The boys have gone home at the end of the Christmas term and the old house is left to the headmaster, Dr Kemp, his wife, and Alan Scott, a boy abandoned by his mother. As the snow falls heavily on the house and the surrounding woods, a story of revenge and retribution unfolds: a web of half-truths and innuendoes woven into a bizarre game of hide-and-seek through the corridors and dormitories of the school. *The Perils and Dangers of this Night* is a compelling story of unfolding horror as a small boy undergoes a rite of passage, seeking redemption from his haunted past.

[The Anna Papers](#) Mar 29 2020 A writer's suicide sends ripples through the world she left behind: "A wonderful book...moving and tender and tough and unsentimental, all at the same time."—Chicago Tribune An accomplished author with a string of devoted lovers, Anna Hand savors life in all of its bittersweet, fleeting moments. So when she gets a letter and discovers her brother has a daughter he never knew about, she sees a major part of life that has passed her by: a child to love. Caught between the politics of her upper-crust family and love for a married man, Anna finds her health in serious danger. When her bad days catch up with her good ones, she must finally face the disease that had been hiding just beneath the surface. Not willing to resign herself to months of aggressive treatment, and knowing the outcome will be the same regardless, she takes matters into her own hands, and surrenders her body to the sea. But it isn't only Anna's death that shocks her family. The papers she left behind may lead her sister Helen to discover more about Anna than she, or any of the Hand family, need to know... "Gilchrist excels in drawing the bonds of love and resentment in sexual and family relationships, and no one who encounters her characters here or in her earlier works will want to miss reading about them again." —Publishers Weekly

[The Fullness of Time](#) Nov 17 2021 Over the course of the fifteenth century, the Low Countries transformed Europe's economic, political and cultural life. Innovative and influential cultural practices emerged across the region in flourishing courts, towns, religious houses, guilds and confraternities. Whether in visual culture, music, devotional practice, or communal rituals, the thriving cultures of the Low Countries wrestled with time, both through explicit measurement and reflection, and in the rhythms of social and religious life. This book offers a deeper understanding of how time was structured and experienced by different constituencies through a series of detailed readings of diverse cultural objects and practices, ranging from woodcuts and painted altarpieces, to early print books, and to the use of polyphony in the liturgy. Individual chapters are devoted to life in the university towns of Louvain and Ghent, the liturgical rituals at Cambrai Cathedral, and the rich pageantry that marked the courts of Philip the Good and the new Burgundian rulers. What emerges is a complex temporal landscape in which devotional and secular practices and experiences merged into a new "fullness of time."

Dangerous Familiars Mar 09 2021 Looking back at images of violence in the popular culture of early modern England, we find that the specter of the murderer loomed most vividly not in the stranger, but in the familiar; and not in the master, husband, or father, but in the servant, wife, or mother. A gripping exploration of seventeenth-century accounts of domestic murder in fact and fiction, this book is the first to ask why. *Frances E. Dolan* examines stories ranging from the profoundly disturbing to the comically macabre: of husband murder, wife murder, infanticide, and witchcraft. She surveys trial transcripts, confessions, and scaffold speeches, as well as pamphlets, ballads, popular plays based on notorious crimes, and such well-known works as *The Tempest*, *Othello*, *Macbeth*, and *The Winter's Tale*. Citing contemporary analogies between the politics of household and commonwealth, she shows how both legal and literary narratives attempt to restore the order threatened by insubordinate dependents.

A Dangerous Place Sep 03 2020 SHORTLISTED FOR THE CRIME WRITER'S ASSOCIATION GOLD DAGGER AWARD FOR NON-FICTION. In September 1970, two boys met in the playground on their first day at secondary school in North London. They formed what would be described at the Old Bailey thirty years later as 'a unique and wicked bond'. Between 1982 and 1986, striking near lonely railway stations in London and the Home Counties, their partnership took them from rape to murder. Three police forces pooled their resources to catch them in the biggest criminal manhunt since the Yorkshire Ripper Enquiry. *A Dangerous Place* is the first full-length account of the crimes of John Duffy and David Mulcahy. Told by the son of one of the police officers who led the enquiry, exhaustively researched and with unprecedented access, this is the story of two of the most notorious serial killers of the twentieth century and the times they operated in. It is the story of the women who died at their hands. It is the story of the women who survived them, and who had the courage to ensure justice was done. And it is the story of a father, told by a son.
