Final Environmental Impact Statement Dec 21 2021

Environmental History and the American South Sep 25 2019 This reader gathers fifteen of the most important essays written in the field of southern environmental history over the past decade. Ideal for course use, the volume provides a convenient entrée into the recent literature on the region as it indicates the variety of directions in which the field is growing. As coeditor Paul S. Sutter writes in his introduction, "recent trends in environmental historiography--a renewed emphasis on agricultural landscapes and their hybridity, attention to the social and racial histories of environmental thought and practice, and connections between health and the environment among them--have made the South newly attractive terrain. This volume suggests, then, that southern environmental history has not only arrived but also that it may prove an important space for the growth of the larger environmental history enterprise." The writings, which range in setting from the Texas plains to the Carolina Lowcountry, address a multiplicity of topics, such as husbandry practices in the Chesapeake colonies and the aftermath of Hurricane Andrew. The contributors' varied disciplinary perspectives--including agricultural history, geography, the history of science, the history of technology, military history, colonial American history, urban and regional planning history, and ethnohistory--also point to the field's vitality. Conveying the breadth, diversity, and liveliness of this maturing area of study, *Environmental History and the American South* affirms the critical importance of human-environmental interactions to the history and culture of the region. Contributors: Virginia DeJohn Anderson William Boyd Lisa Brady Joshua Blu Buhs Judith Carney James Taylor Carson Craig E. Colten S. Max Edelson Jack Temple Kirby Ralph H. Lutts Eileen Maura McGurty Ted Steinberg Mart Stewart Claire Strom Paul Sutter Harry Watson Albert G. Way

The Sublett (Soblet) Family of Manakintown, King William Parish, Virginia Nov 19 2021

Comprising more than four decades of research into an American Huguenot family, this 50th Anniversary edition includes Cameron Allen's original articles on "The Sublett (Soblet) Family of Manakintown, King William Parish, Virginia," published since 1963 by the Detroit Society for Genealogical Research, Cameron Allen's chapter on "Huguenot Migrations" from the 1971 book "Genealogical Research, Volume 2," as well as a Preface and two new articles by Cameron Allen published in *The American Genealogist*: "The Soblets of the European Refuge" and "Ancestral Table of Susanne Brian, Wife of Abraham Soblet." With more than 1,000 footnotes and an index of names, this book is the essential starting point for all researchers of Soblet/Sublett/Sublette family genealogy.

The Mississippi Encyclopedia Mar 24 2022 The perfect book for every Mississippian who cares about the state, this is a mammoth collaboration in which thirty subject editors suggested topics, over seven hundred scholars wrote entries, and countless individuals made suggestions. The volume will appeal to anyone who wants to know more about Mississippi and the people who call it home. The book will be especially helpful to students, teachers, and scholars researching, writing about, or otherwise discovering the state, past and present. The volume contains entries on every county, every governor, and numerous musicians, writers, artists, and activists. Each entry provides an authoritative but accessible introduction to the topic discussed. The Mississippi Encyclopedia also features long essays on agriculture, archaeology, the civil rights movement, the Civil War, drama, education, the environment, ethnicity, fiction, folklife, foodways, geography, industry and industrial workers, law, medicine, music, myths and representations, Native Americans, nonfiction, poetry, politics and government, the press, religion, social and economic history, sports, and visual art. It includes solid, clear information in a single volume, offering with clarity and scholarship a breadth of topics unavailable anywhere else. This book also includes many surprises readers can only find by browsing.

"A Fit Representation of Pandemonium" Oct 26 2019 A common soldier's story, of the men fighting to defend Confederate interests at Vicksburg in late 1862 through July 1863. Using a number of letters home, reminiscences, records and diaries kept during the long hours in the hot and filthy 'ditches', it presents a story of sacrifice and adaptability, of boredom and submission to inevitability.

