***Weiß Mar 13 2021 Bret Easton Ellis beobachtet sich selbst und sein Land In »Weiß verbindet Bret Easton Ellis autobiografische Erlebnisse mit schonungslosen Beobachtungen und Erfahrungen, die er mit der amerikanischen Gesellschaft in den letzten Jahren gemacht hat. Eine Polemik gegen den grassierenden PoliticalCorrectness-Wahn in den USA und zugleich eine Verteidigung von Meinungs- und Kunstfreiheit. Berühmt und berüchtigt - das trifft auf Bret Easton Ellis wie auf keinen anderen Autor zu. Seit seinem ersten Roman »Unter Null«, der ihn 1985 über Nacht zum Star machte, sammelt er Fans wie Feinde um sich, und spätestens mit seinem Roman »American Psycho« und der Figur des Patrick Bateman gilt er in nicht wenigen Ländern als Skandalautor. Viele Jahre liegen seit seiner letzten Veröffentlichung zurück. Jahre, in denen er sich nur über Twitter und Podcasts geäußert hat. In seinem neuen Buch denkt er nach über seine eigenen Werke, ihre Entstehungen und Wirkung, über Filme, die er sieht, und Menschen, die er trifft . Er spricht Dinge aus, die manch einem in seinem Umfeld nicht gefallen werden, und das mit scharfzüngiger Ironie. Ein Memoir, das es in sich hat: ein Selbstporträt und eine leidenschaftliche Reflexion über Kunst in unserer Zeit.***

***The Last Girlfriend on Earth Aug 18 2021 It doesn't matter if you're a caveman, a time traveller or a regular person. Sooner or later, someone's going to break your heart. The sketches in Simon Rich's new book are bizarre, funny, and - if you've ever been in love - all too familiar. From the invisible man stalking his ex, to Sherlock Holmes' only blind spot, The Last Girlfriend on Earth is always enchanting, often sweet, though occasionally awkward. Just like love itself. 'The Last Girlfriend On Earth is silly, surreal, sometimes sad and always laugh-out-loud funny. This collection will have you giggling/crying/squirming in recognition, and wondering what exactly Simon Rich has eaten to dream all this stuff up ... pulls off the tough trick of being both heart-warming and hilarious - it's a must-read if you've ever so much as had a crush on someone' Heat 'Pithy, occasionally bonkers' Time Out 'Truly hilarious' Eva Wiseman, Observer Handbuch der Geschichte der Litteratur Aug 25 2019 Unveränderter Nachdruck der Originalausgabe von 1833.***

**as anyone can remember, the founder and CEO (known in some circles as "God") has been phoning it in. Lately, he's been spending most of his time on the golf course. And when he does show up at work, it's not to resolve wars or end famines, but to Google himself and read what humans have been blogging about him. When God decides to retire (to pursue his lifelong dream of opening an Asian Fusion restaurant), he also decides to destroy Earth. His employees take the news in stride, except for Craig and Eliza, two underpaid angels in the lowly Department of Miracles. Unlike their boss, Craig and Eliza love their jobs - uncapping city fire hydrants on hot days, revealing lost keys in snow banks - and they refuse to accept that earth is going under. The angels manage to strike a deal with their boss. He'll call off his Armageddon, if they can solve their toughest miracle yet: getting the two most socially awkward humans on the planet to fall in love. With doomsday fast approaching, and the humans ignoring every chance for happiness thrown their way, Craig and Eliza must move heaven and earth to rescue them - and the rest of us, too.**

Wir treffen auf Sophia, die erste künstliche Intelligenz, die fähig ist, zu lieben, ihr Besitzer hingegen scheint damit mehr Schwierigkeiten zu haben. Wir erfahren, warum rote T-Shirts für Rendezvous besonders geeignet sind, wie Facebook uns daran hindert, das Geheimnis dunkler Materie zu ergründen, und wir erleben Johnny Depp, der sich von den Touristen im Hollywood-Doppeldecker-Tourbus zu immer gewagteren Motorradstunts hinreißen lässt. Dabei haben B.J. Novaks Storys eines gemeinsam: Im Zentrum stehen wir, die Leser, und Novak scheint immer genau zu wissen, was wir denken und warum. Mit diebischer Freude führt er uns an der Nase herum. In bester Woody-Allen-Manier widmet er sich den kleinen Schwächen und großen Täuschungen: der Liebe und dem Leben. Es darf viel gelacht werden. »B.J. Novak hat mich umgehauen. **We All Looked Up Apr 25 2022 Was wäre, wenn ein riesiger Asteroid durchs All Richtung Erde trudeln würde und man eventuell nur noch zehn Wochen Zeit hätte, um all seine Wünsche und Hoffnungen in die Tat umzusetzen? Peter, Eliza, Anita und Andy müssen sich kurz vor dem Schulabschluss genau dieser Frage stellen. Ihnen bleiben zehn Wochen, um all ihre Hoffnungen und ihre Herzen in die Waagschale zu werfen, denn vielleicht, vielleicht, ist es die einzige Zukunft, die sie haben. In diesem existentiellen Carpe-Diem-Szenario stellt sich für den Sunnyboy Peter ebenso wie für die ehrgeizige Anita die Frage, was für sie wirklich zählt, und auch der sorglose Andy und die fatalistische Eliza mit ihrer Nach-mir-die-Sintflut-Haltung müssen zum ersten Mal ernsthaft ihr Leben überdenken.**

