[James Joyce's Ulysses](#) _____ Aug 01 2022 James Joyce's Ulysses is probably the most famous-or notorious-novel published in the twentieth century. Its length and difficulty mean that readers often turn to critical studies to help them in getting the most out of it. But the vast quantity of secondary literature on the book poses problems for readers, who often don't know where to begin. This casebook includes some of the most influential critics to have written on Joyce, such as Hugh Kenner and Fritz Senn, as well as newer voices who have made a considerable impact in recent years. A wide range of critical schools is represented, from textual analysis to historical and psychoanalytic approaches, from feminism to post-colonialism. One essay considers the relation between art and life, nature and culture, in Ulysses, while another explores the implications of the impassioned debates about the proper editing of Joyce's great work. In an iconoclastic discussion of the book, Leo Bersani finds reasons for giving up reading Joyce. All the contributions are characterized by scrupulous attention to Joyce's words and a sense of the powerful challenge his work offers to our ways of thinking about ourselves, our world, and our language. Also included are records of some of the conversations Joyce had with his friend Frank Budgen during the composition of Ulysses in Zurich, and in an appendix readers will find a version of the schema which Joyce drew up as a guide to his book. Derek Attridge provides an introduction that offers advice on reading Ulysses for the first time, an account of the remarkable story of its composition, and an outline of the history of the critical reception that has played such an important part in our understanding and enjoyment of this extraordinary work.

[Joyce and Reality](#) _____ Feb 24 2022 "Joyce was a realist, but his reality was not orange," writes John Gordon in his new book. Here, he maintains that the shifting styles and techniques of Joyce's works is a function of two interacting realities: the external reality of a particular time and place and the internal reality of a character's mental state. In making this case Gordon offers up a number of new readings: how Stephen Dedalus conceives and composes his villanelle; why the Dubliners story about Little Chandler is titled "A Little Cloud"; why Gerty MacDowell suddenly appears and disappears; what is happening when Leopold Bloom stares for two minutes on end at a beer bottle's label; why the triangle etched at the center of Finnegans Wake doubles itself and grows a pair of circles; why the next to last chapter of Ulysses has, by far, the book's highest incidence of the letter C; and who is the man in the macintosh. Gordon, whose authoritative "Finnegans Wake": A Plot Summary received critical acclaim and is considered one of the standard references, revises and challenges the received version of that reality. For instance, Joyce features ghost visitations, telepathy, and other paranormal phenomena not as "flights into fantasy" but because he believed in the real possibility of such occurrences.

[The Thrill of the Haunt](#) _____ May 06 2020 Alison Kerby's guesthouse is already crowded with spirits. The last thing she needs is a whole new batch of haunts settling in. As Alison's reputation as 'the ghost lady' grows, so does her business—and not always in a way she'd like. Tourists may be flocking to her guesthouse for a chance to glimpse her resident spirits, but her special abilities are also bringing unwanted private investigation cases to her door. And she has no choice but to take a case when the local homeless man is found murdered under mysterious circumstances, just hours after asking for help in exorcising a specter. If that weren't enough to deal with, Alison's other PI case soon turns fatal, as the mistress she was spying on for a jealous wife turns up dead as well. The cases seem like they couldn't possibly be linked, but with a mountain of clues, motives and suspects—both living and dead—Alison will have to think fast before someone else checks out for good.

[Annabel's Ghost](#) _____ Dec 25 2021 Annabel Alexander has a ghostly visitor from her past that looks just like the girl that used to torment her back in elementary school reminding her of her poverty-stricken childhood which prompted her obsession with materialism. Then she was nearly killed in a tragic car accident that helps her to get her priorities in order. But is it too late to save her spoiled wayward daughter, Sadie, from ruining her life forever? A major turn of events change their lives but not for the better. They will lose their beautiful home, their expensive vehicles, their dignity and everything they own. Their lives spiral out of control. Annabel's daughter fell into a deep depression after the sudden death of her best friend. Then she became pregnant at the tender age of thirteen. The young mother withheld a secret that caused her father to crumple to the floor with a heart attack. And Sadie has lost her will to live. She is so heartbroken and burdened with suicidal thoughts. Annabel needs a miracle to save her daughter now. Joyce Donelson Website [www.simplest.com/ghostmaster](#) Joyce Donelson lives in McMinnville, Tennessee. She has four children and this is her first novel.

[Joyce's Abandoned Female Costumes, Gratefully Received](#) _____ Nov 23 2021 While Sheffield's study shares a common presupposition of these recent interpretations, it challenges the idea that the move Joyce makes with this alignment is one that puts him on the side of woman. Sheffield contends that Joyce is not expressing his solidarity with woman or "womanly thought" in opposition to a masculine literary and philosophical tradition, but rather relying on ancient stereotypes to personify a dangerously "other" form of writing.

[Literary Ghosts from the Victorians to Modernism](#) _____ Sep 21 2021 This book resituates the ghost story as a matter of literary hospitality and as part of a vital prehistory of modernism, seeing it not as a quaint neo-gothic ornament, but as a powerful literary response to the technological and psychological disturbances that marked the end of the Victorian era. Linking little-studied authors like M. R. James and May Sinclair to such canonical figures as Dickens, Henry James, Woolf, and Joyce, Thurston argues that the literary ghost should be seen as no mere relic of gothic style but as a portal of discovery, an opening onto the central modernist problem of how to write 'life itself.' Ghost stories should be seen as a distinctly neo-gothic genre, and as such are split between an ironic, often parodic reference to Gothic style and an evocation of 'life itself,' an implicit repudiation of all literary style. Reading the ghost story as both a guest and a host story, this book traces the ghost as a disruptive figure in the 'hospitable' space of narrative from Maturin, Poe and Dickens to the fin de siècle, and then on into the twentieth century. --

[Gilda Joyce: The Ghost Sonata](#) _____ Nov 04 2022 Gilda Joyce's best friend, Wendy Choy, is chosen to participate in a piano competition in Oxford, England, so of course super-sleuth Gilda finds a way to go too. Once there, the grueling practice schedule takes a backseat to strange and spooky occurrences. There are foreboding tarot cards that keep appearing to the participants and ominous numbers etched in frosty windowpanes. But even more chilling are Wendy's ghostly nightmares of a young boy?and the haunting melody she can't shake out of her mind. Could there be a sinister connection to the piano competition? Gilda has a genuine haunting on her hands, and solving this one will take every ounce of psychic intuition she's got!

