*Goodbye Otherworld, See You Tomorrow: Volume 1* Oct 23 2021 The world he woke up in is long dead, dusted in ashen powder, and yet Keisuke still sees splashes of color as he travels through it. For the longest time, he's wandered alone across the deserted landscape, clinging to the hope that something—or someone—might be out there in the emptiness. When he finally stumbles across that someone, even more threads of color start to seep into the ashen world around them. This time, when Keisuke sets off down the road, someone sits beside him in the passenger seat. The first acquaintance he's ever made here, his first companion in this barren world. They're both traveling in search of something, and after searching alone for so long, maybe they'll have better luck working together? Their only lead is a witch who can answer any question—for a price. What will the two ask her, and what will she be able to tell them? More importantly, what will it cost them, and will they be willing to pay the price?

**Let Them See You** Feb 24 2022 The guide to getting hired, being promoted, and thriving professionally for the 40 million people of color in the workplace—from the CEO and cofounder of Jopwell, the leading career advancement platform for Black, Latinx, and Native American students and professionals. Let Them See You is a collection of Braswell's straight-talking advice and mentorship for diverse careerists, from college students to mid-level professionals. It's also an invitation for diversity champions to listen in on the guidance and perspective Braswell provides, particularly for young diverse workers—the population that will make up the majority of the US workforce by 2030. In Let Them See You, Braswell briefly chronicles how the majority-culture workplace evolved and why it's a business imperative to have a more diverse workforce, and then explains how you can: · overcome not-so-invisible obstacles · create perceived value · get recognition

· be true to yourself at work · build a personal brand · harness fear of failure · embrace uncomfortable conversations, and · drive diversity and inclusion, whether you're entry-level or in management In essence, Braswell delivers all the context, tactics, and language you need to let them see you.

**See You Soon, Princess** Sep 21 2021 "I know he's dangerous... and it scares me how much I like it." --- Allyssa has been responsible for her young niece Ivy since her sister's death. She moved to town, to a tiny apartment in a seedy area. It's not the best, but it's the only thing she can afford as an unemployed accountant fresh out of college. Allyssa needs money and she is ready to take any job to give Ivy a good life. Even if that job involves wearing a short skirt and serving expensive drinks to loud, damn rich guys. But she's definitely not prepared to fall in love with the worst of them all: Joey Miller. He is hot. Damn hot. As bad as the devil. And he calls her his little princess. Joey saved her life once before... but can Allyssa trust him to do it again? --- That was exactly Joey Miler's plan. Since witnessing the death of his parents as a child, he has only focused on one thing: revenge. Kill the man who left him alive. Kill the man known as the Crimson Raven. To do that, he had to live the life of an outlaw, start his own gang, and make a name for himself in the underworld. It worked. He got filthy rich. But he never forgot his goal. Now he's on the verge of getting what he always wanted. And he won't let anyone get in his way. Not even the new girl, with her fiery and defiant manner that he finds so fascinating. Not even his princess... A stand-alone 49k word romance story with a guaranteed HEA and plenty of heat and thrills!

**Biology Of Enlightenment** Mar 16 2021 In this book we meet with the modern sage, U.G. Krishnamurti, and listen to his penetrating voice describing life and reality as it is. What is body and what is mind? Is there a soul? Is there a beyond, a God? What is enlightenment? Is there a life after death? Never before have these questions been tackled with such simplicity, candour and clarity. In these unpublished early conversations with friends (1967-71), U.G.discusses in detail his search for the truth and how he underwent radical biological changes in 1967. Preferring to call it the natural state over enlightenment, he insists that whatever transformation he has undergone is within the structure of the human body and not in the mind at all. It is the natural state of being that sages like the Buddha, Jesus and, in modern times, Sri Ramana, stepped into. And U.G.never tires of pointing out that 'this is the way you, stripped of the machinations of thought, are also functioning.'

**The Dragonmaster Trilogy Collection** Feb 12 2021 The Dragonmaster Trilogy collection is a compilation of three stunning YA Fantasy novels, FLAME, FLIGHT and FREEDOM. Join sisterwitches Sanna and Isadora Spence as they grow into a new world of dragons, unexpected magic, and struggles that test the enduring bonds of sisterhood. FLAME In Anguis, magic Is forbidden. Dragon Servants Sanna and Isadora Spence live deep in Letum Wood, where persnickety dragons and wars on the borders are the least of their worries. Thanks to years of simmering tension, the hidden

