Job Superbook: Book 1. Career Ideas Guide Dec 13 2020 The biggest thing in life for most people aside from personal relationships and health is to earn a living. This comes down to four things: 1.) Education 2.) Finding a job, keeping it 3.) Starting and running a business 4.) State of being, are you capable of being out there, around people These are all huge areas. I cover them all somewhere through all the books I've written because I know the real world and I know it's not the glittery world you can see on TV at anytime but a lot of people, especially young ones, don't know this then when the real world hits them straight-on for the first time, it's like a spear piercing through their being. Life is hard. I wrote the "People Power" books because I lived a fun, easy life until a few tragedies hit then I knew anybody can end up sick, unemployed, feeling hopeless, uninspired and destitute.

Colorado Gold (Treasure Quest Book #1) Jan 26 2022 A dynamic new fiction series from the author of *The Wedding Dress* Author Marian Wells has shown remarkable ability to both capture the hearts of readers and challenge them with a strong spiritual message.

Colorado Gold begins a new historical fiction series, *Treasure Quest*, with an intriguing story set in the West when "gold fever" was at its height. Amy Randolph, a young lady from the east, has moved to a lonely Colorado mining town with her father, an itinerant evangelist. On the threshold of womanhood and having lost her mother as a child, Amy longs for an understanding mother-figure to guide her steps. But she feels more lost than ever being now separated from the familiar comforts of the East. The Christianity she had grown up with seems unreal in their new surroundings. Her strong desire to play the piano, even if it means learning from a dance hall girl, lures her into a double standard. Her confusion is multiplied when she and her friend Daniel are misjudged and find themselves in a compromised situation. Set against the rigors of life in the West, this story's message involves forgiveness and restoration of families--a marvelous redemptive theme.

Bisse Jun 26 2019 Abstruses vom netten Nachbarn nebenan, Abgründe, die sich ganz plötzlich in Seelen auftun, und mythische Wesen, die neben dem erfolgsorientierten

Großstadtmenschen massiv an Furcht einflößender Wirkung verlieren. Monster und Matsch sind in dieser Kurzgeschichtensammlung nicht gefragt. Hier geht es um Subtileres: um den edlen Ritter, den frau sich wünscht, der aber schon seit dem Mittelalter tot ist. Um die selbstsichere junge Frau, die sich plötzlich verliert und verloren geht in der Liebe zu einem geerbten Musikinstrument. Um den Sohn, dessen Liebe zur Mutter ihn zum Mörder werden lässt. Es geht um Grenzen der Wirklichkeit, aber auch um Prioritäten, Ziele, Besessenheiten: Entscheidungen und ihre bisweilen tödlichen Folgen. Die Geschichten haben eins gemeinsam: Das Alltägliche und Normale ist es, das sich sanft und plötzlich als anormal entpuppt und den Leser frösteln lässt. Denn unter dem Normalen lauert das Unerwartete, das Absonderliche, das Gefährliche. Erkennen wir es nicht als solches, wird es uns verschlingen.