[A Ghost in Trieste](#) _____ Aug 21 2021 Gem of the Adriatic, Trieste sparkled and beckoned through the pages of poets and novelists. Drawn there in search of literary ghosts, of the poet Umberto Saba and the novelists Italo Svevo and James Joyce, Joseph Cary found instead a city with an imaginative life of its own, the one that rises, tantalizing from the pages of this book. The story of Cary's travels, A Ghost in Trieste, is also a tale of discovery and transformation, as the bustling world of port and airplane, baggage and trams and trains becomes the landscape of history and literature, language and art, psychoanalysis and the self. Here is the crossroads of East and West. A port held in turn by the Romans, the Venetians, the Austrians, the Germans, the Slavs, and finally the Italians, Trieste is the capital of nowhere, fertile source of a unique literary florescence before the First World War. At times an exile home and an exiled city, "I cannot claim to have walked across it all," wrote Saba, the poet of Trieste in 1910 of the city Cary crosses and recrosses, seeking the poetry of the place that inspired its literary giants. Trieste's cultural and historical riches, its geographical splendor of hills and sea and mysterious presence unfold in a series of stories, monologues and literary juxtapositions that reveal the city's charms as well as its seductive hold on the writer's imagination. Throughout, literary and immediate impressions alike are elaborated in paintings and

maps, and in handsome line drawings by Nicholas Read. This "clownish and adolescent Parsifal," this Trieste of the "prickly grace," this place "impaled in my heart like a permanent point," this symbol of the Adriatic, this "city made of books" — here the book remakes the city. The Trieste of allusions magically becomes a city of palpable allure, of warmth and trying contradictions and gritty beauty. Part travel diary, part guide book, part literary history, *A Ghost in Trieste* is a brilliant introduction to an extraordinary time and place. In Joseph Cary, Trieste has found a new poet, and readers, a remarkably captivating companion and guide.

Gilda Joyce: the Ladies of the Lake Jul 20 2021 Zany Gilda Joyce leaves her wacky disguises at home but brings all her psychic and investigative skills with her as she sets out to investigate a mysterious death at a Catholic girls' school. Is *Our Lady of Sorrows* really haunted by the ghost of Dolores Lambert? Or is the student body suffering from group hysteria? Solving this mystery will put Gilda in more danger than she ever imagined? and will put all of her brashness, bravery, and smarts to the test.

Gilda Joyce in geheimer Mission Apr 28 2022

Flann O'Brien & Modernism Mar 28 2022 Flann O'Brien & Modernism brings a much-needed refreshment to the state of scholarship on this increasingly recognised but still widely misunderstood 'second generation' modernist. Rather than construe him as a postmodernist, it correctly locates O'Brien's work as the product of a late modernist sensibility and cultural context. Similarly, while there should be no doubt of his Irishness, and his profound debts to Irish language, history and culture, this collection seeks to understand O'Brien's nationally sensitive achievement as the work of an internationalist whose preoccupations reflect global modernist trends. The distinct themes and concerns tracked in Flann O'Brien & Modernism include characterization in branching narrative forms; the ethics and paradoxes of naming; parody and homage; lies and deception; theatricality; sexuality; technology and transport; and the inevitable matter of drink and intoxication. Taken together, these specific topics construct a mosaic image of O'Brien as an exemplary modernist auteur, abreast of all the most salient philosophical and technical concerns affecting literary production in the period immediately before and after World War Two.

The Ghost in the Electric Blue Suit Jan 26 2022 Against the wishes of his family, David, a college student, takes a summer job at a run-down family resort in a dying English town. It was at this very resort that David's biological father died fifteen years earlier. But something undeniable has called David there, a deeper otherworldliness that lies beneath the surface of what we see. And as David joins an eclectic group of staffers, strange occurrences take hold, including the vision of a lonely, blue-suited man wandering the town.

Irish University Review Jun 26 2019

Joyce's Ghosts Oct 03 2022 For decades, James Joyce's modernism has overshadowed his Irishness, as his self-imposed exile and association with the high modernism of Europe's urban centers has led critics to see him almost exclusively as a cosmopolitan figure. In *Joyce's Ghosts*, Luke Gibbons mounts a powerful argument that this view is mistaken: Joyce's Irishness is intrinsic to his modernism, informing his most distinctive literary experiments. Ireland, Gibbons shows, is not just a source of subject matter or content for Joyce, but of form itself. Joyce's stylistic innovations can be traced at least as much to the tragedies of Irish history as to the shock of European modernity, as he explores the incomplete project of inner life under colonialism. Joyce's language, Gibbons reveals, is haunted by ghosts, less concerned with the stream of consciousness than with a vernacular interior dialogue, the "shout in the street," that gives room to outside voices and shadowy presences, the disruptions of a late colonial culture in crisis. Showing us how memory under modernism breaks free of the nightmare of history, and how in doing so it gives birth to new forms, Gibbons forces us to think anew about Joyce's achievement and its foundations.
