Under One Roof – Liebe unter einem Dach May 14 2021 Neues von Ali Hazelwood, der internationalen Bestsellerautorin: eine unwiderstehlich heiÙe, lustige, feministische Story über eine junge Wissenschaftlerin und ihren Kampf um die Karriere – und die Liebe ... Mara, Sadie und Hannah sind beste Freundinnen – und als Naturwissenschaftlerinnen leidvoll darin erprobt, sich in männlich besetzten Domänen zu behaupten. Eines wissen sie genau: In Fragen der Wissenschaft – ebenso wie der Liebe – sind es stets die Gegensätze, die die heftigsten Reaktionen hervorrufen. Insofern sollte gerade eine Umweltingenieurin wie Mara vernünftig genug sein, niemals mit der männlichen Verkörperung all dessen, was sie nicht ausstehen kann, in ein Haus zu ziehen. Dennoch findet sie sich mit dem Mitbewohner aus der Hölle unter einem Dach: dem unausstehlichen Liam, Konzernanwalt und Klimazerstörungs-Lobbyist der übelsten Sorte. Obwohl er nicht nur mithilfe des Thermostats für eisige Verhältnisse in ihrer Zwangs-WG sorgt, gerät Mara schon bald in Gefahr, sich die Finger an ihrem (nervtötend heißen) Erzfeind zu verbrennen. Unkalkulierbar emotionale Folgeschäden nicht ausgeschlossen ... Die Geschichten von Sadie und Hannah sind in den Storys »Stuck With You – An wem die Liebe hängen bleibt« und »Below Zero – Die unerwarteten Abgründe der Liebe« zu finden.

Together Under One Roof Nov 19 2021 In *Together Under One Roof*, Lin Jensen turns his keen eye and powerful prose explicitly to the teachings of the Buddha, to traditional Zen stories, and to the practices of meditation and compassion--as well as the intricacies of everyday language and the natural world, truth and beauty, family, and the myriad ways our simplest actions affect our whole lives. His previous two works, memoirs of growing up and growing old and of the hard-won but gentle wisdom gained in his daily public meditations for peace, were both critical successes earning a special place in readers' hearts. This book takes up symphonic variations on one main theme: we are all "in it" together, we are all living under one roof--and there's always a glowing hearth right here in this, the Buddha's household.

The Spiritual Call to Become One Jul 16 2021 Mother Earth is warning that now is the time for life to change. In this narrative, written from her perspective, her twelve children have begun acting selfishly and inhumanely. She saw an increase in war, hunger, injustice and inequality. Her children were also harming the environment by polluting their planet and letting it become sick. In response, she sent out birds as messengers to observe and help her children as they learn the truth of their Divinity and their Oneness with Life. So begins *The Spiritual Call to Become One*, which seeks to usher in the Spiritual Truth of the Divine Light within Life. The Time of Change—an epoch of history predicted by author Tod William in ancient Atlantis—reveals that after a war in Pakistan, humanity will choose Peace and become one. With alien technology, humanity will travel the stars. The Divine Light within Life will guide humanity forward to greatness, and the Highest Source of Light will be given to Life. *The Spiritual Call to Become One* reveals Spiritual Truth as it has been channeled through Tod William, the reincarnation of an oracle from ancient Atlantis.

Vanishing Acts Feb 29 2020 The #1 New York Times bestselling author of modern classics such as *My Sister's Keeper* and *Small Great Things* weaves a "richly textured and engaging" (The Boston Globe) tale that explores what happens when a young woman's past—a past she didn't even know she had—catches up to her just in time to threaten her future. How do you recover the past when it was never yours to lose? Delia Hopkins has led a charmed life. Raised in rural New Hampshire by her beloved father, she now has a young daughter, a handsome fiancé, and her own search-and-rescue bloodhound, which she uses to find missing persons. But as Delia plans her wedding, she is plagued by flashbacks of a life she can't recall...until a policeman knocks on her door, revealing a secret about herself that irrevocably changes her life. With *Vanishing Acts*, Jodi Picoult explores how life might not always turn out the way we imagined; how the people we love and trust can suddenly change before our very eyes; how vanished memories can evolve into threat. Featuring characters that "resonate with authenticity" (People), *Vanishing Acts* masterfully explores a serious topic with understanding, insight, and compassion.