Journal of the Senate of the State of Ohio Jun 02 2020

ALONG THE WAY Aug 05 2020 This book was written to provide a genealogical account of my family history. There was a driving need to tell this story for the benefit of all of my family, but mostly for my children, Megan, Nicole, Natalie & Robbie, my two step-sons, Marc and Paul and all of those who will come after them. Many hours, weeks, months and years searching the genealogical archives of the Mormon Temple, countless interviews, many trips to grave sites, monuments, and travels to far away places, went into this writing. To give an account of a family's genealogy can be a most complex and daunting task. The research alone can be overwhelming. I have tried to provide the reader with as much detail and accuracy as possible. My intent was to structure this book in a manner that will serve as a reference for those family members, and others as well, who might have the need and interest in knowing the ancestry of those denoted in this writing. The major portion of this book is based on written documentation. However, some of its content is based on verbal accounts and may be subject to some error. For this I sincerely apologize and welcome any and all corrections. Many thanks and great appreciation to my mother, (Rev. Dr. Allie Mae Bellar-Allen), my stepfather, (Lloyd Christopher Allen), my uncle, (Clarence Knox Taylor), my brother in law, Dale Bonzo Etrata and all the other, for sharing their wealth of knowledge concerning the family histories represented in this book. Thanks for taking the time to share it with me. Above all, I must thank my wife, (Rita Teresa) for her support and understanding; the years and years of listening to me pour over data and digging up the past. She has heard me go over data from my research, recalling events names and places so much that she knows them better than I do. My deepest gratitude to you all, and to you all I dedicate this book. Many thanks to Dr. Allen for the many stories and accounts of her pass that inspired me to write this book. Without her I would never have begin the research that led to this writing.

Mississippi County Court Records Sep 05 2020 Virtually all the information in this volume dates from the first half of the nineteenth century and is derived from the court records of the following Mississippi counties: Claiborne, Harrison, Hinds, Holmes, Jefferson, Warren, and Wilkinson. The contents include genealogical abstracts of deeds, wills and bonds, probate minutes, and marriage bonds. Overall, the genealogical content is very rich and extends to nearly 2,000 individuals.

Federal Register Jun 26 2022

The Routledge Handbook to the Political Economy and Governance of the Americas May 14 2021

This handbook explores the political economy and governance of the Americas, placing particular emphasis on collective and intertwined experiences. Forty-six chapters cover a range of Inter-American key concepts and dynamics. The flow of peoples, goods, resources, knowledge and finances have on the one hand promoted interdependence and integration that cut across borders and link the countries of North and South America (including the Caribbean) together. On the other hand, they have contributed to profound asymmetries between different places. The nature of this transversally related and multiply interconnected hemispheric region can only be captured through a transnational, multidisciplinary and comprehensive approach. This handbook examines the direct and indirect political interventions, geopolitical imaginaries, inequalities, interlinked economic developments and the forms of appropriation of the vast natural resources in the Americas. Expert contributors give a comprehensive overview of the theories, practices and geographies that have shaped the economic dynamics of the region and their impact on both the political and natural landscape. This multidisciplinary approach will be of interest to a broad array of academic scholars and students in history, sociology, geography, economics and political science, as well as cultural, postcolonial, environmental and globalization studies.

Information about Old Growth for Selected Forest Type Groups in the Eastern United States Nov 07 2020

Warren County Days Oct 31 2022 The 1950s were a quieter time with no cell phones, texting, twenty-four hour news or social media. Residents of rural Mississippi had more time for unfettered interactions, although in keeping with the strict, but unspoken, social rules that ordered their lives. And then there was Opal Pratt. In this sequel to the author's first book, *Opal*, Miss Pratt is encouraged to step out of her reclusive comfort zone and learns more about human kind. Sometimes more than she wants. In addition to new characters, the reader will recognize Olivia and Levi, the former hussy Frances/Francine, the immigrant preacher now with a love interest, and Opal's rejected suitor, Lemuel, who assumes a new and special place in her life. Opal is naïve, courageous, and sometimes tragic. Follow her journey in *Warren County Days*. With a distinct voice that easily portrays both small town simplicity and heartbreakingly complex nuances, Diane Thomas-Plunk has once again transported me to the South I know and love in her new short story collection. The beloved Opal Pratt is back, along with a cast of characters both new and old, but all remarkable for the feelings they evoke. One standout story is *None So Blind*, which brought the combination of liquor and opera together in a manner that left me truly moved. I find it amazing that an author can take the folks that others would glance over and their life stories, and turn them into something exceptional. I was left wanting more, which is the definition of a powerful book in my opinion. ~ Christina Huber, *Candid Christine Book Review Blog* Readers who fell in love with spinster Opal Pratt in Diane Thomas-Plunk's first book will be glad to meet more of this distinctly Southern writer's small-town characters. Through interactions with old suitors, new neighbors, and

roadside saviors, Opal continues to evolve with the changing times. ~ Erin Z. Bass, Editor & Publisher, Deep South Magazine Warren County Days is a believable trip back into the fifties. You're going to see characters who leap off the page, full blown, and remind you of people you've known. And a few that you haven't. Diane Thomas-Plunk, a born and bred Memphian, weaves stories about ordinary people who turn every day life into something special. ~ Randolph Haspel, Columnist, The Memphis Flyer
