Stämmevolk - Staatsvolk - Gottesvolk? Oct 23 2021 English summary: What is Israel? There is hardly a more matter-of-fact term in the Old Testament, yet academic debate provides many different answers to this question. Kristin Weingart analyzes the use of the name 'Israel' in the Old Testament as well as its underlying conceptions of Israel. She shows that it was the social construction of an ancestral based community which formed the foundation for a common Israelite identity during both the pre- and post-exilic period, and which also forms the basis for the various uses of the term 'Israel'. German description: Was ist Israel? Kaum etwas scheint im Alten Testament selbstverständlicher und doch fallen die Antworten in der Forschungsdiskussion ganz unterschiedlich aus. Die Ursachen dafür liegen zum einen in den verschiedenen Verwendungsmöglichkeiten des Namens innerhalb der alttestamentlichen Texte, zum anderen in unterschiedlichen Hypothesen zur Basis eines israelitischen Gemeinbewusstseins. Grundet es im

gemeinsamen JHWH-Glauben, in politisch-territorialen Gegebenheiten oder der Überzeugung einer gemeinsamen Abstammung? Hat es sich im Laufe der Geschichte Israels verändert? Kristin Weingart untersucht den Gebrauch des Israel-Namens im Alten Testament sowie die ihm zugrundeliegenden Israel-Konzeptionen. Sie zeigt, dass die soziale Konstruktion der Abstammungsgemeinschaft in vor- wie nachexilischer Zeit die Basis des israelitischen Gemeinbewusstseins bildete und hinter den verschiedenen Verwendungsweisen des Israel-Namens steht.

The Patterns of the Scripture Aug 09 2020 God does not act randomly or at whim. His moves may be mysterious to us, but he has left clues for diligent students to follow—and these clues, embedded throughout Scripture, will lead us out of deception and toward understanding the true identity of the one God has chosen to save humankind. In *The Patterns of the Scripture: Unlocking the Chronological and Genealogical Coding of the Scriptures*, author Hedley Palmer discusses in depth the patterns inherent in the Old and New Testaments, how they lead to proving the authenticity of the Bible, and the history of deception in regard to these truths. Casual readers will find Palmer's well-explored and documented insights very rewarding, and serious students of Scripture will find Palmer's work of great interest. Writing in the methodical and logical spirit of the Creator, Palmer approaches biblical passages with the view that events are neither arbitrary nor haphazard and are necessarily part of a larger structure. Resolving genealogical and chronological issues and perplexing incongruities in the Bible then merely becomes an exercise in applying this pattern. Through study of the patterns in the Old and New Testaments, we realize that Scripture has had its narratives dictated by the formation of these patterns. The Creator does things in his own inimitable and logical manner, and perceiving his direct hand in compiling the Scriptures leads us to greater understanding of his word and will.

John: The Word Made Flesh Jun 06 2020 Jesus Christ: In Whom the Deity and the fullness of God is revealed in Person, Body, and Essence. The Word became Flesh and dwelt among men. The vibrant, glowing descriptions of Jesus' Deity, life, and ministry among the human race have endeared this gospel to hearts of Christians for centuries. Indeed, it is the gospel that is generally recommended as the new convert's first assignment. Within its pages are unparalleled revelations of an eternal God Who entered human history in the person of Jesus Christ to reconcile the world of lost humanity to fellowship with him. Nowhere else in the New Testament is the Good News made so simple and clear.

The Collected Works of Spinoza Jan 14 2021 *The Collected Works of Spinoza* provides, for the first time in English, a truly satisfactory edition of all of Spinoza's writings, with accurate and readable translations, based on the best critical editions of the original-language texts, done by a scholar who has published extensively on the philosopher's work. The centerpiece of this second volume is Spinoza's *Theological-Political Treatise*, a landmark work in the history of biblical scholarship, the first argument for democracy by a major philosopher, and a forceful defense of freedom of thought and expression. This work is accompanied by Spinoza's later correspondence, much of which responds to criticism of the *Theological-Political Treatise*. The volume also includes his last work, the unfinished *Political Treatise*, which builds on the foundations of the *Theological-Political Treatise* to offer plans for the organization of nontyrannical monarchies and aristocracies. The elaborate editorial apparatus—including prefaces, notes, glossary, and indexes—assists the reader in understanding one of the world's most fascinating, but also most difficult, philosophers. Of particular interest is the glossary-index, which provides extensive commentary on Spinoza's technical vocabulary. A milestone of scholarship more than forty-five years in the making, *The Collected Works of Spinoza* is an essential edition for anyone with a serious interest in Spinoza or the history of philosophy.