village is destined to crack. Soon, Sanna's deep love for the giant beasts causes her to make an irreversible mistake, while Isadora's disinterest leads her to a fateful decision that will change the course of the entire world. Can the sisters prevent everything they know from falling apart? Or do they allow it to break and pave the way for new growth? Join these beloved sisterwitches in a story about sisterhood, new magic, and dealing with change. **FLIGHT** A treacherous new world awaits. Sisterwitches Isadora and Sanna Spence aren't sitting back anymore. In fact, they're both tangled in separate new worlds—ones they didn't anticipate. Despite the Dragonmasters home burning to ash, Sanna is certain of one thing—she will not be a tyrant, even though managing a brood of frightened dragons falls on her reluctant shoulders. When a devastating tragedy strikes the Dragonmaster families, Sanna is forced to face a world she never knew existed. Isadora, on the other hand, is too busy with her new life to worry about her old one. In the midst of training with her perpetually annoyed mentor, Maximillion, Isadora is unexpectedly taken away from home and thrust into a dangerous game. Her life is now in the hands of her most terrifying enemy: Cecelia Bianchi. Both sisters are far from home and over their heads. Can they marshal their courage to save those they care about? Or will their expanding horizons prove to be their biggest danger yet? Join the beloved sisters from **FLAME** in a new tale about growing up, moving on, and finding the courage within. **FREEDOM** Isadora Spence knows two things: 1) she's tired of all the wars and wants them to stop and 2) she never wants to see Maximillion Sinclair again. Sparks fly when rising desperation leads Isadora and Maximillion to attend a political delegation together in the Southern Network. She's determined to create a pact for peace and save lives, but when events spiral into far more dangerous territory, she realizes the only witch she can trust is Maximillion. Can they work together, or will everything fall apart? Meanwhile, her sisterwitch Sanna is out of her depth in an unfamiliar world of volatile goddesses and buried history. Facing an unwinnable battle against Prana, the ruthless goddess of the sea, Sanna roots through history, only to discover that Prana isn't the only enemy they face. In a world embroiled with war on all fronts, can the sisterwitches do their part to bring peace and freedom to Antebellum? Or will all their best efforts fail in the bigger machinations of goddesses and witches? **FREEDOM** is the final book in the Dragonmaster trilogy. This sweeping YA Fantasy saga will take to a new world, keep you on the edge of your seat, and ask you to answer the most impossible question of all: What is freedom?

**Fool Me Twice** Jun 18 2021 Pulling off an impossible crime is the only way he can stay alive. Stealing a Faberge egg. Surviving a double cross. And pulling off the most incredible robbery ever, for the world's most demanding—and dangerous—collector. This will be the challenge of thief extraordinaire Riley Wolfe's life. Held prisoner by a top-dog international arms dealer, and a top-notch art collector, Riley has to steal an artwork. Small problem—it's a fresco, "The Liberation of St. Peter." Slightly larger problem—it's in the Vatican. And, it's a literal wall. Riley has no choice: agree or die. But when his captor turns him loose, he finds even more dangerous criminals waiting to ensnare him, threatening his life and the life of the woman he loves. The threat is clear. Riley knows they both have only one way out. With wicked dialogue, tons of explosive twists, and cinema-worthy scenes, Jeff Lindsay's *Fool Me Twice* is a wildly entertaining caper starring an antihero you'll root for, Riley Wolfe.

**I See You...** Aug 01 2022 "Sixteen year old Kat Whittaker led a normal, boring life up until the day she had a near death experience and came back being able to communicate with ghosts. She gets outcast from her social circle and befriends the new kid, Kevin, who surprisingly now shares the same ability as Kat. They discover that their local high school used to be an old lunatic asylum that was home to a cult of devil-worshippers, and the arrival of the suddenly gifted teenagers stirs up

these things that should have remained buried forever. The dark spirits and the demons are awake, and now nobody and nowhere is safe as they begin to leave a trail of destruction behind them, hell-bent on finishing what they started. The clock begins to tick and unless Kat and Kevin can adapt to their new lives and fast, the barrier between the living and the dead will be broken forever."

*I See You See* May 30 2022 When a brother and sister go for a walk, their imaginations turns the ordinary into the extraordinary in this sweet and whimsical picture book. Pup is pulling, Maisie is pushing, and Jonah is looking and listening as the three of them set off on their daily dog walk. But what begins as a chore becomes an unexpected celebration of imagination as their neighborhood transforms. Maisie sees butterfly; Jonah sees a popsicle garden! Maisie sees the postman; Jonah sees a sky slide! And...is that...a tree of cats?! Differences are what brings richness to the everyday in gorgeous homage to the wonders of the world around us—and the worlds we can create—if only we stop to look and listen.

*Living to See You* Aug 21 2021 From the deserts of North Africa, to the fever wards back home, this wartime love story charts the distant courtship between a young Wellington Bomber pilot and a probationer nurse. He sees action above the skies of Egypt, in one of the most hazardous missions of the Desert Airforce, while she cares for patients with the killer diseases of the age.

