[Midnight Confessions](#) Oct 24 2019 In *Midnight Confessions*, poet Joy Olree, a self-described autistic poet with MS, presents a collection of user-friendly verse reflecting on her experiences with the world and her readings and studies of the Bible. She offers her opinions on a wide range of topics and invites disagreement and discussion. *Midnight Confessions* In the twinkling of an eye they came, the memory snatchers. First it was the short-term memories, then the medium ones. As time went by, more memories seem to leave, but she never forgot her God and she never did not pray. I put my hand on her bed as she breathed her last breath. I prayed, Thank you, Lord, for making it possible for me to be there. As I sit here in the lighted room, the dark outside, I miss my stepmom. Tomorrow is Christmas, a time of celebration, and I think to myself, Do I have anything to celebrate? Most of my family has died. I still have the children and the grandchildren. I guess I am blessed, and is that not the way of life? Us older folks die, and the young take our place, unless there is some unforeseen unexpected tragedy. But I have much to be thankful for this Christmas. See, because of my decision to take care of my stepmom at the nursing home, I now have a new set of friends. A nursing home full of friends. Thank you, stepmom and God, for making this possible. Merry Christmas and a happy New Year, humanity.

[21-Day Midnight Prayer Booklet and Devotional](#) Jan 07 2021 This prayer booklet came as an inspiration from the Holy Spirit. It was a gradual and a consistent compilation of prayer points from Bible verses which was put together daily during the author's personal Bible Studies, and which she uses to pray every midnight between the hours of 12am and 4am. She has had so many experiences, victories, revelations, and testimonies with this prayer booklet. Family started using it also, and she believes that having it as a prayer booklet will inspire to Christians who are hungry for a midnight cry. This book is a guide for midnight prayers to encourage a consistent midnight prayer life, and at the same time help raise up prayer points based on scriptural verses. It is also designed to help you set up a prayer project for 21 days with 7 prayer points for each day. And can be reusable from month to month, throughout the whole year just like the author does. And it has room for personal prayer intensions, reflection, and testimonies.

Honesty. You will find Melissa's very bone and blood...it is here, then, in reading—rather, perhaps, listening to—her words, that your heart, trapped as it may feel in its own midnight, begins to see the first signs of dawn." —Curt Thompson, MD, author of *Anatomy of the Soul* *Grace and Hope for Long Dark Nights* Have you ever suffered with depression, sadness, or the feeling that you just can't seem to get it together? Do you wonder if you could ever view your deepest wounds in a different light? With questions to guide you and practical suggestions to lead you through dark moments, this book takes you on a journey of surrender, suffering, rest, and restoration as it encourages and comforts you in whatever struggle you face. The message of *The Radiant Midnight* is fueled by the passionate belief that not only will God lead you out of darkness, He will be fully and beautifully present within it. [My Humble Beginning... and the Journey Continues](#) Feb 08 2021 Prayer is a force that is beyond us and fulfills the purpose of God, and the purposes of God are depending on prayer. The word of God says, "Let the priests, the ministers of the Lord, weep between the porch and the altar, and let them say, spare thy people, O Lord, and give not thine heritage to reproach, that the heathen should rule over them: wherefore should they say among the people, where is their God." (Joel 2:17 KJV). Therefore, we need to repent and ask God to give us a burden for the lost. We need to grieve with the things that grieve the Holy Spirit; like apathy, prayerlessness, no convictions, no fear of God and being lukewarm.

[Two Seconds to Midnight](#) Jun 24 2022 If midnight is the time when Jesus returns, then there is not long left until it happens. Jesus is calling out to us to focus; to stay close to Him. He says to us "Take My yoke upon you . . ." If we remain yoked to Jesus we will not lose our way: we will be where He wants us to be, when He wants us to be there.

This is the first, of this author's 7-Logos Work of ten-volumes, each volume of which is able to stand alone as God's Book of Life, portraying Life with the Holy Spirit by belief in the Christ of Jesus as Savior to eternal life with God. The author here continues his Story of Writing God's Book of Life, using nonfiction essays and poetry with the help of divine intervention in producing his seven Logos work of ten volumes, followed by four more, seeking to fully understand, explain, and publish this work inspired by the Holy Spirit, the Christ of Jesus. This work relates the action of God in fulfilling for him in seven years all of Rodger Crafton's dreams of becoming a writer of poetry and prose, an armchair philosopher, and an artist working in his new, upstairs garage atelier.

It's midnight again in America. The country is divided, the planet is in turmoil. Hatred, distrust and anger run rampant. Fear--both manufactured and real--is a disease, and it's spreading. Now, that fear, that god of horror and mayhem, has taken shape. And no one is immune.

After Midnight Meditations Mar 21 2022 The title, *After Midnight Meditations* comes from my many years of being a night person. It is how I use that time to pray, ponder and encourage others. You will be challenged and grow throughout reading this book and participating in the 40-days of prayer that the author shares and helps you step through.

Homiletic Review Mar 09 2021

Protest at Midnight Jan 27 2020 "Let me say to President Botha: apartheid is doomed! It has been condemned in the councils of God, rejected by every nation on the planet and is no longer believed in by the people who gave it birth. Apartheid is the god that has failed . . . let not one more sacred life be offered on its blood-stained altar." This is what Bishop Peter Storey preached in 1986 in the darkest hours of black suffering in a South Africa torn apart by racial oppression. Join him as a youthful chaplain to Nelson Mandela on Robben Island, defying armed police entering his pulpit, heading the SA Council of Churches with Bishop Desmond Tutu, leading 25,000 marchers against Johannesburg's secret police headquarters, and confronting Winnie Mandela's wrongs. Storey's ministry was shaped by one simple question: "What does it

mean to obey Jesus in apartheid South Africa?" This book tells of his answer and challenges the silence of American churches in the face of nationalism, systemic racism, and right-wing populism in the USA.

Traiblazers for Translators Aug 22 2019 By 1990, over 6,000 Wycliffe Bible translators around the world were working to give ethnic minorities the Bible in their own tongues. Scores of translators trained by the Summer Institute of Linguistics (SIL) are also doing translation work while working under other agencies. The roots of the Bible translation movement are found in an extraordinary conference held in Chichicastenango, Guatemala, in 1915. This book is a detailed record of those meetings.

The Treasury of David Oct 16 2021

Truth, Deception and God's Unfolding Purpose Jan 19 2022 2000 years ago Jesus invaded a world dominated by satanic darkness. He promised that he would build his church and that the gates of hell would not prevail against it. He also warned of great deception to come specially at the end of the age. Then he turned the apparent defeat of the cross into the glorious victory of the resurrection, later ascending to a throne far beyond Satan's reach. As the end of the age draws near Satan is raging against his inevitable fate, doing all in his power to drag as many as possible down with him. His main weapon is deception and his efforts have largely succeeded in compromising, dividing, and counterfeiting Christ's true church in today's church world. Does that mean that Christ has failed? Never! God's purpose is sure and on track. But where does that leave the individual believer? What do truth and deception look like in today's world? How can we tell? What is God's purpose? Where is He going with all this?"

Written by a series of human writers across thousands of years, many find it difficult and confusing as well. But God in His wisdom gave a key to understanding within the text itself.