Seit Gott sich lieber auf sein Golfhandicap konzentriert, anstatt Hungersnöte zu lindern, geht die Welt den Bach runter - auch wenn die Engel Craig und Eliza von der Wunderabteilung emsig weiter Gebete erfüllen. Doch dann kündigt Gott überraschend seinen Rücktritt an und gibt seinen Ausstiegsplan bekannt: Armageddon, die Zerstörung der Erde. Nur ein Wunder könnte den Chef umstimmen: Craig und Eliza sollen zwei irdische Loser dazu bringen, sich ineinander zu verlieben. Und so setzen die beiden Engel Himmel und Hölle in Bewegung, um die Welt doch noch zu retten.**

Trotzdem versucht er händeringend, einen letzten Kontakt mit der Realität aufrechtzuerhalten. Denn seine ehemalige Kommilitonin Elsa Brunner muss mit einer angeborenen Krankheit leben und kennt daher überhaupt keine Angst. **The 30 Rock Book Jan 29 2020 The hilarious true story of the making of the cult classic hit show 30 Rock It's hard to remember a time when Tina Fey wasn't a star, but back in the early 2000s, she was an SNL writer who was far from a household name. It's even harder to remember when Fey's sitcom 30 Rock was tanking, but it was—it premiered in the fall of 2006, and by November, the New York Times wrote that 30 Rock was "perilously close to a flop." But despite all expectations (including those of some of the cast and crew), Tina Fey's eccentric buddy comedy lasted 138 episodes, spanning seven seasons. It resurrected the career of Alec Baldwin, survived an extended absence by Tracy Morgan, and permeated the culture— its breakneck pacing, oddball characters, and extremely rich joke writing are deeply beloved by millions of fans. Through more than fifty original interviews with cast, crew, critics, and more, culture writer Mike Roe brings to life the history of the gloriously goofy show that became an all-time classic. The 30 Rock Book has everything in it, from tales of the amazing music still stuck in our heads, to the iconic bit characters that make the show, to all the love and drama of the backstage crew . . . and the creative failures and successes along the way. So grab your night cheese and muffin tops, cuddle up with your slanket against your Japanese body pillow, and settle in for the story of one of the funniest shows in television history.**

**The 24 Hour Plays Viral Monologues May 15 2021 Since 1995 The 24 Hour Plays have been responding to theatre in the moment. As the 2020 Coronavirus pandemic brought an end to live theatre in the USA and Europe, the company sprang to work to keep the arts alive. Bringing together some of America's most prolific writers for the stage and screen, this unique and contemporary book of monologues collates the responses in dramatic fashion, making for an anthology of work that is timely, moving, irreverent and at its best, transcendent. Featuring original monologues by writers such as David Lindsay-Abaire, Clare Barron, Hansol Jung, Stephen Adly Guirgis, Christopher Oscar Peña, Jesse Eisenberg and Monique Moses this is a rich collection that can be enjoyed by actors, writers and those looking for creative responses to the global COVID-19 crisis. With over 50 monologues from the first three weeks of the project, edited by Howard Sherman, this is an important collection that documents an unprecedented moment in history whilst also offering practical resource for actors and performers.**

Eliza is shocked by the casual attitude of many of the angels in her new department. And she's furious when she discovers that God has never looked at, let alone answered, a single prayer. **The Threshing Floor Jun 15 2021 Simon Freeman has just graduated from college and is driving across country in search of a lucrative sales job and the American Dream. Along the way, he is diverted off the path by a storm that leads him back to a small Midwestern town where he had spent the first ten years of his life. After reconnecting with his old friends, he quickly becomes accustomed to an all too familiar lifestyle. Not long after his arrival, a murder rocks the community, and Simon becomes convinced that he has been chosen to put an end to a curse and the cycle of tragedies that have plagued the town of Bethel for the past seventy-two years. With the help of a wily, old principal named Thelma Harold, he comes to believe that by renovating the local elementary school, he can influence a referendum vote that will restore the values and priorities of a corrupt, depraved community that has been overrun by a shrewd businessman named Jack Lawless and a small faction of wealthy landowners. During the renovation, however, Simon unwittingly enters into his own personal journey that takes him from salvation to sanctification. Along the way, a fledgling romance with a young teacher named Hope Wiseman forces Simon to confront the demons of his past and make a choice to either serve himself or Christ. In the end, Simon finds out that simply returning a building to its original condition has far greater societal implications to the eternal welfare for the cursed people of Bethel.**

***The World of Simon Rich Aug 30 2022 Simon Rich's BBC Radio 4 series of the same name will be broadcast in June The world is a bewildering place and we're ill-equipped to deal with it. From the horrors of childhood to the vagaries of old age, from confused people to humiliated animals, we're all just trying - and often failing - to keep it together. How carefully should you answer when asked what you'd take to a desert island? What do you do if your parents are reading your diary? How useful is a Swiss Army Knife? And what's A Brief History of Time really about? Armed with a sharp eye for the absurd and an overwhelming sense of doom, Simon Rich explores the ridiculousness of our everyday lives, from the most minute of anxieties to one of life's biggest questions: Does God really have a plan for us? Yes, it turns out. Now if only He could remember what it was ... 'Simon Rich is very much laugh-out-loud funny. He can conjure authentic, from-the-abdomen laughter on almost every page. He stacks surrealism on top of slick satire on top of pure childish silliness in such a brilliant and condensed way, there are sometimes three laugh-out-loud moments within the same paragraph ...