**The Real Doctor Will See You Shortly** Dec 25 2021 A scorchingly frank look at how doctors are made, bringing readers into the critical care unit to see one burgeoning physician's journey from ineptitude to competence. In medical school, Matt McCarthy dreamed of being a different kind of doctor—the sort of mythical, unflappable physician who could reach unreachable patients. But when a new admission to the critical care unit almost died his first night on call, he found himself scrambling. Visions of mastery quickly gave way to hopes of simply surviving hospital life, where confidence was hard to come by and no amount of med school training could dispel the terror of facing actual patients. This funny, candid memoir of McCarthy's intern year at a New York hospital

provides a scorchingly frank look at how doctors are made, taking readers into patients' rooms and doctors' conferences to witness a physician's journey from ineptitude to competence. McCarthy's one stroke of luck paired him with a brilliant second-year adviser he called "Baio" (owing to his resemblance to the Charles in Charge star), who proved to be a remarkable teacher with a wicked sense of humor. McCarthy would learn even more from the people he cared for, including a man named Benny, who was living in the hospital for months at a time awaiting a heart transplant. But no teacher could help McCarthy when an accident put his own health at risk, and showed him all too painfully the thin line between doctor and patient. *The Real Doctor Will See You Shortly* offers a window on to hospital life that dispenses with sanctimony and self-seriousness while emphasizing the black-comic paradox of becoming a doctor: How do you learn to save lives in a job where there is no practice?

**See You On Venus!** Mar 28 2022 *See You on Venus!* is a book about learning to let go of your investment in self-imposed limitations so that you can dismantle the blocks you have created to your innate freedom, success, choice, happiness and completion. It is also a book about hope, observation and reconnecting with your lost self - the self of perfect success, happiness and harmony. Like a half-remembered song, each one of us carries a distant memory of how that perfection feels, but this memory is clouded by what we have learned on our journey through life. The message is simple: you have the power to bring together the parts of yourself that have become fragmented and to become one daring and truthful realization of the perfect star you truly are. *See You on Venus!* shows that you can stop undermining yourself and that you can hold the belief of the truth of what you can be. Remember, never lose moments in your own time when a decision to make a new choice or to see the world in a new way can be so freeing. Whatever aspect of your life you want to focus on, however you define 'success' or 'happiness', wherever you want to take that inner perfection, it's really only a matter of realizing the unlimited resource that you already are (and always were) and reconnecting with what you have forgotten about your perfect self. We all start perfectly successful. We all start complete. We acquire failure. Real success is based on who we are within rather than anything we come by externally. The willingness to look at ourselves in a light of perfection, success, inclusion and completion provides a real opportunity to move forward in the true meaning of peace and happiness. "In this book, Geoffrey Canavan explores the intrinsic nature of success and produces a universal road map for real life that can be tailored to corporate or individual needs. A

must-read for business and individual decision-making." - Jerry Flynn, MD Sony Pictures "There is a way of thinking that will bring peace and happiness into our life; that will free us to the memory of a perfectly whole, completely loving and forgotten Self. It is an awareness that mystics and philosophers through the ages have tried to explain and teach how to access. Geoffrey Canavan is a modern mystic with the unique ability of explaining why and how our lives function the way they do and- most importantly-in concepts we can relate to and using language we understand, showing us how to make choices that will change our self-perception, and then the world that it has made for us. In a world made from the belief that there is 'something wrong with me, ' See You On Venus, offers a refreshing and needed alternative to the beliefs that have made the ego's perception seem true. In a world given to finding better ways to defend ourselves and maintain the 'distance' between us, it offers a way to find real healing through forgiveness and joining. For anyone willing to be truly happy or to 'risk' finding the truth of who and what they really are, See You On Venus, will be a blessing and a joy!" - Tom Carpenter, Author and founder of The Forgiveness Project "More than ever, individuals, families, organizations, and governments need to create a vision for success that helps to deliver true happiness, abundance and freedom. Geoffrey Canavan shows us the way." - Robert Holden Ph.D author of Shift Happens, Happiness Now, Success Intelligence and Be Happy "As things tighten up, the drive to succeed grows stronger. Widespread exploration of getting to the root and playing the inner game of succeeding in life - achieving results from the inside out - is fast gaining traction. Geoffrey Canavan presents as highly evolved, insightful and succinct a view as you'll get. World-class!" - Stephen Russell, the Barefoot Doctor, author of Supercharged Taoist and 12 other titles

**Where I Can See You** Apr 28 2022 Haunted by the disappearance of his mother when he was eight years old, detective Hud Matthews begins his own investigation to find out what really happened so many years before. When a rare murder occurs in the lakeside community, Hud's veteran skills are called upon to capture the killer. Pulled deep into the threads of the community with ties to the past, Hud quickly becomes a target, not only of the killer, but of those who wish the past to be left alone. As Hud gets closer to discovering the truth about the crimes, he has to face a choice of enforcing the law, or stepping outside of it to make sure that his version of justice is served. From the Trade Paperback edition.
