A Teacher's Guide to Special

Education Jul 01 2020 Despite the prevalence of students with disabilities in the general education classroom, few teachers receive training on how to meet these students' needs or how to navigate the legally mandated processes enumerated in the

Individuals with Disabilities Education Act (IDEA). What is their role? What are their responsibilities? What are the roles and rights of parents? And what must all teachers do to ensure that students with disabilities and other special needs receive the quality education they're entitled to? In this practical reference, David F.

Bateman—bestselling author of *A Principal's Guide to Special Education*—and special education administrator Jenifer L. Cline clarify what general education teachers need to know about special education law and processes and provide a guide
