New York Magazine Feb 02 2020 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

[Servicing Facsimile Machines](#) Mar 05 2020 Hobbs takes readers beyond general maintenance procedures to examine the diagnostics and service techniques used for the maintenance of facsimile machines--including the latest technology of major fax machine components. Multifunction Peripherals for PCs Nov 05 2022 Multifunction devices combine the essentials of a fax machine, printer, scanner, and copier into one peripheral for small and home offices. As the market for this equipment grows, the need for skilled repair and maintenance increases. Unfortunately the service documentation supplied by the manufacturers is completely inadequate making the repair jobs even harder and more expensive. Marvin Hobbs teaches you how multifunction peripherals work in theory and in practice with lots of hands-on examples and important troubleshooting and repair tips you don't want to miss. This book fills a gap in the literature, and will be a welcome addition to the library of any technician or do-it-yourselfer. Written by a knowledgeable practitioner with inside industry information Fully covers the troubleshooting and repair of multifunction peripherals A must-have instructional and reference title for anyone who works with computer peripherals!
