Misty of Chincoteague Jun 18 2021 The determination of two youngsters to own a Chincoteague pony is greatly increased when the Phantom and her colt are among those rounded up for the yearly auction, in a beloved Newbery Honor Book classic that returns in hardcover to delight old and new fans alike.

The Wild Horse Dilemma Jul 28 2019 Tirades and threats. Hyperbole and deception. Changing landscapes and immutable opinions. Living traditions and dead animals. The conflicts that rage around the wild horses of the Atlantic coast can be loud, confusing, and downright vicious. Wild horses have lived on these barrier islands for hundreds of years, and many people would like to see them remain. Horse advocates and horse detractors alike turn to research to support their claims, but often reach different conclusions from the same information. Engaging the reader at every turn of the page, Bonnie Gruenberg frequently breaks new ground as she separates fact from myth and exposes the roots of issues for the reader to consider. She does not flinch from probing questions: Are these horses wild or feral? Native or exotic? Were Chincoteague Ponies used in bioweapons research? Did the U.S. Coast Guard patrol East Coast beaches with Western mustangs in WWII? How does the condition of lactating mares predict environmental health? She weaves a story of ancient origins and current events, hard science and fiery passion. The result is the most comprehensive and factual reference on the wild horses of the Atlantic coast.

Readers' Guide to Periodical Literature Apr 28 2022 An author subject index to selected general interest periodicals of reference value in libraries.

The Essential Guide to Children's Books and Their Creators Apr 04 2020 Upon publication, Anita Silvey's comprehensive survey of contemporary children's literature, *Children's Books and Their Creators*, garnered unanimous praise from librarians, educators, and specialists interested in the world of writing for children. Now *The Essential Guide to Children's Books and Their Creators* assembles the best of that volume in one handy, affordable reference, geared specifically to parents, educators, and students. This new volume introduces readers to the wealth of children's literature by focusing on the essentials — the best books for children, the ones that inform, impress, and, most important, excite young readers. Updated to include newcomers such as J. K. Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends, this edition features more than 475 entries on the best-loved children's authors and illustrators, numerous essays on social and historical issues, thirty personal glimpses into craft by well-known writers, illustrators, and critics, and invaluable reading lists by category. *The Essential Guide to Children's Books and Their Creators* summarizes the canon of contemporary children's literature, in a practical guide essential for anyone choosing a book for or working with children.