The History of the Jewish People in the Age of Jesus Christ: Volume 3.ii and Index Oct 11

2020 Emil Schürer's *Geschichte des jüdischen Volkes im Zeitalter Jesu Christi*, originally published in German between 1874 and 1909 and in English between 1885 and 1891, is a critical presentation of Jewish history, institutions, and literature from 175 B.C. to A.D. 135. It has rendered invaluable services to scholars for nearly a century. The present work offers a fresh translation and a revision of the entire subject-matter. The bibliographies have been rejuvenated and supplemented; the sources are presented according to the latest scholarly editions; and all the new archaeological, epigraphical, numismatic and literary evidence, including the Dead Sea Scrolls and the Bar Kokhba documents, has been introduced into the survey. Account has also been taken of the progress in historical research, both in the classical and Jewish fields. This work reminds students of the profound debt owed to nineteenth-century learning, setting it within a wider framework of contemporary knowledge, and provides a foundation on which future historians of Judaism in the age of Jesus may build.

Die Komposition der Chronikbücher Apr 28 2022 Die Chronikbücher gelten gemeinhin als Werk eines Autors, der eine kanonische Synthese der Hebräischen Bibel zieht. Die vorliegende Studie untersucht die Geschichte der Könige Judas (2 Chr 10-36) und kommt zu einem neuen Ergebnis. Die Chronik wurde buchübergreifend fortgeschrieben. Chroniktexte sind nun als historisch gewachsene Dokumente verstehbar, in denen ein theologiegeschichtlicher Wandel sichtbar wird.

Das Los Judas Nov 04 2022 This volume deals with Joshua 15 and its context and examines the historiographical and theological meaning of the land description. In detailed studies the texts and their history are analysed with respect to their origins and objects.

Priester und Leviten im achämenidischen Juda Feb 24 2022 English summary: Joachim Schaper presents a history of the post-exilic Judaeen priesthood that is characterized by its openness for innovative approaches and its inter-disciplinary outlook. It situates priests and Levites in their cultural and social world in the Judah of the Persian period. Joachim Schaper applies insights won by historians and sociologists to a crucial aspect of the history of post-exilic Judah; his approach is inspired by the works of scholars such as Max Weber and Marc Bloch. German description: Die Perserzeit wird zunehmend als einer der bedeutendsten Abschnitte der israelitisch-jüdischen Geschichte entdeckt. Das geschieht sowohl im Hinblick auf die institutionengeschichtliche Entwicklung in Juda und Jerusalem als auch hinsichtlich neuer theologischer Konzepte und Entwicklungen der Literaturproduktion dieser Gegend. Joachim Schaper liefert einen Beitrag zur Erforschung des perserzeitlichen Juda. Er wendet sich dabei gegen die bisher übliche Beschränkung auf rein traditionsgeschichtliche Fragestellungen und geht statt dessen konsequent historisch vor. Er rekonstruiert die Lebenswelt der Priester und Leviten jener Zeit. Dabei stellt er neue Fragen und bringt religions-, sozial- und wirtschaftsgeschichtliche Positionen miteinander ins Gespräch. Dieses Vorgehen ermöglicht ein vertieftes Verständnis der Geschichte des nachexilischen Priestertums in ihrer ganzen Vielfalt. Joachim Schaper greift vor allem die Fragestellungen und Methoden Albrecht Alts, Marc Blochs und Max Webers auf, die für die weitere Erforschung der Geschichte Israels richtungweisend sind.

"Er tat das Rechte ..." Jan 02 2020 Nicht nur über den historischen Ort und die theologische Prägung, sondern auch über den ursprünglichen literarischen Horizont der Königebücher besteht in der heutigen Forschung keine Einigkeit mehr. Die Arbeit nimmt ihren Ausgangspunkt bei den Beurteilungen der Könige bzw. des Volkes im Textbereich 1Kon 12 - 2Kon 25 und untersucht deren innerbiblische Voraussetzungen und vergleichbare Darstellungsprinzipien in anderen altorientalischen Texten. Dabei zeigt sich, dass sich diese Texte nicht nur in sprachlicher und

sachlich-konzeptioneller Hinsicht deutlich vom Buch Deuteronomium unterscheiden, sondern dass für die Königebücher auch ein anderer kultur- und sozialgeschichtlicher Hintergrund anzunehmen ist. Die Königebücher sind Reflex einer gewandelten Königsideologie, sie vertreten die Sicht der Priesterschaft auf das Königtum und zeigen dabei eine grosse Nähe zu neubabylonischen Texten. Felipe Blanco Wissmann, Dr. theol., Jahrgang 1976, war von 2003 bis 2007 wissenschaftlicher Assistent an der Universität Zürich und ist zurzeit Vikar der Evangelischen Kirche in Hessen und Nassau.

