This test manual has different sections of what you will be tested on based on experience. And there are many questions and answers in it, which will give you an in-depth knowledge as well as sufficient preparation for the real test. The questions cut across; defensive driving, road signs/markings and turnings. It also includes some questions on braking, steering techniques, and skid controls, and much more. As a matter of necessity, you are strongly advised to do well to repeat each test contained herein until you can achieve a consistent score of about 90% and above. In this book you will learn the exact things that those people who pass on their first attempt always do: General driving practice testDefensive driving testTeen drivers testRoad signs and traffic control seen on the highway, streets and walkway,
