Vinnitta: The Birth of the Detroit Mafia Dec 01 2019 From the Author of Off Color: The Violent History of Detroit's Notorious Purple Gang It was the winter of 1919, and it was the height of a gang war the Motor City hadn't seen before. Detroit's Mafia family had split into two factions, both vying to not only avenge ancient wrongs but also gain control of the city's lucrative illegal alcohol trade at the dawn of Prohibition. In Vinnitta, author Daniel Waugh offers an in-depth account of the formation of the Detroit Mafia and how they grew from a small band of Sicilian immigrants into one of the most powerful criminal sects. He shares how the mafia infiltrated the Detroit business community and established themselves in illegal rackets ranging from extortion, auto theft, bootlegging, burglary, and construction racketeering. The story is told through the eyes of not only the gangsters themselves, but also those of an undertaker forced to prepare many of his friends for burial after their murders.

Oh My Beloved Mar 04 2020 Welcome back to Hawk Island and the village of Two Brooks. After three men disappeared, Monsignor Inocente, is suspicious of the semblance of peace and quiet in his village, and with good reason. He knows his villagers, especially a group of strong-willed women called the Sacristy—defiant and mercurial, delivering their own brand of alternative justice against errant, abusive men. He tries to curb their vigilante means of attaining

justice and the general willful behavior of his people, while at the same time protecting them from the implacable heavy hand of justice coming from the mainland. When a police inspector from the mainland, with wild hair and a hooded smile, arrives in Two Brooks to investigate the disappearance of the three men, the residents wonder if he will bring them more sorrow or maybe even hope. As the inspector digs deeper into the lives of the villagers, he becomes one of them. Is it a ruse to learn their secrets or did he fall prey to their ways? In the second book of the Hawk Island series, Angela, one of the Sacristy women, continues to challenge the violent subordination and unrepentant oppression of women in her village. One of her virtues is the depth of her love for people and causes; she does it completely and unabashedly, but this becomes her undoing when she faces the painful truth of loving more than one man.

Zeit der Finsternis. Ein Fall für Emmanuel Cooper Nov 04 2022 Im zutiefst korrupten Apartheidstaat Südafrika 1953: Detective Sergeant Emmanuel Cooper hat sich nach Johannesburg versetzen lassen, um hier mit seiner heimlichen Familie ein Doppelleben zu führen, von dem keiner seiner Kollegen etwas ahnen darf, schon gar nicht sein argwöhnischer Vorgesetzter Lieutenant Walter Mason. Andernfalls droht Cooper Berufsverbot und Gefängnis, ganz zu schweigen von den Repressalien, die seine farbige Frau und ihre kleine Tochter zu erwarten hätten: Die Rassentrennungsgesetze sind gnadenlos. Er muss also extrem behutsam lavieren. Als im Villenviertel ein weißes Ehepaar überfallen wird, geraten seine Loyalitäten auf den Prüfstand. Cooper kann nicht glauben, dass Constable Shabalalas Sohn ein Raubmörder sein soll. Doch für seine Kollegen ist der Fall klar: Wenn ein weißes Mädchen einen Zulu-Jungen beschuldigt, gibt es kein Zweifeln. Schon gar nicht direkt vor der Urlaubszeit. Cooper wird kurzerhand kaltgestellt. Und riskiert alles. Malla Nunn's Romane aus dem Herzen einer repressiven, zutiefst patriarchalen Kolonialgesellschaft kombinieren das unbeschwerte Vergnügen fulminanter historischer Kriminalromane – historische Genauigkeit, stringente Plotführung und mitreißend geschilderte Auseinandersetzungen – mit tiefen Einsichten über die Art, wie Menschen sich in Gesellschaft positionieren, worauf sie mit Angst, mit Anpassung, mit Aggression oder mit gesteigerter Kompetenzbildung reagieren. Das ist große Literatur, mitten im

A Detective's Complaint Apr 16 2021 "In Shimon Adaf's Lost Detective Trilogy, what begins as conventional mystery becomes by degrees a brilliant deconstruction not just of genre but of our own search for meaning. Both profound and compulsively readable, these books demand to be devoured." —Lavie Tidhar, author of *By Force Alone* In *A Detective's Complaint*, the sequel to *One Mile and Two Days Before Sunset*, Elish Ben Zaken has traded working as a private investigator for writing detective novels based on unsolved cases from the past. He appears to live an ordinary writer's life: meeting with his agent, attending literary conferences. But all is not quite right with Elish, who cannot escape his past so easily, especially when his sister's daughter, Tahel, a teenager and an aspiring sleuth herself, calls on him for help. Tahel has uncovered a mystery: a young woman boarded a bus in Beersheva on a Thursday evening and stepped off in Sderot, close to the Gaza border, on Sunday evening. A bus ride that should have lasted an hour instead took three days, and the young woman remembers none of it. To assist Tahel—and, he tells himself, to conduct research for his next novel—Elish moves back to Sderot, where he grew up. His sister, Yaffa, has moved her family from Tel Aviv to a new lakeside development there; the property came cheap, despite the attractive setting, and there are murmurs

that the developer fled the country before it was completed. Some of the houses still stand empty, and Tahel keeps waking up at night to find her mother staring out at the lake, convinced she is being watched.
