives) on the nature of art and genius, with Mozart's genius being used by way of illustration. A fascinating and powerfully argued engagement with existentialist thought that draws on the 'virtue' tradition to explore questions of meaning, as well as wider questions within philosophy, this book will appeal to philosophers and social theorists with interests in existentialism, moral philosophy and accounts of 'the good' based on the notions of human flourishing. the nature of art and genius, with Mozart's genius being used by way of illustration. A fascinating and powerfully argued engagement with existentialist thought that draws on the 'virtue' tradition to explore questions of meaning, as well as wider questions within philosophy, this book will appeal to philosophers and social theorists with interests in existentialism, moral philosophy and accounts of 'the good' based on the notions of human flourishing.
