Monthly Catalog of United States Government Publications Jan 23 2022

Law and Economics in Europe Jun 23 2019 This anthology illustrates how law and economics is developing in Europe and what opportunities and problems - both in general and specific legal fields - are associated with this approach within the legal traditions of European countries. The first part illuminates the differences in the development and reception of the economic analysis of law in the American Common Law system and in the continental European Civil Law system. The second part focuses on the different ways of thinking of lawyers and economists, which clash in economic analysis of law. The third part is devoted to legal transplants, which often accompany the reception of law and economics from the United States. Finally, the fourth part focuses on the role economic analysis plays in the law of the European Union. This anthology with its 14 essays from young European legal scholars is an important milestone in establishing a European law and economics culture and tradition.

The Definitive Guide to HR Management Tools (Collection) Jul 17 2021 A brand new collection of high-value HR techniques, skills, strategies, and metrics... now in a convenient e-format, at a great price! HR management for a new generation: 6 breakthrough eBooks help you help your people deliver more value on every metric that matters This unique 6 eBook package presents all the tools you need to tightly link HR strategy with business goals, systematically optimize the value of all your HR investments, and take your seat at the table where enterprise decisions are made. In **The Definitive Guide to HR Communication: Engaging Employees in Benefits, Pay, and Performance**, Alison Davis and Jane Shannon help you improve the effectiveness of every HR message you deliver. Learn how to treat employees as customers... clarify their needs and motivations ... leverage the same strategies and tools your company uses to sell products and services... package information for faster, better decision-making... clearly explain benefits, pay, and policies... improve recruiting, orientation, outplacement, and much more. In **Investing in People, Second Edition**, Wayne Cascio and John W. Boudreau help you use metrics to improve HR decision-making, optimize organizational effectiveness, and increase the value of strategic investments. You'll master powerful solutions for integrating HR with enterprise strategy and budgeting -- and for gaining commitment from business leaders outside HR. In **Financial Analysis for HR Managers**, Dr. Steven Director teaches the financial analysis skills you need to become a true strategic business partner, and get boardroom and CFO buy-in for your high-priority initiatives. Director covers everything HR pros need to formulate, model, and evaluate HR initiatives from a financial perspective. He walks through crucial financial issues associated with strategic talent management, offering cost-benefit analyses of HR and strategic financial initiatives, and even addressing issues related to total rewards programs. In **Applying Advanced Analytics to HR Management Decisions**, pioneering HR technology expert James C. Sesil shows how to use advanced analytics and "Big Data" to optimize decisions about performance management, strategy alignment, collaboration, workforce/succession planning, talent acquisition, career development, corporate learning, and more. You'll learn how to integrate business intelligence, ERP, Strategy Maps, Talent Management Suites, and advanced analytics -- and use them together to make far more robust choices. In **Compensation and Benefit Design**, world-renowned compensation expert Bashker D. Biswas helps you bring financial rigor to compensation and benefit program development. He introduces a powerful Human Resource Life Cycle Model for considering compensation and benefit programs... fully addresses issues related to acquisition, general compensation, equity compensation, and pension accounting... assesses the full financial impact of executive compensation and employee benefit programs... and discusses the unique issues associated with international HR programs. Finally, in **People Analytics**, Ben Waber helps you discover powerful hidden social "levers" and networks within your company, and tweak them to dramatically improve business performance and employee fulfillment. Drawing on his cutting-edge work at MIT and Harvard, Waber shows how sensors and analytics can give you an unprecedented understanding of how your people work and collaborate, and actionable insights for building a more effective, productive, and positive organization. Whatever your HR role, these 6 eBooks will help you apply today's most advanced innovations and best practices to optimize workplace performance -- and drive unprecedented business value. From world-renowned human resources experts Alison Davis, Jane Shannon, Wayne Cascio, John W. Boudreau, Steven Director, James C. Sesil, Bashker D. Biswas, and Ben Waber .

Routledge Library Editions: Political Protest Nov 08 2020 This 26-volume set is a wide-ranging, time- and subject-spanning examination of the phenomenon of political protest. What drives people to take to the streets, and how do their governments respond? These questions and many more are analysed in areas as varied as sixteenth-century German peasant uprisings, revolutionary Russians at the Paris Commune, women protesting nuclear weapons at Greenham Common, and the role Christianity played in protests across the ages. An impressive reference resource, this set also looks at the policing of protests and official responses to them.

Historic Dekalb County Jul 05 2020 An illustrated history of DeKalb County, Georgia, paired with histories of the local companies.

Compensation and Benefit Design Oct 20 2021 In Compensation and Benefit Design, Bashker D. Biswas shows exactly how to bring financial rigor to crucial "people" decisions associated with compensation and benefit program development. This comprehensive book begins by introducing a valuable Human Resource Life Cycle Model for considering compensation and benefit programs. Biswas thoroughly addresses the acquisition component of compensation, as well as issues related to general compensation, equity compensation, and pension accounting. He assesses the full financial impact of executive compensation programs and employee benefit plans, and discusses the unique issues associated with international HR systems and programs. This book contains a full chapter on HR key indicator reporting, and concludes with detailed coverage of trends in human resource accounting, and the deepening linkages between financial and HR planning. Replete with both full and "mini" case examples throughout, this book will be valuable to a wide spectrum of HR and financial professionals, with titles including compensation and benefits analysts, managers, directors, and consultants; HR specialists, accounting specialists, financial analysts, total rewards directors, controller, finance director, benefits actuaries, executive compensation consultants, corporate regulators, and labor attorneys. It also contains chapter-ending exercises and problems for use by students in HR and finance programs.

Cullman County, Alabama Marriages 1921 - 1937 Aug 06 2020 This book contains all the marriages which took place in Cullman County between the year 1921 and 1937. Images of the original documents from the Cullman County Court House were examined page by page and transcribed. Not only was the basic information recorded, but other significant details were gathered such as names of bondsmen, names of officials performing the ceremony, names and relationships of those granting permission, and the location of the ceremony. Sometimes, other details such as birthdays, were recorded. Additionally, details of all licenses returned unexecuted were recorded. The main part of the book is an alphabetical listing of all the grooms. A full name index of the brides follows in the last section. This book is a handy tool for those with ancestors in Cullman County, or surrounding counties.

Index-catalogue of Medical and Veterinary Zoology Jan 11 2021 Devised by a famous Welsh poet, the Bardic alphabet called Coelbren has always seemed to hold great promise. But as long as nobody knew how to use the system for divination, it remained simply a relic of a bygone era. In this book John Michael Greer reveals the secrets of this esoteric alphabet, restoring the Coelbren to its rightful place as a powerful magical tool. Unlike the Ogham or runes, the Coelbren letters take their meaning directly from the sounds they represent. Providing the name, Welsh keyword, meaning, symbolism, pronunciation, and divinatory interpretation of each letter, this book shows how to use this unique system for divination and magic. You will also discover sample readings, scrying and meditation techniques, and tips for making your own Coelbren set. Writing systems have been used for magical power and mystical insight in spiritual traditions throughout history. This book shows how to engage in an effective divinatory practice with an alphabet that is mysterious in its origins but undeniable in its power.
