[Best Easy Bird Guide Acadia National Park](#) May 18 2021 Birdwatching is for everyone. No other outdoor pursuit yields so much knowledge of nature's ways with so little effort—if one knows what to look for. Best Easy Bird Guide Acadia National Park opens the world of birding to the novice and expert in this complete guide to getting the most out of birding in Acadia National Park. Best Easy Bird Guide Acadia National Park includes sections on birding technology, equipment, identification techniques, birding “by ear,” where to view birds, field guides, optics, and other essentials to get birders of all skill levels into the field to identify birds throughout Acadia National Park. Especially valuable are descriptions of habitat, feeding, nesting, and migration—informing the reader not only about what kind of bird is on the other end of the binoculars, but what it is up to as well. Includes: GPS coordinates for each species of the top three to five locations where you're likely to see the bird and what time of year is best for this Full-color photos

**Basic Illustrated Kayaking** Aug 09 2020 For a generation, the Basic Illustrated series has been as much a part of the outdoors experience as backpacks and hiking boots. Information-packed tools for the novice or handy references for the veteran, these volumes distill years of knowledge into affordable and portable books. Whether you're planning a trip or thumbing for facts in the field, Basic Illustrated books tell you what you need to know. Basic Illustrated Kayaking Basic Illustrated Kayaking includes a buying guide to kayak design, kayak features, accessories, and gear so the reader can decide the kind of kayak that is right for him or her. The book is packed with step-by-step information on transporting, launching and landing, basic and advanced strokes, techniques, navigation, rescues, and expedition planning. It focuses on recreational (flatwater) kayaking, providing step-by-step instructions and easy-to-follow photos.

[Birds of Colorado](#) Sep 29 2019 This informative guide makes it easy to identify birds in a backyard, favorite parks, and wildlife areas.

**Birds of Prey of the West** May 06 2020 Birds of Prey of the West and its companion volume, Birds of Prey of the East, are the most comprehensive and authoritative field guides to North American birds of

prey ever published. Written and lavishly illustrated with stunning, lifelike paintings by leading field-guide illustrator, photographer, and author Brian Wheeler, the guides depict an enormous range of variations of age, sex, color, and plumage, and feature a significant amount of plumage data that has never been published before. The painted figures illustrate plumage and species comparisons in a classic field-guide layout. Each species is shown in the same posture and from the same viewpoint, which further assists comparisons. Facing-page text includes quick-reference identification points and brief natural history accounts that incorporate the latest information. The range maps are exceptionally accurate and much larger than those in other guides. They plot the most up-to-date distribution information for each species and include the location of cities for more accurate reference. Finally, the guides feature color habitat photographs next to the maps. The result sets a new standard for guides to North America's birds of prey. Lavishly illustrated with stunning, lifelike paintings  
Written and illustrated by a leading authority on North American birds of prey  
Depicts more plumages than any other guide  
Concise facing-page text includes quick-reference identification points  
Classic field-guide layout makes comparing species easy  
Large, accurate range maps include up-to-date distribution information  
Unique color habitat photographs next to the maps

A Guide to Field Guides Apr 04 2020 Focusing on the North American continent, this book, the first of its kind, identifies and describes major field guides in all scientific subject areas (from plants, animals, and insects to astronomy and weather, geology and fossils, and man-made objects). Organized by topic, it offers complete bibliographic information and descriptions of more than 1,300 field guides.

Basic Illustrated Canoeing Mar 04 2020 BASIC ILLUSTRATED CANOEING Award-winning canoe guide Cliff Jacobson offers specific details on choosing the perfect canoe for your needs, accessories, transport tips, basic paddling strokes, capsized rescue, and choosing safe courses in rapids.

Mushrooms Jul 08 2020 Mushrooms: A Falcon Field Guide covers 80 of the most common and sought-after species in North America. Conveniently sized to fit in a pocket and featuring full-color, detailed illustrations, this informative guide makes it easy to identify mushrooms in the backyard and beyond. Each mushroom is accompanied by a detailed listing of its prominent attributes and a color illustration showing its important features. Mushrooms are organized in phylogenetic order, keeping families of mushrooms together for easy identification. This is the essential source in the field, both informative and beautiful to peruse.

**Best Easy Day Hikes Rocky Mountain National Park, 2nd** Jan 02 2020 The Best Easy Day Hikes series are handy, pocket-size guides for day hikers in America's most popular outdoor destinations. The Mountain Guide Manual Jun 26 2019 Written by the International Federation of Mountain Guides Association (IFMGA) certified mountain guides Marc Chauvin and Rob Coppolillo, The Mountain Guide Manual is the go-to reference for novice and experienced mountain guides, as well as advanced recreationalists. Covering everything from rope systems and belaying to advice on group dynamics and rescuing, the manual combines practical how-to instruction with clear graphics, illustrations, and awe-inspiring alpine imagery.

**Canyoneering, 2nd** Nov 11 2020 In David Black's Canyoneering: A Guide to Techniques for Wet and Dry Canyons, readers learn the hazards and risks of canyoneering, the skills required to gain mastery of canyoneering style and technique, and simple, effective ways to negotiate hazardous terrain. This completed updated, thorough, and to-the-point guide will provide easily understood descriptions of skills used by leading-edge canyoneers and promote simple techniques for solving complex problems. The purpose of this book is to equip canyoneers at all levels with the technical skills they need to enjoy a clean canyoneering experience and avoid dangerous mistakes. This full-color book is the only guide endorsed by the American Canyoneering Association. Includes information on: The right way to apply climbing, caving, and whitewater skills to technical canyoneering An explanation of technical canyon ratings Simple, effective ways to negotiate hazardous terrain Twelve classic canyons in North America and their ratings ACA-certified instructors, guides, and guide service

**The Homebrewed Christianity Guide to Jesus** Dec 13 2020 Christology is crazy. It's rather absurd to identify a first-century homeless Jew as God revealed, but a bunch of us do anyway. In this book, Tripp Fuller examines the historical Jesus, the development of the doctrine of Christ, the questions that drove christological innovations through church history, contemporary constructive proposals, and the predicament of belief for the church today. Recognizing that the battle over Jesus is no longer a public debate between the skeptic and believer but an internal struggle in the heart of many disciples, he argues that we continue to make christological claims about more than an "event" or simply the "Jesus of history." On the other hand, C. S. Lewis's infamous "liar, lunatic, and Lord" scheme is no longer intellectually tenable. This may be a guide to Jesus, but for Christians, Fuller is guiding us toward a deeper understanding of God. He thinks it's good news—good news about a God who is so invested in the world that God refuses to be God without us.

Best Easy Bird Guide Acadia National Park Jan 14 2021 Birdwatching is for everyone. No other outdoor pursuit yields so much knowledge of nature's ways with so little effort--if one knows what to look for. Best Easy Bird Guide Acadia National Park opens the world of birding to the novice and expert in this complete guide to getting the most out of birding in Acadia National Park.