Christ Killers Apr 04 2020 Traces the evolution of the image of the Jews as the murderers of the messiah, from its origins to the most recent expressions, drawing on sources that range from the gospel accounts of the crucifixion to film versions of the life of Christ, and assesses the influence of that myth on every aspect of Western culture.

Vereinte Suche nach JHWH Jun 18 2021 Im Unterschied zum Deuteronomisten legt der Chronist großen Wert auf die Darstellung der Hiskianischen Reform. Die vorliegende Arbeit erforscht die Gründe hierfür und versucht, das chronistische Werk unter diesem Gesichtspunkt historisch und theologisch einzuordnen.

Das Los Judas Aug 01 2022 This volume deals with Joshua 15 and its context and examines the historiographical and theological meaning of the land description. In detailed studies the texts and their history are analysed with respect to their origins and objects.

Luke: Jesus Christ, Savior for the Nations May 18 2021 Jesus Christ is a light that will reveal salvation to the nations... So wrote Luke, the only Gentile writer found in the New Testament Scriptures. Luke saw in Jesus Christ the fulfillment of Isaiah's prophecy: "Arise! Shine! Your light has come, and the glory of the Lord has dawned. Nations will come to your light, and kings to the brightness of your dawn." In clearly described themes, Luke takes his readers on a journey of discovery, finding in Jesus Christ, not only the light for Israel, but for people of all nations of the world. "The book you hold in your hands is no dry seminary text, nor is it a feel-good self-help devotional. There is a wealth of information here, presented in a clear and accessible writing style that makes this commentary a great read for new believers and seasoned theologians alike. Luke's Gospel is examined not in a vacuum, but in the context of the totality of Scripture where frequent references to supporting verses serve as road signs, assuring the reader that he is on the right road. This commentary informs and delights!"

Suicide in the Middle Ages: Volume 2: The Curse on Self-Murder Sep 09 2020 A group of men dig a tunnel under the threshold of a house. Then they go and fetch a heavy, sagging object from inside the house, pull it out through the tunnel, and put it on a cow-hide to be dragged off and thrown into the offal-pit. Why should the corpse of a suicide DS for that is what it isDS have earned this unusual treatment? In *The Curse on Self-Murder*, the second volume of his three-part *Suicide in the Middle Ages*, Alexander Murray explores the origin of the condemnation of suicide, in a quest which leads along the most unexpected byways of medieval theology, law, mythology, and folklore DSand, indeed, in some instances beyond them. At an epoch when there might be plenty of ostensible reasons for not wanting to live, the ways used to block the suicidal escape route give a unique perspective on medieval religion.

Power and Emotion in Ancient Judaism Dec 01 2019 In this book, Ari Mermelstein examines the mutually-reinforcing relationship between power and emotion in ancient Judaism. Ancient Jewish

writers in both Palestine and the diaspora contended that Jewish identity entails not simply allegiance to God and performance of the commandments but also the acquisition of specific emotional norms. These rules regarding feeling were both shaped by and responses to networks of power - God, the foreign empire, and other groups of Jews - which threatened Jews' sense of agency. According to these writers, emotional communities that felt Jewish would succeed in neutralizing the power wielded over them by others and, depending on the circumstances, restore their power to acculturate, maintain their Jewish identity, and achieve redemption. An important contribution to the history of emotions, this book argues that power relations are the basis for historical changes in emotion discourse.

SATANIC ATTACKS AND THE WAY OUT Sep 21 2021 Our common enemy is the devil, not our fellow human being. He attacks through his demons to make us feel hopeless, oppressed, depressed, rejected, and lost without purpose. He craftily manipulates his way into our lives to attack and inflict us with sicknesses and diseases, causing pain, suffering, and destruction to lives, jobs, and properties. An author of confusion with his subtlety, he attacks individuals, families, churches, societies, and nations. If Satan can tempt our Lord Jesus Christ, oppose the gospel, and do anything that can prevent people from being saved, we should do all that is in our power to combat his devices. The good news is that Jesus came to set the captives free. "But upon mount Zion shall be deliverance, and there shall be holiness, and the house of Jacob shall possess their possessions" (Obadiah 1:17). *Satanic Attacks the Way Out* is a handbook that reveals the different ways in which Satan carries out his operations, as well as the long-lasting solutions we can use against him. In Ephesians 6:12, Paul says, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world against spiritual wickedness in high places." This handbook provides a blueprint for believers to follow, and equips them with the biblical principles for engaging in war with this archenemy of our souls.

