From coworkers to those calling themselves Christians, the tone has become one of reproach, disparaging the character of God and undermining the authority of the Bible. For those who have a heart for God, it can be intimidating and discouraging. [How Do We Know the Bible is True?](#) is based on the absolute authority of God ' s Word, not man-centered explanations. Clearly presented, it will help bring clarity in a world filled with increasingly vague notions of truth. Over 20 relevant issues are discussed including: Is the Bible totally without error? Did the resurrection really happen? How do we know that the 66 books of the Bible are from God? Does the Bible contradict itself? How were people saved before Jesus came? What is the purpose and meaning of life? Did miracles really happen? Was Genesis derived from ancient myths? How should we interpret the Bible; should Genesis be literal? Do you have to believe in a young earth to be saved? Within these pages you will find responses to those honest questions of faith, helping to build a confidence in God ' s Word and inspiring your daily walk in His grace and peace. These powerful biblical insights are soundly presented by more than a dozen respected defenders of the faith, including Ken Ham, John MacArthur, Terry Mortenson, Jason Lisle, Brian Edwards, Tommy Mitchell, Jobe Martin, Georgia Purdom, Bodie Hodge, and Roger Patterson.

[War of the World Views](#) Jul 27 2019 What do aliens, dinosaurs, and gay marriage have in common? They are all part of the culture war - a war between two worldviews. One view is based on a biblical understanding of history, the other on pure naturalism. Our educational institutions and the media are on the frontlines of evolutionaryizing our culture. From Biology 101 to World History, from The Learning Channel to Sponge Bob, subtle and not-so-subtle evolutionary messages bombard us. We witness the battles and skirmishes of this war in our schools, our courts and our homes. All around us are casualties of the warfare - Christians taken captive by an evolutionary philosophy. The idea of the big bang and millions of years has duped many Christians and its effects include a deficient gospel and subjective morality. How are we to respond when we hear of the latest "argument" for evolution? How can we prepare our children to face the evolutionary indoctrination of our public schools and universities? What are we to make of "Christian" organizations who teach the big bang and millions of years? How can we build a truly biblical worldview? In this powerful book, you will find ammunition for the war: answers to some of the most common arguments for evolution, analyses of Christian compromise positions and a call for return to the true biblical authority.

**Tower of Babel Apr 15 2021** The Tower of Babel: The Cultural History of Our Ancestors reveals our shared ancestry as never before! Many are familiar with the Biblical account of Babel, but after the dispersal, there was a void beyond Biblical history until empires like Rome and Greece arose. Now, discover the truth of these people groups and their civilizations that spread across the earth and trace their roots back to Babel as well as to the sons and grandsons of Noah. Many of today's scholars write off what occurred at the Tower of Babel as mythology and deny that it was a historical event. For the purpose of defending the Bible, Hodge presents these and other vital historical facts surrounding this much-debated event. Teens and older can use this layman's reference for Biblical classes, ancient history, apologetics training, and to realize their own cultural connection to the Bible.

**The Fall of Satan Feb 11 2021** The ruler of darkness? the Tempter? the Great Red Dragon? Apollyon; the Destroyer? One being is revealed to have all these titles and more - names that reveal his horrific nature? All names given to Satan, your adversary who comes like a lion "seeking whom he may devour" (1 Peter 5:8). Today, many question and even mock the very existence of Satan, as well as the reality of evil. Even in the Church, by and large, there are few biblical resources on the subject to counter the destructive claims raised in today's humanistic culture. In The Fall of Satan: Rebels in the Garden you will discover the answers to 35 captivating questions, such as: How could one created good become so absorbed by evil? Why would God, who is not evil, allow evil to continue to exist? Did sin begin with Adam or was its origin found in Satan? When did Satan rebel against God's authority? Where can the answers be found to such provocative, spiritual questions that have been asked so many times over? Carefully consider the biblical response, since it is the only completely reliable foundation for information about Satan. As our absolute authority, we must reject unqualified conclusions drawn from sources outside the Bible, such as the current ideas and traditions of the culture. No believer should be unaware of these sound answers found in the Bible.

**The War on Christmas Jan 13 2021** Is it a bunch of pagan symbols "Christianized" for the celebration? Why is our concept of Christmas so important for those who don't believe in Jesus? Most may say Christmas is about the birth of Jesus, but are we truly worshipping Him or just celebrating the earthly gifts we give ourselves? Filled with family get-togethers, office parties, breaks from school, decorating the tree, and more, Christmas is a time of peace and love. So why has so much controversy clouded this sacred holiday? It has become ground zero in an ongoing culture war where Nativity scenes are nixed, Merry Christmas becomes Happy Holidays, and even the word "Christmas" is considered by some as offensive. Find the truth about Christmas and the Christian's response to a culture that seems to be declaring war.

**World Religions and Cults Volume 1 May 05 2020** Religions in today's culture seem to be multiplying. Have you ever wondered why certain religions believe and practice what they do? Or how they view the Bible? This volume delves into these and other engaging questions, such as: How can a Christian witness to people in these religions? Do these other religions believe in creation and a Creator? How do we deal with these religions from a biblical authority perspective? Many religions and cults discussed in this first volume openly affirm that the Bible is true, but then something gets in their way. And there is a common factor every time—man's fallible opinions. In one way or another the Bible gets demoted, reinterpreted, or completely ignored. Man's ideas are used to throw the Bible's clear teaching out the window while false teachings are promoted. This book is a must for laymen, church leaders, teachers, and students to understand the trends in our culture and around the world where certain religions dominate, helping you discern truth and guard your faith. When you understand a religion's origins and teachings, you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions.

**World Religions and Cults Volume 3 Oct 10 2020** This final book in the series focuses on the atheistic or humanistic type of religions. It would be one of the most valuable for the church in the Western World where anti-god and pro-evolution religions are beginning to explode, for it was written to refute those religions and show how they fail. Unlike most books on world religions, this title dives into the secular humanistic religions. The book starts with God's Word as the absolute authority. In doing so, God becomes our guide to refute false religions. Humanistic religions are all around us and we need to be able to spot their tenets and oppose them instead of allowing them to subtly infiltrate our Christianity and undermine us from within. We need to know how to refute these humanistic religions. We need to know how to effectively present the gospel to people who have been deceived by humanistic religions.