Paulist Biblical Commentary, The Sep 02 2022 The Paulist Biblical Commentary (PBC) is a one-volume commentary on the books of the Bible designed for a wide variety of Bible readers, especially those engaged in pastoral ministry. The volume consists of a commentary on each of the seventy-three books of the Catholic canon of the Bible along with twelve general articles. While based on classical approaches to Scripture, the commentaries and articles are not limited to historical-literary issues, but draw upon relevant theological and pastoral ideas found in the text. The Paulist Biblical Commentary presents: · Solid exegesis of the biblical text. · A useful tool for preaching and spiritual nourishment. · An essential aid to deepen the understanding of Scripture. · Current biblical research that is relevant to pastoral or spiritual ministry. The Commentary brings together the collaboration of more than seventy international biblical scholars, each with expertise in their area of study drawn from their experience and interest in pastoral or spiritual ministry.

Die Königreiche Israel und Juda im 8. und 7. Jahrhundert v. Chr Dec 25 2021 Die Zeit der assyrischen Fremdherrschaft über Israel und Juda (etwa 750-650 v. Chr.) gilt als eine historisch ziemlich präzise zu rekonstruierende Epoche. 722, mit dem Fall Samarias, geht das nordisraelitische Königreich zugrunde, und Jerusalem, das Zentrum des Südreichs, entgeht mit knapper Not der Einnahme durch Sanherib. Die erste Hälfte des 7. Jahrhunderts wird von Manasse, wegen seines Blutvergiessens im Dienst der Assyrer wohl der berüchtigtste König Judas, dominiert. - Das 8. Jahrhundert ist die Zeit der ersten grossen Schriftpropheten: Amos, Hosea, Jesaja, Micha. Aber nicht nur deren Bücher haben hier ihren Anfang genommen, auch das Bundesbuch, frühe Königserzählungen, Vorformen der Vatererzählungen in Genesis und Spruchsammlungen in Proverbia sind in dieser Epoche entstanden oder haben eine tiefgreifende Redaktion erfahren.

The Expository Commentary-Matthews Jul 08 2020 This evangelist, St. Matthews, begins with the account of Christ's parentage and birth, the ancestors from whom he descended, and the manner of his entry into the world, to make it appear that he was indeed the Messiah promised, for it was foretold that he should be the son of David, and should be born of a virgin; and that he was so is

here plainly shown; for here is, I. His pedigree from Abraham in forty-two generations, three fourteens (v. 1-17). II. An account of the circumstances of his birth, so far as was requisite to show that he was born of a virgin (v. 18-25). Thus methodically is the life of our blessed Saviour written, as lives should be written, for the clearer proposing of the example of them.

Alleged Discrepancies of the Bible Jul 20 2021 In *Alleged Discrepancies of the Bible*, John Haley directly addresses questions surrounding common misunderstandings of Scripture. This book is essential for your personal library because it explains questionable passages, helps answer skeptics' questions, and contains valuable resource material. Haley lifts the mystery surrounding the supposed contradictions in the Bible and sheds new light on confusing passages. As you study God's Word and see His purposes unfold in your life, you will experience a new power and love for living!

Thomas Paine and America, 1776-1809 Vol 1 Feb 01 2020 From his migration to America in 1774 to his death in New York City in 1809, Thomas Paine's ideology was at the centre of American political and social debate. This six-volume facsimile edition brings together rare texts from books, periodicals and newspaper contributions to unearth the contemporary American response to Thomas Paine.

Julius Wellhausens Göttinger Licentiaten-Promotion von 1870 Jun 30 2022 Die Arbeit erschließt in fünf Kapiteln die Promotion Julius Wellhausens *De gentibus et familiis Judaeis quae 1 Chr. 2.4 enumerantur* (Göttingen, 1870). Zunächst wird untersucht, in welche wissenschaftliche Situation hinein, auf welchen Ergebnissen fußend Wellhausen seine Dissertation verfasst. Die Frage nach der historischen Glaubwürdigkeit der Chronik bestimmt die wissenschaftliche Diskussion der Zeit. Es folgen einleitungswissenschaftliche Informationen zur Chronik. Den Kern der Arbeit stellt der Text der Dissertation Wellhausens samt Übersetzung ins Deutsche und Englische dar; es folgt die Promotionsakte Wellhausens mit Übersetzung der lateinischen Passagen. Daran schließen sich Analyse und Interpretation der Dissertation an. Der sprachliche und vor allem der stilistisch-literarische Befund legen nahe, dass hier ein Kunstwerk sondergleichen vorliegt. Julius Wellhausen tritt mit dem Schreiber der Chronik in einen literarischen Wettstreit (*aemulatio*). Schließlich wird die Wirkung Wellhausens auf die moderne Chronik-Forschung untersucht, und zwar sowohl die auf die heutige Exegese der Genealogien als auch die auf verschiedene Gesamt-deutungen der Chronik. Es zeigt sich, dass vieles schon bei Wellhausen in nuce angelegt ist

The Friends and Foes of Jesus Nov 23 2021 Do you want to discover how the people in the New Testament reacted to Jesus? Explore how their lives can inform yours? Some people think Jesus was easy-going. Hardly. Everything he did and said sparked a passionate response. He polarized people. Some adored him to the point of dying for him. But those who feared and hated him ended up killing him. If you've never looked deep into both perspectives . . . it's time you did In *The Friends and Foes of Jesus*, Peter DeHaan, PhD., a lifetime student of the Bible and founder of *ABibleADay.com*, digs into colorful New Testament characters to uncover life-changing insights that you can apply to your life today. Be inspired to follow their successes and informed to avoid their mistakes. In this book, you'll discover: - The surprising things his followers did—and how you can do the same - The mistakes his supporters made—and how you can avoid them - The wrong thinking of those who feared him - The errors of those who hated him - A bit of yourself in each character—the good and the bad—and face some fascinating choices *Jesus Was Loved. Jesus Was Hated. But He Was Never Ignored.* Will this book challenge you? Yes. Will it make you uncomfortable (in a positive way)? Absolutely. Will it change your life as you look at the people who surrounded Jesus in a way you've never seen them before? Without a doubt. Then consider thought-provoking questions that will stir you into faith-growing action. Buy *The Friends and Foes of Jesus* today, and let the revelations begin.

Lessons from the Apostles May 30 2022 We often think of the apostles as spiritual giants—men who were uniquely qualified to walk with Jesus and carry on His mission to the world. But the reality is they stand out more for their lack of qualifications. They were not trained religious scholars; they

often misunderstood what Jesus told them; and sometimes they simply failed to live up to Jesus's expectations. Not only did they lack qualifications, but they also encountered many of the same fears and issues we experience. They struggled with doubts, cowardice, ambition, faithlessness, pessimism, and greed. In other words, the apostles were people just like us. Yet, Jesus chose them to change the world. And they did. *Lessons from the Apostles* describes the struggles and personalities of these ordinary men, reveals the transformation Jesus made in their lives, and identifies specific lessons you can apply in your own life. You will also find brief accounts of the stories and legends regarding what happened to the apostles after the Bible. As you read about each of these men, you will likely recognize your own personality in one or more of them. And you will find encouragement from knowing that you too are the type of person God can use to change the world

The Destruction of Jerusalem, or Titus and Vespasian Feb 12 2021 Within the English fall of Jerusalem tradition, nearly all scholarly attention has gone to Siege of Jerusalem, which has enjoyed critical and pedagogical attention of late. Michael Livingston's 2004 edition with the Middle English Texts Series/MIP drew attention to the text, and Adrienne Williams Boyarin has recently published a new translation with Broadview Press that appears in the Broadview Anthology of British Literature's medieval volume (and as a stand-alone volume). With this edition of the Destruction of Jerusalem, we hope to bring the poem (which is extant in more copies than Siege) into the conversation. METS/MIP is precisely the right series and press to publish Destruction. The work would complement METS volumes such as *The King of Tars*, *Richard Coer de Lion*, and Crusades romances such as *Three Middle English Charlemagne Romances*. Indeed, given METS's broad offerings in Middle English romance, the series is a natural home for Destruction. Destruction would be of tremendous value particularly in courses focused on Crusades traditions, traditions of medieval anti-Semitism, vernacular theology, or late medieval depictions of difference more broadly, matters of considerable scholarly and pedagogical interest to medievalists of late.
